# Purihin Mo ang Panginoon, O Kaluluwa ko!

Mensahe Ngayon (23 Agosto 2020) / *Awit 103*

HIGIT SA  
LAHAT, ANG  
LAHAT NG  
PAPURING  
ITO AY DAPAT  
NAGMUMULA  
SA ATING  
MGA  
SARILING  
PUSO'T  
KALULUWA,  
DAHIL SA  
KANYANG  
DAKILANG  
KALIGTASAN.

Ang salmong ito ay may tatlong panawagan ng pagpuri sa Diyos: 1) panawagan sa sariling kaluluwa, 2) panawagan sa sandaigdigang kapatiran, at 3) panawagan sa sangkalangitan.

## PANAWAGAN SA SARILING KALULUWA, (vv. 1-5)

Ang unang bahagi ng salmong ito ay isang panawagan sa sariling kaluluwa na magpuri sa Diyos.

- Ito ay pagsunod sa pinaka-dakilang kautusan—“at iibigin mo ang Panginoon mong Diyos ng iyong buong puso, at ng iyong buong kaluluwa, at ng iyong buong lakas” (Deuteronomio 6:5). Ito ang buhay Kristiyano.
- Ang tunay na pagpupuri sa Diyos ay personal at nagumumpisa sa ating mga sarili. Ito ay posible lamang kung tayo ay may tamang kaugnayan sa Kanya sa pamamagitan ng Kanyang anak na si Hesus. Isang kaugnayan na bunga ng Kanyang pagtubos ng ating mga kaluluwa mula sa piitan ng kasalanan.

## PANAWAGAN SA SANDAIGDIGANG KAPATIRAN (vv. 6-18)

Ang pangalawang bahagi ng salmang ito ay isang panawagan naman sa sandaigdigang kapatiran ng mga may takot sa Kanya.

- Ito ang tamang pagpupuri sa Diyos—ang magkaroon ng takot sa Kanya, at ang sumunod sa Kanya—isang pasasalamat sa araw-araw dahil sa kanyang dakilang kaligtasan sa atin.

## PANAWAGAN SA SANGKALANGITAN (vv. 19-22)

Ang huling panawagan sa salmang ito at panawagan sa sangkalangitan.

- Dapat lang Siyang purihin at pagpalain ng lahat ng kanyang mga dakilang gawa at nang kalawakan ng Kanyang nilikha!
- Ngunit higit sa lahat, ang lahat ng papuring ito ay dapat nagmumula sa ating mga sariling puso't kaluluwa, dahil sa Kanyang dakilang kaligtasan kay Kristo, na siyang pinaka-kapuripuring gawa Niya. Purihin natin Siya! ■

## BELONGING TO INTIMATELY WORSHIP GOD TOGETHER

Oftentimes, we express our worship directly to God through songs of praise, thanksgiving testimony, and prayer. Such major elements of worship ought not be traditionally reserved alone for the large Sunday celebration called "worship service." They should also be done in a small group since worship in that venue complements worship in a big group. The singing, sharing of testimonies, and supplication in a small gathering can be less structured and be more intimate and interactive. The coziness created by the smaller space and the spontaneity afforded by the more flexible structure makes it conducive to easily open to God in worship as one is open to one another in a relationship.

Having a worshipful life in private with God makes a worshiper ready for worship in public, and having a worshipful life in a smaller public prepares a worshiper for worship in a bigger public, that makes the Sunday service truly a celebration.

So the two-fold purpose of worship in a small group meeting, as in Sunday service, is simply to celebrate and connect us to God. Besides singing, this may include sharing of praise and prayer items and reading of Scripture together. The important thing is that we recognize and welcome the presence of Christ among us. Although this part of a small group gathering is usually done very simply and briefly, it is extremely important. They are not optional or something that we can do without.

Therefore, we are missing a lot by not being a part of a small group. We need a

spiritual family where we can also share our private worship or hear from others about their intimate moments with God and then be blessed by it. Don't miss out by belonging now to a small group where we can intimately worship God together!

## ONLINE SMALL GROUP MEETINGS STATUS REPORT

The Disciple-making Group (DMG) Ministry praises the Lord for the 183 small groups that He has given us this year! These groups include the following: Growth Groups (GGs), Youth Groups (Y-Grps), Accountability Groups (AGs), and Outreach Bible Studies (OBS) formed within our demographical and geographical DMGs. Of the 183 small groups reported, 164 of them are currently meeting online. There are six small groups plugged-in to other groups; while five groups are yet to be assisted by DMG shepherds as they resume in their virtual meetings. We also have six small groups that are still incapable to meet primarily due to conflict in schedule.

Our next plan for the second semester is to conduct a follow-up among the 50% of our 1,000 GCF members that don't belong yet to small groups. Despite the pandemic crisis, the DMG Leads will continue to play their shepherding role of looking after the spiritual welfare of these people by feeding, leading, and caring for them on a one-on-one basis and as a small group through various online ministries. As they are developed into *maturing and multiplying disciple-makers*, pray that potential new small group leaders would be trained among them and then new small groups would be formed ■
