

About Go2Care

Go2Care supports families by offering flexible caregiving options based on their needs. Whether you want a fully managed caregiver, help coordinating independent caregivers, or short in-home visits, Go2Care makes the process simple, safe, and stress-free.

Our Services Include:

- Go2Care Managed Caregivers – Caregivers employed and supported directly by Go2Care.
- Concierge Service – Assistance finding, matching, and coordinating independent caregivers.
- Visiting Care (4-Hour Visits) – Part-day support from Go2Care caregivers.

Trusted Support for Families

Go2Care offers personalized support and guidance throughout your caregiving journey.

- Dedicated intake specialists
- Caregiver options based on your needs
- Targeted search & screening support
- Clear, reliable communication
- Ongoing assistance whenever you need it

“

“Go2Care made it so easy to find the right caregiver for my dad. The platform is simple, and I loved being in control.”
— Maria T., Long Beach, CA

Go2Care Managed Caregivers

A fully managed caregiving solution for families who want dependable, ongoing support from caregivers employed directly by Go2Care.

What You Get:

- Caregivers hired, trained, and managed by Go2Care
- Background checks & credential verification
- Reliable scheduling and guaranteed coverage
- Care notes, updates, and communication support
- Peace of mind with a professionally supervised care team

Ideal for families seeking long-term consistency and reduced administrative burden.

Concierge Service

A guided hiring and coordination service for families working with independent caregivers. Go2Care assists every step of the way so you stay in control without the stress.

What You Get:

- Personalized intake to define needs, schedule & budget
- Professionally written job post & rate guidance
- Targeted caregiver search with ID & license checks
- Curated shortlist with pre-screen notes
- Interview & trial-shift coordination
- 30-day onboarding support
- Private, secure messaging in one place
- No long contracts — cancel anytime

Perfect for busy families who want support managing the hiring process.

CONTACT US

Visiting Care (4-Hour Visits)

Flexible part-day support from Go2Care caregivers for families who need short, reliable assistance at home.

What You Get:

- 4-hour minimum in-home visits
- Light personal care & mobility assistance
- Companionship and wellness check-ins
- Meal prep, reminders, and light tasks
- Safe, dependable short-term support
