FRESH FRUITS

Etnico®

We Harvest Wellness

In Ethico we want to promote the daily consumption of fruits, that's why we develop natural and functional choices to help you to achieve it.

We work with Colombian fruits as our unique ingredient, produced by small farmers families under fair trade policies.

What make us authentic

Origin

We promote the fruit source, highlighting our Colombian farmers labor

Our fruit

Snacks made by just fruit, without preservatives, additives and sugar. Crunchy fruit with more flavor and smell, that keeps all the nutrients of the fresh fruit

Packaging

Versatile packaging that reflects the naturalness of our Colombian fruit

We support more than 500 farmers families

We work together with more than 500 farmers families from different parts from Colombia, under fair trade policies; in this way we support the generation of fair employments, prosperity for their families and development of the Colombian field.
