Nilkanth Oil Industries is founded a group of farmers who were engaged in the growing of groundnut since 3 generation.

Our production house is located in the Western part of India. The area has been chosen for its availability of the best quality of our products , dry atmosphere, environmentally friendly farming techniques and trained manpower with years of experience.

## Filtered Groundnut Oil

Oil extracted through Filtered process is unrefined oil. The filtered oils are better than refined ones. Also, filtered oils are produced at a lower temperature which retains most of the nutrition. To make filtered oils the best grade of seeds is used which is not again true for refined ones.

**Available Packing:** 500 ml, 1 Ltr, 2Ltr, 5 Ltr, 15 Ltr, Flexi Tank. As per Customer Requirements (Private Labeling)

## Crude Groundnut Oil

Crude Peanut oil, also known as crude groundnut oil, is a mild-tasting vegetable oil derived from peanuts. The peanut oil has a high smoke point relative to many other cooking oils and a long shelf life. Its major component fatty acids are oleic, linoleic and palmitic acid.

**Available Packing:** Only in Bulk Packing (Flexi Tank)
