**Ready Made Food** is popular with people today. Because it doesn't take a long time to prepare, it's easy to carry, and you can add meat or vegetables as desired. Can be stored for a long time This makes it a great choice for food preparation in the kitchen.

We believe that customers should have choice and access to Thai food with authentic Thai flavour. Contains ingredients from Thai herbs and is safe from chemicals. at a fair price That's why we spend a lot of time developing the best possible products. in order to achieve the intended results

Our care begins with the selection of raw materials to be produced directly from farmers. Already selected and trimmed, then washed and cleaned according to Halal standards.

Ingredients are weighed and cooked according to our standard recipe. Using various types of Thai herbs and using natural ingredients and ingredients No chemicals added and no preservatives

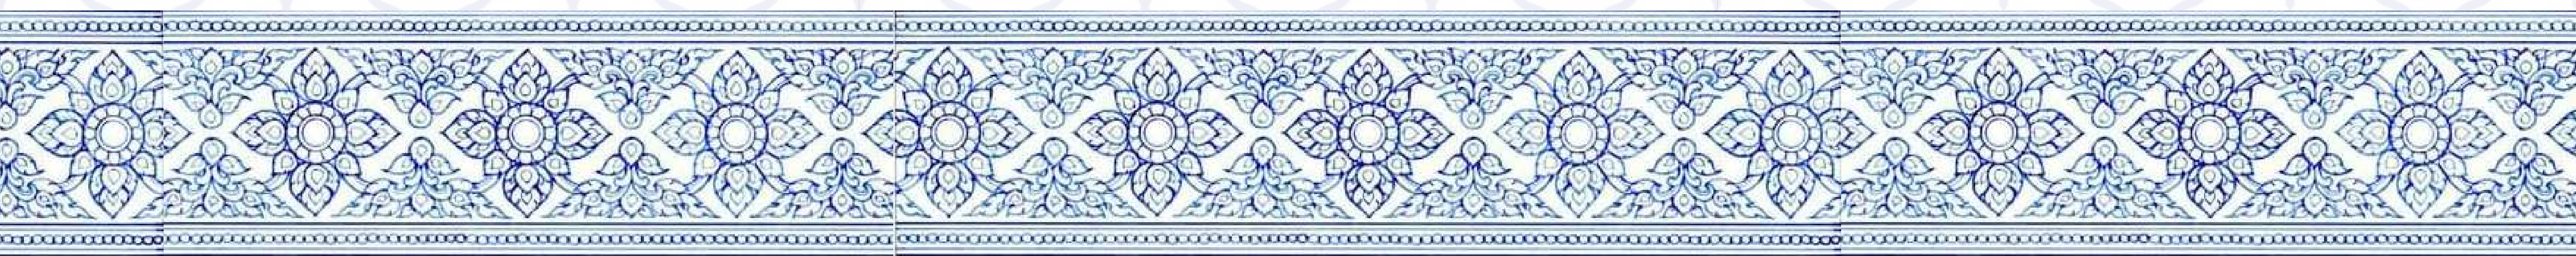

Packaging process by machine for cleanliness Taken through the sterilization process with a sterilization system. To ensure that customers will receive quality, clean, ready-made curry that tastes like freshly made curry and can be stored for a long time without refrigeration.

**Our objective** is to deliver the convenience of cooking Thai food and a better quality of life through ready-made Thai food. with authentic Thai flavor It is of high quality and safe from chemicals. at a fair price

**KitchenThai** : ready-made Thai curry that tastes like it's freshly made. The recipe and method were developed by a Thai food chef who has experience directly from Thai restaurants. Easy to make, the taste is the same every time. No need to memorize formulas. No need to season. No need to add coconut milk. We do it all. Just add water, meat and vegetables as needed. Ready-made Thai curry that tastes the same as freshly made. Authentic, traditional Thai flavor, no coloring, no chemicals added. Ready to serve within 5 minutes
