Feeding people well is the most essential job in the world.
It is our mission, and we are proud of it!

d'aucy brand is part of Eureden, a cooperative agri-food group from Brittany (in France). The group counts some 19,500 farmers and 8,500 employees, all united around the **shared vision of healthy, responsible food for all**, with an ongoing concern for **meeting the expectations of consumers and society** as a whole.

 **19,500**
member farmers

 **8,500**
employees

 **8**
Industrial sites

 **30%**
of international turnover thanks to subsidiaries within easy reach of consumers

 **1,500**
employees, all committed to the same mission:
"Passionately providing good food on a daily basis"

The Eureden LONG LIFE division provides food for all occasions. Canned vegetables, frozen vegetables and ready-meals bring convenience and flavour to everyday life.

d'aucy
MARQUE D'AGRICULTEURS

For 50 years, d'aucy, **a cooperative brand**, has been committed to offering the best vegetables on an everyday basis, thanks to its 1,500 member farmers who over the years have established a relationship of trust with consumers. d'aucy's farmers grow a **wide variety of vegetables** and harvest them at maturity, enabling us to provide our consumers with **high-quality, flavoursome vegetables** every day of the year.

We are proud to sell d'aucy products in more than **50** countries over the world!
