

GEO-INFORMATICS AND SPACE TECHNOLOGY DEVELOPMENT AGENCY
(PUBLIC ORGANIZATION)

ANNOUNCEMENT

ON THE RESULT OF PRELIMINARY EXAMINATION ON JOINT BENEFIT
OR OBSTRUCTION OF FAIR AND COMPETITIVE BID

Referring to Geo-Informatics and Space Technology Development Agency's Invitation To Bid, Satellite Systems, Ground Segments and GIS Applications/Solutions dated January 12, 2017, and its Amendments, Geo-Informatics and Space Technology Development Agency has set the deadline for submission of bids for the development of the Satellite Systems, Ground Segments and GIS Applications/Solutions under THEOS-2 Project on 20170330 (0900-1630 hours). There are seven (7) bidders in total who have submitted bid documents as follows (listed in alphabetical order):

1. Airbus Defence and Space SAS
2. ATHI Corporation Co., Ltd., SOLETOP Co., Ltd. and Sat Byul Co., Ltd.
3. China Great Wall Industry Corporation
4. Israel Aerospace Industries Ltd.
5. NEC Corporation
6. Satrec Initiative Co., Ltd. and POSCO Daewoo Corporation
7. Thales Alenia Space France SAS and e-GEOS SPA

Having examined the bid documents submitted by the bidders, the Satellite Systems, Ground Segments and GIS Applications/Solutions under THEOS-2 Project Procurement Committee has found no joint benefit or obstruction of fair and competitive bid among the 7 bidders.

However, bidders are advised that the decision regarding joint benefit or obstruction of fair and competitive bid under this Announcement does not, in anyway, render the result of any bidder being qualified or disqualified under other terms and conditions of the Instruction to Bidders for Satellite Systems, Ground Segments and GIS Applications/Solutions Thailand Earth Observation System-2 (THEOS-2) regarding this procurement, or being the successful bidder at this stage.
