## Understanding & Applying the Word

### LESSON AIM

1. GG members gifted for leadership will practice their gifts by leading.
2. GG members will humbly submit to church leadership.
3. GG members will take part in different ministries available to them.

### INTRODUCTION

In our previous lessons, we learned that all believers are to be united as one body. We also learned that Christ has apportioned different gifts to each believer. In this lesson, we will learn why different gifts were given. Let's take a look at the purpose behind these gifts and what our role is in all this.

### Christ gave gifts to believers to build up His body toward unity and maturity (vv. 11-13)

1. What kinds of people did Paul mention in verse 11? How are these distinct from each other?
2. What is the responsibility of these people to God with regards to other believers?
3. What is your definition of "ministry"? Why should ministry not be exclusive to the church only?
4. How can serving in ministry lead to the building up of Christ's body?
5. What happens when the body of Christ is built up? What are the two measures given by Paul?

### APPLICATION

#### *Children*

What are some of the things you love doing? Talk about them. Did you know that you can use them to serve God and help others? Learn how you can grow and serve at KIDS L.I.F.E as young as you are.

#### *Youth*

1. What are some of the ministry opportunities you are thinking about becoming involved in so that you can grow your God-given gifts?
2. In what capacity can you step up and lead others to be united and to mature in the faith? What steps can you take now in order to prepare yourself for such?

# WORD & WALK:
