"... relatable, actionable, and proven coaching strategies, dedicated to making a meaningful impact."

Stacey, I truly don't know anyone who has the mana, the mana-wa and the humility to share matauranga the way you do e te tuahine, Not only are you professional and personable but most of all you are an absolute powerhouse I admire and continue to look up to. Thank you for this Ahuru Mowai.

This was my first time in a professional development boot camp. I loved the fast paced style and the engaging and informative delivery. What a choice group of wāhine.

Stacey is committed to providing a safe space to learn the skills of what it means to be a powerhouse speaker . It takes courage and experience to guide a roopu safely through their most vulnerable places to find their signature story . I would have no hesitation to recommend this programme . What makes it unique is that it is delivered from a place of whakapapa, mātauranga and aroha . The magic in making it work is that you leave with the belief that you have the magic within to make it happen.
