The DCC Barker

Something *NEW* is coming to DCC!!!

What would you do if your beloved dog began to choke on a dentastick and became unconscious? What would you do if you came home from work to find your dog unresponsive in the middle of the living room floor? What would you do if you were out walking your dog and he was bit by a snake while sniffing the bushes? What would you do if you were out for a walk with your dog and he/she cut their foot?

We encourage pet parents to enroll in our **Pet Tech First Aid and CPR class**, to get the answers to the these questions. It will be a hands on learning experience, that will give you the knowledge to help your pet in an emergency situation. Pick from one of the two sessions available below.

-  **WHEN:** On Saturday, February 16th or Saturday, February 23rd
-  **TIME:** 10:00 am - 3:00 pm
-  **COST:** \$100 per person
-  **SIGN UP:** <https://pettech.net/classes/pet-tech-cpr-and-first-aid-432>

**Discounts offered to pet professionals continuing their education.*

CPR & First Aid For Your Pets

This 5+ hour class includes CPR techniques, first aid skills, and health care and wellness information for dogs and cats (does not include dental or senior care). Additionally, the class includes our PetSaver™ 40-page handbook and upon successful completion, each participant will receive a certificate and wallet card. Sometimes the unexpected happens... Will you be prepared to take action when it does?
