ABOUT US

Our company, based in Prachuap Khiri Khan province, Thailand's largest pineapple growing area, provides world class premium standard canned pineapple products for global markets.

Located 280 kilometres from Bangkok, our 20 production lines and facilities are strategically located to ensure easy access to international markets. Our state-of-the-art production technology and processes produce over 4,000 containers a year of canned pineapples for domestic and export markets. And we're committed to internationally recognised quality and hygiene standards.
