## **ABOUT US:**

Royal Food Industries is a privately owned company based in Ras Al-Khaimah, United Arab Emirates and a part of TRANSCO Group (founded in the year of 2003). The ownership status and CEO position both belong to Mr. Roble Elmi, who established RFI in February 2011 for the sole purpose and objective to increase production capacity and introduce new brands into the E.U, U.K, Middle East, and African markets. The company's core strategy to have a market share is to have local strategic partners and distributors through TRANSCO Group. Royal Food Industries LLC based in Umm Al Quwain, U.A.E is a newly opened food manufacturer by TRANSCO Group. Our operations are TRANSCO U.K Limited, TRANSCO Africa, and TRANSCO Middle East.

## **MISSION:**

“To strive for a leadership position through meeting customers’ expectations, leading innovation, excellent services, and global competitiveness”.

## **VISION**

“To be a trusted multinational brand offering products with premium quality”.

## **QUALITY POLICY:**

We are committed towards providing our customers with excellent service of the highest possible level of quality. To achieve this, we are continuously meeting and exceeding our customer satisfaction through improving our overall processes, products, and services at all times.

## **ISO 22000:2005 & HACCP:**

Royal Food Industries are ISO 22000:2005 and HACCP certified, meaning the certifications specify the requirements needed for a necessary “Food needs to be able to demonstrate its ability to control food safety hazards in order to ensure that the food is safe at the time of consumption.
