

## ABOUT US

Based in Atlanta, GA, Agri International is an experienced exporter of U.S.-origin agricultural goods, handling the supply chain from origination to the final destination. We proudly serve U.S. farmers and food commodity producers who depend on us to market their products overseas as well as our customers seeking out the right products at the best value.

We are proud that diversity helps to drive our growth. We are fluent in local customs, cultures and languages with a diverse, multi-lingual team that closes the gap between farmers and customers wherever they may be. For more than 20 years, we have partnered with companies that share our values and continue to settle for nothing less than the best.

# AWARDS AND ACHIEVEMENTS

Agri International is a 2020, 21 and 2022 GLOBE Award recipient. Awarded by the Georgia Department of Economic Development's International Trade division, the GLOBE Award recognizes businesses building economic growth through global trade in new international markets around the world.
