

Appointment Cancellation Notice

Your appointment is a time that has been set aside exclusively for you with one of our doctors or hygienists. We understand that your time is very valuable to you, and in an effort to respect your time and that of our other patients, we require 36 hours' notice to change or cancel your appointment. We do understand that we all have busy lives and things can come up last minute from time to time, however, last minute cancellations and no shows will be a \$50.00 per hour cancellation fee.

Thank-you.
