

PRODUCT CATALOGUE

INTRODUCTION

Established in 2006 by Mr. Ariyaseela Wickramanayake, Pelwatte Dairy Industries Ltd. is a leading food company in Sri Lanka. Our factory complex in Buttala, Sri Lanka is set up using Danish standards and is able to produce 15,000 liters of milk daily. We produce quality dairy products for both local and foreign markets, and specialize in producing dairy products and animal feed.

Our processing factory is the largest of its kind in Sri Lanka and produces a wide range of dairy products; Full Cream Milk Powder, Non-Fat Milk Powder, Ice cream, Ghee, Butter, Fresh Cream, Curd, Yoghurt and Drinking Yoghurt. We are proud to be an **ISO 22000:2018 certified company** and have HALAL certification. Our goal is to make Sri Lanka a self-sufficient milk and milk-based product-producing country. Our milk is processed adhering to high standards while preserving the nutrient content, and we were able to successfully establish our brand as a trusted name in the country.

FULL CREAM MILK POWDER

DESCRIPTION:

Pelwatte Full Cream Milk Powder is produced in Sri Lanka from fresh milk straight out of our farms. The nutritional value of milk is preserved during the production process, and as a result, our Full Cream Milk Powder is enriched with nutrients such as Amino acids, Calcium, Vitamin A and Vitamin D. The milk used is collected 100% from local Sri Lankan dairy farmers.
