

THE HASHWANI GROUP OF COMPANIES

The Hashwani Group of Companies emerged as one of the leading business houses in Pakistan in the field of commodities, hospitality and real estate in the early '60s.

The interest of the group today ranges from commodities, textiles, real estate, to mining and processing of various minerals including onyx, marble, travertine, chrome, fluorite and iron ore.

The group has its presence in South Asia, Europe, Africa and the Middle East.

HASSAN ALI RICE EXPORT COMPANY

Hassan Ali Rice Export Company (HAREC) over the years became a significant convention of success of the Hashwani Group after the recognition of their services in the field of rice export. With over 400,000 MT shipped annually, HAREC has gained and maintained a position as one of the biggest rice exporters in Pakistan by focusing on customer service and relationship.

Quality:

Our stringent purchasing standards ensure uniform quality to prevent moisture absorption, discoloring and polish variations. All consignments are inspected by internal and external quality assurance departments, in addition to other outside agencies as required by the buyer.

Quantity:

We ensure that our customers are delivered the agreed amount of quantity by individually weighing all bags on electronic scales and rechecking before shipment.

Sourcing:

We source high quality stocks from the rice growing areas of Sindh and Punjab and offer to customer on financially attractive terms.

Capacity:

We maintain substantial buffer stock in our warehouse near Karachi Port with over 60,000M. tons which enables us to meet spontaneous demand on CFR basis, even during off season. Thereby, we reduce the lead-time for our customers to avail the opportunity in their domestic markets.
