WILCOM TRADING P.L.C.

We are the leading exporter of premium Ethiopian agricultural commodities. Equipped with state-of-the-art cleaning machines, ensuring the finest quality for our valued customers. From coffee and spices to grains, pulses, and oilseeds, our products are sourced directly from farmers who follow sustainable practices. With a focus on quality control and customer satisfaction.

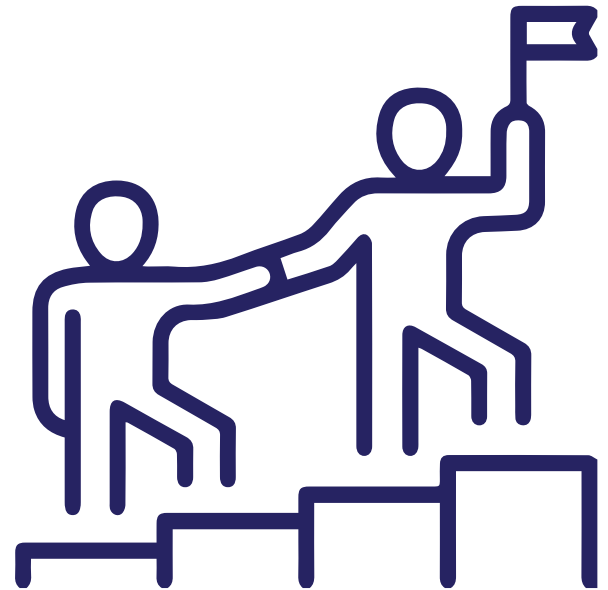

OUR VISION

At Wilcom Trading p.l.c, our goal is to emerge as the world's leading agro-commodity exporter. We are committed to achieving this goal through continuous innovation, streamlined processes, and a strong focus on meeting and exceeding customer expectations. By adopting a customer-centric approach, we aim to deliver products and services that surpass perfection and set new benchmarks in the industry. Our unwavering dedication to excellence drives us to consistently improve and provide unparalleled quality to our valued customers.

MISSION

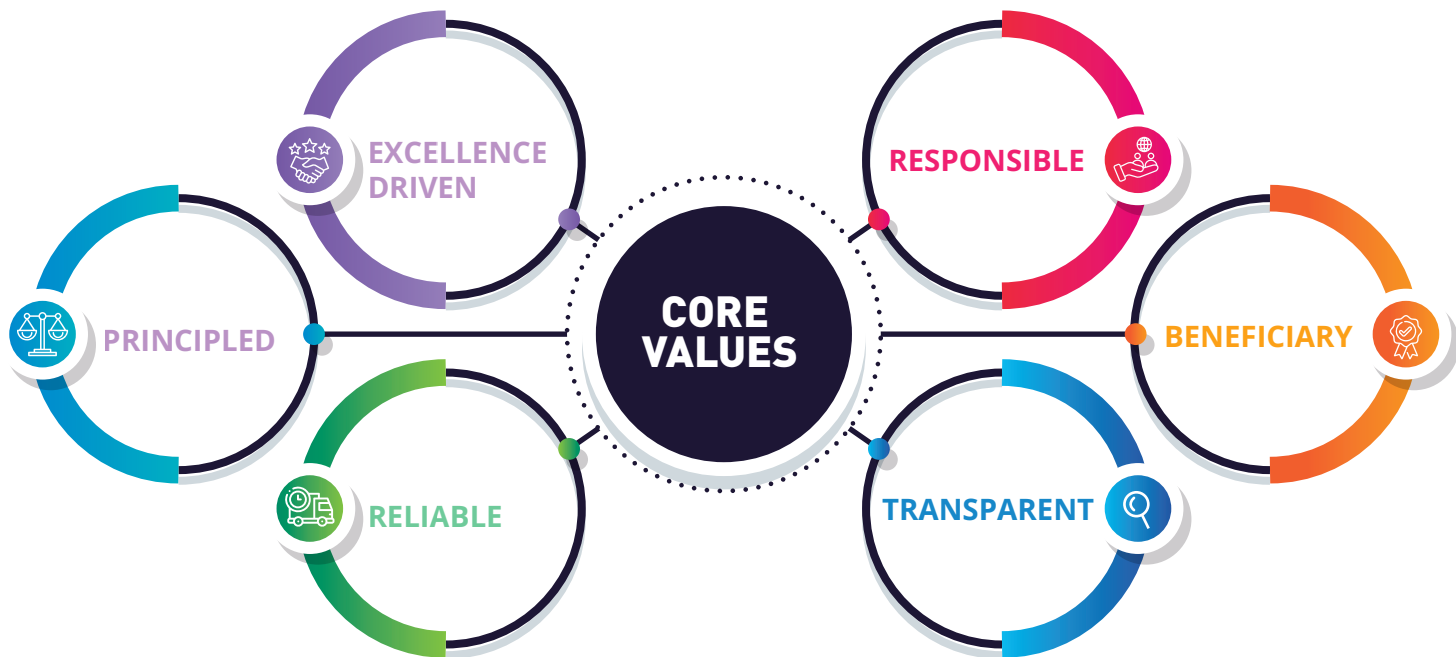

Our mission at Wilcom Trading p.l.c is to become a trusted and reliable provider of high-quality Ethiopian agricultural commodities in the global market. We are dedicated to promoting sustainable farming practice in the commodity market, maintaining the purity and integrity of our products, and cultivating long-term relationships with our customers. Through our efforts, we seek to foster relationships and build trust across diverse markets.

OUR TEAM

At Wilcom Trading p.l.c, our multinational team is the cornerstone of our success. Having over 10 years of experience in quality management and international trade each member of our team is equipped with the skills and experience necessary to navigate the global market effectively. We value collaboration and leverage our collective insights to deliver exceptional products and services to customers worldwide. By trusting in our team's expertise and benefiting from our global experience, clients can be assured of receiving top-notch solutions that meet their needs.
