

Salad Dressing WASABI 180ml KAMEYA

Transform your ingredients into a sophisticated culinary experience with a piquancy of acidity, subtly sweet soy umami, and the sharp spiciness of wasabi. The pungent kick of wasabi enhances the flavor of your dishes, and the refreshing, Japanese-style base of brewed vinegar adds a crisp touch. Infused with finely chopped stems of wasabi for an extra layer of authenticity.

It goes well with seafood salads, as well as sashimi, sushi, steak and fries. The spicy flavor enhances the taste of the ingredients. Sauce for poki bowls.
