## our products.

### **Traditional White**

A natural and rich source of protein, vitamins and minerals from the Peruvian Andes. A low glycemic and gluten free food.

### **Traditional Red**

As extraordinary as white quinoa, with more fiber and omega 3 and 6.

### **Traditional Black**

All the benefits of white and red quinoa, with a sweeter taste.

### **Traditional Tricolour**

Gathers all the benefits of white, red and black quinoa at once. A great source of protein to use in any dish or salad.

### **Quinoa Pop**

A great source of energy. Great for snacking, breakfast and sprinkling on yogurt, ice creams or anything you feel like.

### **Quinoa Flakes**

Even better than oats. Packed with protein, vitamins and minerals. Enjoy our flakes as an instant cereal or in baking and cooking.

### **Quinoa Flour**

A fantastic all-purpose flour for baking and cooking. Full of protein, fiber and many other nutrients.

## **superfood, super benefits.**

Kinwa is an extremely rich and healthy organic grain. It is Gluten Free and has very low Glycemic Value. Kinwa is packed with proteins and fiber, and supports the production of good HDL cholesterol.
