ARTISAN**

Love & care  
in every single pack

Safe Spice Artisan specializes in products which require delicate handling, such as saffron, bouquet garni, star anise, laurel leaves, thyme on branch, cinnamon sticks, and hand-filled spice blends.

Safe Spice Artisan services include pouch, box, jar, and specialty packing. Due to its success and the increasing demand for packing at source, Safe Spice Artisan expanded its facilities to maximize growing customer service.

Products packed at the Safe Spice Artisan facility are guaranteed to meet all customer specifications and global standards. Every step of the process is recorded digitally via the SAP system which allows transparency throughout the value chain.
