About Euro OTC Pharma

Since its foundation in 1993 Euro OTC Pharma has undergone continuous development, becoming an important supplier of pharmaceutical raw materials to the German market. Our medium-sized company supplies pharmacies, hospitals, pharmaceutical wholesalers and the industry with a comprehensive range of high quality pharmaceutical active ingredients and excipients for formulation and dispensing, as well as natural extracts and cosmetics.

Since 2005 Euro OTC Pharma has also been distributing its wide range of high-grade food supplements and cosmetics under the trade name EuRho® Vital and “Made in Germany” with continuously growing tendency on the international market.

- Euro OTC Pharma has continued to be internationally successful for over **25 years**.
- **Innovative** and **permanent expansion** of the EuRho® Vital product portfolio is a key factor in our success.
- Products are designed according to European guidelines and our competent team of nutritional scientists are continuously developing new products in parallel with the **latest scientific research**.
- Our **German quality** is produced according to GMP, with analysis performed certified laboratories.

A strong brand for your success

EuRho® Vital is our strong **pharmacy brand** of high-grade food supplements for all the family.

We offer a wide range of products that provide the right balance of ingredients for different needs and all stages of life reaching maximum efficacy and supporting the human body in its own natural processes.

Focussing on sensitive consumer needs remains one of our key success factors that has led to the development of a wide product portfolio for all the family. EuRho® Vital is the brand that supports your customers throughout their entire lives and a brand that they can trust.

Our consumer friendly, clear and distinct packaging is easy to understand and provides all the necessary information to the customer. Our innovative design is very attractive to consumers leading a modern lifestyle.

EuRho® Vital food supplements fulfil the individual needs of each family member. Whether male, female, young or old the wide product portfolio of EuRho® Vital provides the appropriate product. Regardless of what is needed, our products contain vitamins and minerals in reasonable compositions and utilise an extensive range of plant extracts for special indications.

EuRho® Vital the strong brand to support the growth of your success by providing a comprehensive and competitive product range.
