

## » Trusted by Families & Professionals

- Every provider undergoes ID and background checked
- Secure messaging & phone calls
- A growing community built on respect and transparency

## About go2care

reliable care, help when you need it

Go2Care is a caregiver Platform built for families and professionals. We help connect care seekers with qualified, independent caregivers quickly, safely, and without agency fees.

Whether you're looking to hire support or offer care services, our platform gives you full control to post jobs, apply, chat, and manage everything in one place.

- Background Checked Caregivers
- Certified Caregivers
- Secure messaging & scheduling

# What Can You Do on Go2Care?

- **Connect with Confidence**  
Go2Care helps Care Seekers find trusted, independent care providers in their area and allows caregivers to discover meaningful work opportunities. Every interaction is private, secure, and designed to give you peace of mind.
- **Post Jobs or Apply in Minutes**  
Care Seekers can post personalized care needs in just a few steps. Whether it's part-time, full-time, or occasional support you're in control. Care Providers can browse available jobs, apply instantly, and manage their schedule in one place.
- **Search and Filter with Ease**  
Filter by ZIP code, service type, language, gender preference, and more. Find exactly what you need fast.

# How Go2Care Works

Finding trusted care shouldn't be complicated. Go2Care gives you full control over the process without agencies or hidden fees. Whether you need a part-time companion, full-time home care, or occasional support, here's how it works:

## 1. Create Your Free Account

Start with a quick sign-up no credit card required. You'll get a 7-day free trial to explore all features.

## 2. Post a Job Based on Your Needs

Describe the type of care you're looking for: schedule, location, language preferences, special needs, and more. You can even choose how caregivers should contact you (via Go2Care, phone, or email).

## 3. Browse Background-Checked Caregivers

Explore caregiver profiles, including experience, certifications, background check status, availability, and service areas.

## 4. Connect Privately and Securely

Use built-in messaging or phone options to ask questions, schedule interviews, and communicate with potential care providers without sharing your personal contact details.

## 5. Make the Right Choice

Review applicants and choose the caregiver who best fits your family's needs. You're in control from start to hire.
