Founded in 1965, the “Société des Produits de Sucre Caprice” is a private company located in Ain Bénian “Algiers”, specializing in the confectionery industry and mainly in the manufacture of soft caramel. natural ingredients, and the incessant quest for innovation, the “Caprice” caramels are appreciated by young and old.

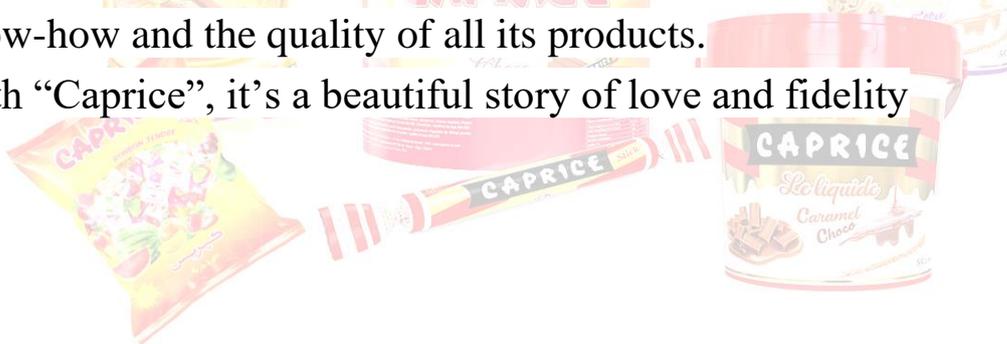

Our products are distributed throughout the National territory as well as in certain Maghreb and European countries. For more than 50 years, SPS Caprice has been able to develop and remain leader in the confectionery market in Algeria; very early and among the very first, SPS Caprice has made it a priority to guarantee products of superior and constant quality to consumers.

tests and analyses are carried out regularly, from the reception of the raw materials until the departure from the factory to the customers.

Thus, Caprice treats young and old with its many varieties of confectionery, starting with its flagship product that has made its success, the famous caramel with its various authentic Flavors, but also with its bubbles gum Mint and fruity taste, and soft fruity candy.

Caprice products are now a reference in the competition and the brand is also recognized by consumers. This reference is the result of the know-how and the quality of all its products.

With “Caprice”, it’s a beautiful story of love and fidelity
