

I Awards, Certifications and Approvals Based on 40 Years of R&D I

Core Value: Realize 100 Years of Health and Happiness through Hydrogen at the Origin of everything in the Universe. It Creates a clean and healthy environment and leaves it as a legacy of its own hands.

	Awarded Invention Steel Tower Industry Honour		13 gold medals at international invention fairs in Germany and Switzerland, etc.		Gold Medal at the World Genius Competition in Japan		Asia LOHAS certification
	Certified for conformance with Excellent Medical Device Manufacturing and Quality Management Standards		Korea's New Technology Product Frontier Award for 2 consecutive years		Grand Prix at International Innovative Design and Technical Products in Hong Kong		Certified as Good Design by the Korea Institute of Design Promotion under MOTIE
	K+ certification from KITA (Genuine and Excellent Product Made in Korea)		The Grand Prize as Representative Product of Korea at IGWT Symposium		Approx. 100 patents registered with KIPO		Selected as e-Power 300 Companies by KOTRA
	US FDA registration		Conformity certifications from the U.S. and Canada		CE marking (European Conformity)		U.S. FCC conformity certification
	Eurasian Economic Union certification		Safety certification from Australia		Halal certification		Safety mark for electric products
	Venture Company certification based on technology evaluation		Certified as MAINBiz for innovative management		Promising Exporting SME certification		Certified as Promising SME in Gyeonggi-do
	Certified as Excellent Enterprise by SBC		Consumers' Choice Award for 6 consecutive years		Global Leader Prize (6 consecutive years)		Consumer Trusted Brand (2 consecutive years)
	Minister of Health and Welfare Prize		Awarded from Minister of Environment		Awarded from Minister of Knowledge Economy		Puputy Prime Minister and Puputy Minister of Science and Technology Prize
	Minister of Food and Drug Safety Prize		SMBA Commissioner's Commendation		Hidden Champion Prize from the Commissioner of KIPO		Export Tower on International Trade Day

KIM, YOUNG KWI

The man who draws hydrogen water from the normal water

- Director of the KYK Co.,Ltd. institute of Science and Technology.
- 40 years of research on water science for human health since 1980.
- Won 13 gold medals in international invention competitions in Germany and Switzerland etc.
- Demonstrate the high effectiveness of 85.7% of clinical trials at Seoul National University Hospital for the first time in Korea.
- Awarded President's Order of Industrial Merit on the 46th day of invention, and many other awards.
- \$50 million MOU concluded and participated a "Diplomatic and economic delegation" of eight different nations.
- Invention patent and related patents over 100, and international certifications.
- FDA registration and own GMP medical equipment manufacturing permit plant.
- Awarded 2019 Korea Knowledge Management Nobel Prize in Water Science.

***One-Stop system: Direct R&D, Manufacturing, Exporting and Selling.
Quality is high, price is low and commitment is kept.***

Story of Kim, Young Kwi

Dr. Kim Young-gwi was born in 1952 during the farm hardship period. When he came out to society to fulfill his dreams of boyhood, the times have changed and adult diseases such as diabetes, high blood pressure and cancer were continued to increase which were not many occurred in the past. With two questions in his mind, he realized the logic of water as he studied American Dr. Linus Polling's "Molecular Orthodontics". As an occasion, he began his study of water science for over 40 years and has set out to pursue his career. Dr. Kim says, " I would have died a long time ago and become nonexistent, if I had not known the water, when I reached the threshold of death having an inflammation in the middle ear"

KYK Dr. Kim Young-Gwi was the first man in the world to receive IRB approval with non-drug water and clinical trial at Seoul National University Hospital in Bundang, proving a high effect of 85.7%. Also he won 13 gold medals in international invention competitions, and

received a number of awards including the Presidential Order of Inventive Industry.

Now KYK Co.,Ltd. has about 100 patents for invention and related awards, which increased public confidence with many certifications at home and abroad.

In addition, KYK Co.,Ltd has a medical device manufacturing license GMP certification manufacturing plant suitable for high-quality management system. This supplies water to help improve the four stomachs by verifying safety and validity of the Ministry of Food and Drug Safety. And KYK is the company signed 50 million U.S. dollars in MOU to participate in the eight-nation economic delegation and is exporting 56 countries.

Today KYK Kim Young-Gwi is continuing to strive for a consistent craftsmanship and passion "Promote health and provide the value of preventing disease" to humanity around the world.

