ABOUT US

A GROUP COMMITTED TO QUALITY FOOD

ParmaFood Group is a business that has been active in the production of food specialities **for decades**. We offer products bearing the various brands of the companies that are part of the Group:

- **TERRE DUCALI** for typical Parma deli meats;
- **IL PAGNOTTO** for fresh gourmet paninis;
- **FRESCHE IDEE** for deli store products and ready-to-eat fruit and vegetable products, natural products to try in your kitchen.

HPP ITALIA S.R.L.

HPP ITALIA offers innovative technology to the Food Service sector!

HPP is the first Italian company that has believed and invested in high pressure technology, and offered it as a service to third parties. HPP is Europe's largest tolling center in food high pressure processing. Thanks to this HPP treatment, the shelf-life of products can be extended whilst eliminating the main pathogens and ensuring the highest food safety standards. Through innovative facilities

and machinery, the company boasts the most important quality and food safety certifications.

AT SCHOOL AS IN A HOTEL!

FROM COMMUNITY CATERING TO MICHELIN-STAR RESTAURANTS, FROM HOTELS TO CAFÉS, OUR PROPOSAL OF FRESH FOOD IS FLEXIBLE AND UNPARALLELED.

Our offer is modular! We listen to your needs and offer fresh, convenient, safe products that are the best solution for fast meals, out-of-home lunch breaks or a simple snack at a café.

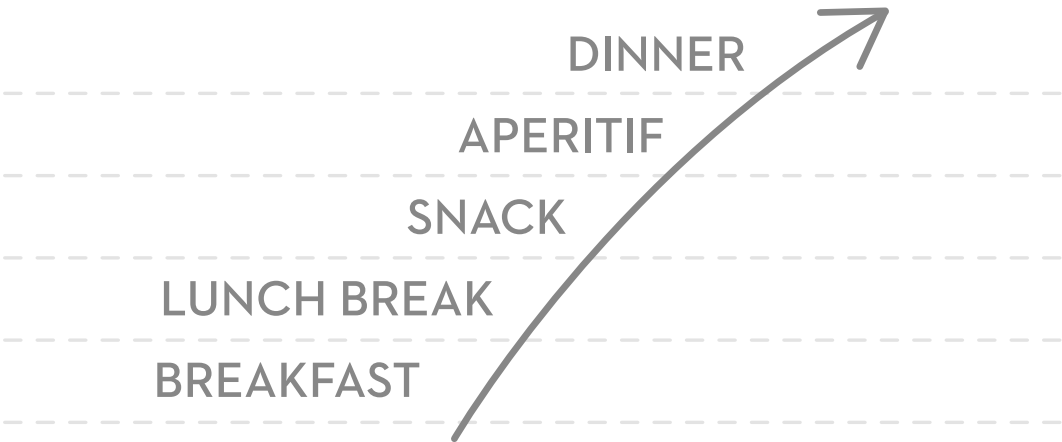

WITH HIGH PRESSURE PROCESSING, PRODUCTS KEEP THEIR NUTRITION VALUES AND ORGANOLEPTIC FEATURES UNALTERED.

CHEF-PROOF FRESHNESS AND PROFITABILITY!

Our proposal is characterized by an ultra-fresh assortment over time, which keeps the nutritional values of the products unaltered, as nature creates. **Sauces, cubes, condiments, extracts, infusions, and raw purees** enhance this concept.

Our products are ideal for offering the entire Food Service fresh and ready products for every consumption occasion.
