

Since 1976, traditional italian snacks

We are Laurieri

The Laurieri family have been creating artisanal quality sweet biscuits and savoury snacks since 1976. We have a real passion for baking, using only the best ingredients, and traditional but simple recipes with a home-made feel, and most importantly they taste fantastic.

We love to make

Italian tasty snacks

BRCS

Food Safety

CERTIFICATED

Sedex

In an area steeped in bakery tradition, we use family recipes and only selected ingredients, which is why all our products achieve the highest standards of certification.

We keep it simple

A strong belief that there is no need of using too much ingredients to have a good snack, turns out to be the key to our success. Laurieri philosophy relies on keeping recipe simple and healthy in the same time. That's why all our products do not contain colorings, preservatives, GMO, palm oil and glutamate.

Laurieri partners

From the beginning of Laurieri adventure it has already been 45 years, but still passion for a genuine taste has always been the guideline, that was leading through the coming changes. Nowadays Laurieri snacks are present on shelves all over the world and on board of many airlines. So that everyday Laurieri certified high quality products bring the Italian good food culture worldwide.

Introducing Laurieri range

Our range can be divided into Sweet and Savoury, each one of them has different family range and packaging formats.

SCROCCHI®

Thin crackers

Scrocchi® are our best seller, not just an average thin mini cracker, it's prepared accordingly a production process still resembling the artisanal approach, they keep all the flavor thanks to quality selected ingredients and recipes. Available in 10 flavors, it's the ideal snack for your pause or as bread substitute.
