

INTERNATIONAL DIVISION

About G&C Foods' International Division

G&C Foods' International Division continues to explore new trade lanes and grow our International network. We have partnerships across the globe with clients and suppliers in the areas of Foodservice, Retail and Processors. With headquarters in Syracuse, NY and our International Sales office in Miami, FL, G&C Foods has a growing global footprint.

Our experienced International team members have a rich history in all facets of International trade including, purchasing and sourcing, sales, logistics, export & import documentation, labeling, credit, product registration and more!
