

## About

### US

"TeSil" CJSC is a developing company, founded in 2020, which is engaged in the production of ecologically clean, dietetic food, distinguished by its high quality, unique products and design.

## Our Solution

We sell exclusively the products of our quail farm and also having our own poultry feed factory we are able to control the entire production process ensuring high quality and freshness. Our farm is located in the wonderful nature of the Ararat valley.

**We produce  
NATURAL and  
HEALTHY FOOD.**
