

HALLOWEEN BAT STENCIL

Follow our step-by-step tutorial on our Life and Style page at George.com along with this stencil to create your own 3D bats. Get crafty this Halloween!

Materials:

You will need a black A4 piece of card, A4 stencil, marker, ruler and a pair of scissors.

Instructions:

1. Cut out the stencil shape above
2. Fold the A4 black card in half, place the stencil on the fold and draw around it
3. Cut out the bat carefully, following the outline drawn in step 2
4. Fold the wings in the opposite direction to the middle fold, using the dotted line on the stencil as a guide
