## Disciple-making Groups (DMG) Update

We praise the Lord for the desire and initiative of our pastors, elders, and deacons/deaconesses to keep on looking after the welfare of our Disciple-Making Groups (DMG)! This is now the state of all our small groups amid the pandemic lockdown. There are 92 groups out of 163 which currently meet online. Thank God indeed for the technology and the available apps being used by 60% of our small groups as avenues and venues for God's Word, Relationships, Outreach, and Worship to make them GROW!

Let us pray and work together for the other 40% (71 small groups) which have not yet gathered together until this time! We intend to encourage them as we follow them up and have a month long promotion in August on the value of being in a Growth Group to one's life journey. Watch out for it next month! Eventually, the pastors are also planning to reach out to a thousand church members who

don't belong yet to any of our small groups so they can find their own community life there.

May our small groups not just survive but even thrive during this global crisis as we continue to gather together virtually, because we are the scattered church of GCF! As the Bible mandated us: "And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near" (**HEBREWS 10:24-25**).

You might be one of those who are looking for a small group community during this new season of scattered church life. If so, please allow us to assist you in being connected to a small group. Experience giving and receiving care as you journey together with co-followers of Christ during this challenging time. Contact us through Marj Jo at **0917 779 1495** so we can help you join a group ■
