

Police & first responders

Fleet management solutions

Complete visibility of your fleet in real-time

Safety is top priority for law enforcement and first responders. Teams need technology that is dependable, secure, and provides real-time data and views. Geotab's secure and sophisticated fleet management solutions offer the insight, visibility, and actionable alerts needed to transform operations and ensure driver and civilian safety.

The Geotab advantage

- + Follow true live fleet movements on an animated map with Active Tracking
- + Driver safety scorecard & seat belt detection
- + Monitor lights, siren, doors with IOX-AUX
- + Dispatching & route optimisation
- + High-performance GPS technology
- + Advanced dashboard reports
- + Open platform for easy data integration
- + Marketplace apps & add-ons
