Partnering MARS across the G.C.C, Levant & North Africa

+ New Markets Development

MZOUK / MARS GCC & INTERNATIONAL DISTRIBUTION – BUILT ON MARS POWER BRAND

The perfect partnership

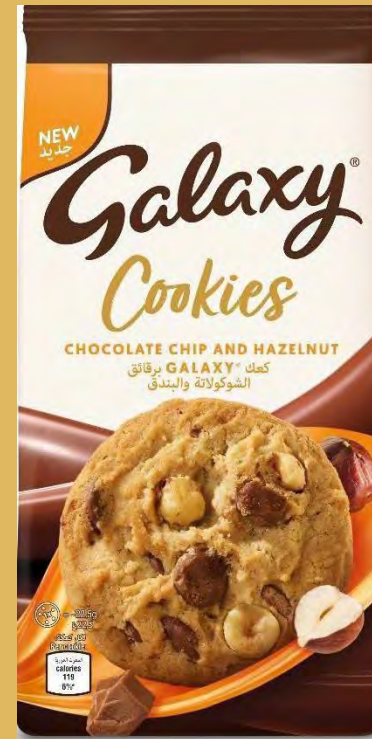

MARS & M.Z.O.U.K. Partnership

Manufacturers collaboration with Mars Confectionery (UK) has combined some of the nation's most loved and iconic confectionery brands with Manufacturer baking passion and expertise to create some fabulous new chocolate treats for the biscuit aisle.

There's a reason that some of Mars' world-class brands have been around for more than 100 years. Its goal has always been to deliver the very best quality products and services at a great value. Its UK brands have become, in many cases, household names.

It is perhaps no surprise that these fabulous cookies have lived up to the cookie aisle with the perfect mix of Manufacturer's cookie expertise and some of the nation's favourite confectionery brands.

"Our cooperation with our Go to Market Distributor **M. Z. O. U. K.** continues to offer widespread and flexible distribution solutions in International Markets. Congratulations on their 50 years Golden Jubilee" **MARS 2022.**
