

ABOUT MKISA

Hello, I am Mkisa, I want to thank you for reading my brochure and joining the journey into agricultural world. We are creating high quality products and providing **Georgian** unique agricultural experience to the world. With years of experience and a wealth of knowledge, we stand confidently in the fields of **farming, consultation, management, and trade.**

Georgia

BLUEBERRY ORCHARDS

Several varieties of blueberries are grown in Mkisa's orchards. Each is distinguished by its taste and high quality. The varieties are harvested at different times of the year, from the late spring to the end of summer, healthy and fresh blueberry fruits are available in our orchards.