Higen 1+

- KYK Hydrogen water (3 levels) / Purified water / Disinfected & Sterilized water
- Simple Design & Optimized performance with competitive price
- Advanced Ceramic Valve System adjusting flow rate
- Automatic-cleaning after use

Product size : 220(W) X 322(H) X 100(D)mm
Water purification filter: 1 premium complex filter

Weight : 2.4kg
Hydrogen content : Max.: 1,570ppb, Avg.: 1,270 ppb

Higen 2+

- KYK Hydrogen water (4 levels) / Purified water / Disinfected & Sterilized water
- LCD Screen with 7 different colors: indicates remaining amount of filters and water flows.
- Detection and control of filter usage and life span
- Automatic-Cleaning after use

Product size : 340(W) X 340(H) X 150(D)mm
Water purification filter: 2 premium complex filter

Weight : 6kg
Hydrogen content : Max.: 1,570ppb, Avg.: 1,270 ppb

Higen 3+

- KYK Hydrogen water (2 levels) / Purified water / Disinfected & Sterilized water
- Advanced Triple filter system for premium-quality hydrogen water
- Premium Aluminum Front with full touch panel (Gold-color model as optional)
- Luxury LED display
- Automatic-Cleaning after use

Product size : 314(W) X 425(H) X 124(D)mm
Water purification filter: 3 premium complex filter

Weight : 5.1kg
Hydrogen content : Max.: 1,570ppb, Avg.: 1,270 ppb

Hym 3+

- KYK Hydrogen water (2 levels) / Purified water / Disinfected & Sterilized water
- Advanced Triple filter system for premium-quality hydrogen water
- Premium Aluminum Front with full touch panel (Gold-color model as optional)
- Luxury LED display
- Automatic-Cleaning after use

Product size : 314(W) X 425(H) X 124(D)mm
Water purification filter: 3 premium complex filter

Weight : 5.1kg
Hydrogen content : Max.: 1,570ppb, Avg.: 1,270 ppb

Higen 4+

- Instant Heating & Cooling system without water tank: Cold water: 4~12℃, Hot water: 70~90℃
- Hidden auto-water tap preventing infiltration of fine particles
- High Quality Quadruple Filter Structure eliminating pollutants & chlorine in tap water
- Elegant & Sleek design Certified as Good Design
- Automatic-Cleaning after use

Product size : 300(W) X 487(H) X 465(D)mm
Water purification filter: 4 premium complex filter

Weight : 20kg
Hydrogen content : Max.: 1,570ppb, Avg.: 1,270 ppb

LYPIA88

- Hot & Cold Hydrogen Water: Cold water: 4~12℃, Hot water: 70~90℃
- High quality Quadruple Filter Structure eliminating pollutants & chlorine in tap water
- Safety: Increase the safety of products by providing prevention function of overheating and automatic temperature control function of a heater.
- Convenient Domestic Hydrogen Water Generator
- Power Saving System: Turn on & off hot water switch to reduce power consumption.

Product size : 280(W) X 520(H) X 380(D)mm

Weight : 16,5kg

What is KYK Alkaline Water?

- ① Molecule structure (cluster) is smallest (54Hz) for better absorption by your body.
- ② Offers an abundant supply of antioxidants your body can use to remove toxins from the body to reduce acidity.
- ③ Ionized alkaline water contains negatively charged ions and alkaline minerals that reduce cell damaging free radicals in your body to help restore and maintain a healthy pH balance.
- ④ Washing vegetables & fruits with alkaline water is good to remove agricultural pesticides of residues and maintain fresh conditions.

Hisha

- KYK Alkaline water (4 levels) / Acidic water (2 levels) / Purified water
- Simple Design & Optimized Performance with competitive price
- Advanced Ceramic Valve System adjusting flow rate
- Premium ceramic valves
- Auto-cleaning function after use

Product size : 220(W) X 322(H) X 100(D)mm
Water purification filter: 1 premium complex filter

Weight : 2,4kg
Premium ceramic valves

Generation II Series

- KYK's patented "Electrolytic cell system" with platinum coated
- KYK Alkaline water (4 levels) / Acidic water (4 levels) / Purified water
- LCD Screen with 7 different colors indicating pH level and ORP
- Self-diagnosis error-indicating system
- Automatic-Cleaning after use

Product size : 340(W) X 340(H) X 150(D)mm
Water purification filter: 2 premium complex filter

Weight : 6kg
Color: Silver / Red / Gold

RP3

- KYK Alkaline water (4 levels) / Acidic water (2 levels) / Purified water
- Premium aluminum hairline front panel
- Luxury LED display & pH level indicator
- Modern & Elegant design Certified as Good Design
- Detection and control of the amount of filter use and control of usage period
- Automatic-Cleaning after use

Product size : 314(W) X 425(H) X 124(D)mm
Water purification filter: 3 premium complex filter

Weight : 5,1kg
Color: Silver / Gold

KYK 707-777

- KYK Alkaline water (4 levels) / Purified water
- Instant Heating & Cooling system without water tank: Cold water: 4~12℃, Hot water: 70~90℃
- Hidden auto water tap that prevents infiltration of fine particles
- High Quality Quadruple Filter Structure eliminating pollutants & chlorine in tap water.
- Elegant & Sleek design Certified as Good Design
- Automatic-Cleaning after use

Product size : 300(W) X 487(H) X 465(D)mm

Weight : 20kg

Water purification filter: 4 premium complex filter

KYK 66000 Series

- Under-Counter type of alkaline water ionizer enhancing spatial utility
- KYK Alkaline water (4 levels) / Acidic water (4 levels) / Purified water
- Display Panel indicating pH level & ORP
- Automatic-Cleaning after use

Product size : 280(W) X 350(H) X 156(D)mm

Weight : 6kg
