WELCOME TO VIDYA COFFEE

Vidya Coffee is situated at Chikmagalur with its own coffee estates, integrated coffee processing plant, with the capacity of over 40000 MT/Annum in the heartland of Indian coffee which is a part of Western Ghats. The Western Ghats mountain

range is rich in flora and fauna and is considered as one of the Bio-diversity hot spots.

There is a great Bio-diversity within the Coffee estate. Several natural streams flow through, bringing in more diversity of flora and fauna, Several Fruits and spice crops like Pepper, Cardamom, Citrus, Vanilla, Silver Oak are grown along with Coffee. Apart from its own) plantation Vidya Coffee has an excellent network with planters and traders to source the finest of raw coffee for export.

PROCUREMENT

Vidya Coffee owns acres of coffee plantation at Chickmagalur & Coorg Regions, heartland of Indian coffee. Our Coffee Estates are in the foot hills of Baba Budan Hills, which is a part of Western Ghats. The Western Ghats mountain range is rich in flora and fauna and is considered as one of the Bio-diversity hot spots. Coffee is grown under 3 tiers of shade and has a very unique Eco system.
