"Where Magic Happens"

JOURNEY

We strived to be the best and Excellence followed

The journey to achieving our vision was not easy, but we remained committed to it in all our endeavours. What kept us going was the knowledge that it was the best course of action. We were determined to be the best, and to achieve this, we sourced the best quality milk from farmers with the best cattle farms. We conducted extensive surveys and trained farmers to educate them on the latest technology in milk procurement, cattle care, and cattle health. We imported cutting-edge machinery from countries such as the USA, Germany, France, South Korea, and others, to make quality dairy products. We also hired skilled and qualified technicians from across the country. Our goal is to provide pure, hygienic, and quality dairy products. Today, we have all the necessary government certifications essential to supply our products to major food chains in India and to over 28 countries worldwide. We have also made a strong presence in the domestic market.

OUR PLANT

**WHERE TECHNOLOGY MEETS COMMITMENT,
MAGIC HAPPENS**

We take pride in our state-of-the-art production facilities, equipped with cutting-edge technology and modern machinery. With three plants in total, each located in a lush and pollution-free environment, far from the reach of urban pollutants. Our facilities are designed to be dust and damp-proof, ensuring that our entire range of products is produced hygienically and without human contact.

**"Where Freshness
Meets Flavor."**

FLAVOURED PANEER

Flavored paneer is infused with different spices, which can add a unique and delicious taste to the dish.

Paneer is a rich source of protein and calcium, and infusing it with different spices can add additional nutritional benefits.

Flavoured Paneer is pretty good option to consume as snack or add it to make dishes.

Using flavored paneer can add a new dimension to the dish making it more visually appealing, great taste and can help to create a unique and memorable dining experience.

KHOYA

Khoya, the soul of Indian desserts

Khoya, also known as mawa or khoa, is a dairy product commonly used in Indian cuisine. Milk Magic fresh khoya is made by reducing fresh milk over low heat until it becomes a dense, fudge-like consistency, and used as a base for many sweet dishes such as gulab jamun, rasgulla, and kulfi.

Khoya

Pack Sizes: 200g, 500g, 1kg

Made of fresh Milk, collected from farmers

Creamy and pure white colour (Creamy texture and taste).

Rich in Calcium, Proteins, Fat & Vitamin D & Vitamin K.

Pure and remarkably hygienic.

widely used in Indian sweets, such as gulab jamun, rasgulla, kulfi, peda, laddoo, barfi and many more.

100% natural with no preservatives.

Storage: -18°C or below

Shelf Life: 6 months as per storage conditions

CHEESE

When there is Cheese there is Happiness

Cheese is a culinary delight, an embodiment of love, and an experience like no other. It is the secret ingredient that can elevate your burger, pasta, and pizza to new heights of flavor and satisfaction. With the nutritional value of a glassful of milk, cheese is the stuff of magic. It is the perfect balance of creaminess, tanginess, and richness. Cheese is the ultimate indulgence that can make any dish truly irresistible. It is the one thing that can turn your meal into a one-way ticket to heavenly bliss

Storage: -18°C or below
Shelf Life: 12 months as per storage conditions

CHEDDAR CHEESE

Pack Sizes: 1kg & 2kg

MOZZARELLA CHEESE BLEND

Pack Sizes: 1kg & 2kg

MOZZARELLA CHEESE

Pack Sizes: 200g, 500g, 1kg & 2kg

Milk Magic Mozzarella cheese is perfect for topping on pizza, in lasagnas and other pasta dishes, and in sandwiches like Panini and grilled cheese. It can also be used in salads as a topping.

Milk Magic Cheddar /Cheddar Blend cheese is perfect topping on sandwiches and burgers, in macaroni and cheese, in omelets & scrambled eggs, and in quesadillas and grilled cheese sandwiches. It can also be used in soups, salads, as well as in baking for recipes like biscuits, bread and scones.

Milk Magic cheese is a good source of protein, calcium, and other essential nutrients. It is also low in lactose, making it a good option for those who are lactose intolerant. Mozzarella cheese is also a good source of Vitamin B12, which is essential for maintaining healthy red blood cells and nerve function. Additionally, it contains probiotics which help to promote a healthy gut microbiome.

PIZZA CHEESE BLOCK

Enhance the taste of your pizzas with love and a lot of our magical cheese.

Storage: +4°C or below

Shelf Life: 12 months as per storage conditions

Pack Sizes: 200g, 400g & 1kg

CHEESE SLICE

Milk Magic Cheese slices are a versatile and convenient form of cheese that can be used in a variety of ways. They can be added to sandwiches, burgers, and other sandwiches, or melted on top of pizza, macaroni and cheese, and other dishes. They can also be eaten as a snack on their own or with crackers or bread.

Storage: +4°C or below

Shelf Life: 9 months as per storage conditions

Pack Sizes: 100g, 500g & 20kg

WHITE BUTTER

Pack Sizes: 100g, 500g & 20kg

Butter rich source of fat-soluble vitamins A, D, E, and K. Butter contains short and medium chain fatty acids which are easily digested and can provide energy and support gut health. It is also a good source of cholesterol, which is important for health.

Storage: 4°C
Chilled Temperature

Shelf Life: 12 months as per storage conditions

Also available in Institutional bulk packs.

FAT SPREAD

Margarine is a versatile and healthy alternative to traditional butter, made from vegetable oils and containing less saturated fat. Perfect for cooking, baking, and spreading, margarine adds richness and flavor to your favorite dishes while promoting a heart-healthy lifestyle. Upgrade your cooking game and enjoy the benefits of margarine today!

Benefits of margarine:

Lower saturated fat content compared to butter
Can help improve heart health
Can be used as a substitute for butter in cooking and baking

Uses of margarine:

MAGIC MASKA

Pack Sizes: 100g, 500g

Spread on bread, toast, or bagels

Used as a cooking oil for frying or sautéing

As a base for sauces and dressings

Mixed into mashed potatoes or other dishes for added creaminess

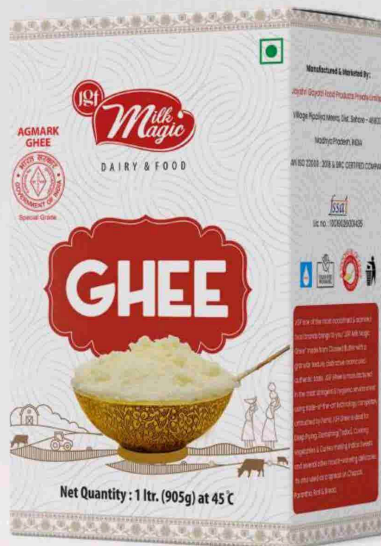

Used in baking to add moisture and flavor to cakes, cookies, and pastries.

GHEE BUFFALO /COW

Home is where the ghee is

"The rich flavor and aroma of Milk Magic Ghee makes it a staple in Indian kitchens. Not only does it enhance the taste of many dishes, but it also provides essential vitamins and nutrients which support body growth, and immune system."

GHEE IN CIKA PACK

High in vitamins and minerals: Ghee is a good source of fat-soluble vitamins like vitamin A, vitamin E and vitamin K and minerals such as calcium and magnesium

Good for digestion: Ghee is believed to be beneficial for digestion and is considered a "warming" food in Ayurvedic medicine, which means it can help to stimulate the digestive fire.
