

GEORGIA'S NATURAL[®]
ORGANIC

SINCE 1999

Signature
Juice Line

MANUFACTURED & BRANDED IN
GEORGIA

*The best of nature!
The best for you!*

"Georgia's Natural" is the largest, export oriented group, actively engaged in operating on organic farming and harvesting, gathering wild crops, controlling the quality of organic raw material, processing and consequently, creating premium quality products in accordance with the organic standards. Since 1999, company has been constantly developing organic farms and facilities, which are equipped with modern technologies in Georgia.

Since 1999 Team set a target to:

- Make Georgia's Natural as global brand, recognizable for international "organic industry" as the producer of organic premium quality products
- Introduce Georgia to international organic community as the country practicing "organic farming", "wild harvesting" and "organic production".

GEORGIA'S NATURAL GLOBAL BRAND

Since 1999 Company has been working persistently to diversify the international markets enabling annual sustainable growth of export and reducing the impact of economic risks driven from instability in Company partner countries. For more than 20 years, Georgia's Natural has been producing and exporting worldwide premium quality, organic processed and semi-processed products – 100% pure juice, pulp, IQF frozen fruit, sauces, spices, canned fruit and dry products.

Presently, Georgia's Natural branded products, intended for premium segment, are presented on the organic shelves of premium international retail stores and bio markets in about 40 countries

GEORGIA'S NATURAL PARTNER COUNTRIES ARE:

- ▶ USA
- ▶ CANADA
- ▶ JAPAN
- ▶ AUSTRALIA
- ▶ ISRAEL
- ▶ QATAR
- ▶ SAUDI ARABIA
- ▶ UAE
- ▶ SOUTH KOREA
- ▶ CHINA
- ▶ SINGAPORE
- ▶ MALAYSIA
- ▶ TAIWAN
- ▶ VIETNAM
- ▶ MONGOLIA
- ▶ KAZAKHSTAN
- ▶ UKRAINE
- ▶ RUSSIA

Organic Operations and Quality Management

"Georgia's Natural" manages and controls all stages of the product development life cycle at own organic farms, processing and production facilities in accordance with the "organic regulations"

- ▶ Organic farming
- ▶ Harvesting of Organic Wild crops
- ▶ Processing of Organic Raw Material
- ▶ Organic Storage
- ▶ Production of Organic ready-to-serve products
- ▶ Monitoring the traceability of Organic semi-processed and ready-to-serve products

All stages are certified, registered, controlled, and traceable by the international certification body Kiwa BCS Oko-Garantie GmbH, Germany according to the following standards:

- ▶ EC / NON EU (Organic Standard for the European Market)
- ▶ NOP / USDA (Organic Standard for US Market)
- ▶ COR / Canada (Organic Standard for Canadian Market)
- ▶ JAS (Organic Standard for the Japanese Market)
- ▶ CCOF (Organic Standard for the South Korean Market)
- ▶ Organic Agriculture Promotion Act (Organic Standard for the Taiwan Market)

Georgia's Natural implemented the following standards: ISO 9001: 2015, ISO 22000: 2018, FSSC 22000, Kosher / OU, Halal / IFRC ASIA.

Pure Cranberry juice is rich in vitamin C, potassium, ascorbic acid, salicylic acid, flavonoids and polyphenols. The juice is highly antioxidant and anti-inflammatory. Juice can support cardiovascular health. The cranberry is bioactive and can interfere with bacterial adhesion in the urinary tract and may reduce risk of urinary tract infections.

The Visionary
1L / 750ML 300ML / 200ML

100% ORGANIC COLD PRESSED NATURAL PURE BILBERRY JUICE

Ingredients: 100% Content of Organic NFC Bilberry Juice

Brain Booster!

Pure Bilberry juice is rich in vitamin C, anthocyanin, phenolic acids and flavonoids. The high antioxidants and other nutrients can support cardiovascular and nervous systems. The anthocyanin can help prevent diabetes, cancer and inflammation. Also, the high polyphenols may also help weight management.

Bilberry - has been prized for ages as a nutritious food and delicacy. Particular medicinal use of bilberry emerged back to Middle Aged Germany. As the coloring of this berry may indicate, bilberry contains considerable level of anthocyanin pigmentations that has been proven empirically good in prevention of several maladies, especially cardiovascular diseases and cancer. Like with most fruit, positive effect is not attributed to one and only chemical component – apart from anthocyanin, bilberry is rich in vitamins, tannins and other phytochemicals. Georgia's Natural Pure Organic Blueberry Juice is produced from wild berries that grow in somewhat hostile environment and contain more antioxidants.

Eternal Elegance
1L: 750ML: 300ML: 200ML

100% ORGANIC COLD PRESSED NATURAL PURE CARROT JUICE

Ingredients: 100% Content of Organic NFC Juice: Orange Carrot Juice 99%, Lemon Juice 1%

Vision & Immunoenhancer!

Orange Carrot juice is a source of vitamin C, vitamin A and fiber. Lutein and vitamin A can support eye health. The flavonoids and phenolic derivatives can modulate immune responses. With the nutrients such as vitamin C, folate, potassium and phytochemical, the juice can reduce risks of cancer, heart diseases, stroke, hypertension and cataract.
