AMERICAN NOTEBOOK

What's At Stake

The winner of Friday's game between Tulane and Cincinnati will host the American Athletic Conference Championship Game Dec. 3. The visiting team in the championship game – either Cincinnati, Tulane, UCF or Houston – will be determined following this week's results.

Everyone Wins

Since the start of the 2014 season, all 11 American Athletic Conference teams have been ranked at least once in the Associated Press top 25 poll. The American, the ACC and the Big 12 are the only FBS conferences that have had each member ranked since 2014.

Conference Call

The American will finish the regular season with a combined 9-3 record against non-autonomous FBS conference opponents in 2022.

Rank And File

The American has three AP top-25 teams entering Week 13 (No. 19 Tulane, No. 21 Cincinnati, No. 25 UCF). The only other leagues with at least three ranked teams are the Pac-12 (six), the SEC (four), the Big Ten (three), the Big 12 (three) and the ACC (three).

Big Three

The American has three ranked teams for the 21st week since the conference's formation in 2013.

Play On

The American Athletic Conference will have seven bowl-eligible teams in the 2022 season (UCF, Cincinnati, Tulane, East Carolina, SMU, Houston, Memphis).

Home Sweet Home

Cincinnati has won 32 consecutive games at Nippert Stadium, trailing only Clemson (40) for the nation's longest active home field winning streak.

Road Sweet Road

Houston is 10-2 in its last 12 road games.

East Carolina QB Holton Ahlers has set The American's career passing yards and total offense records. Houston QB Clayton Tune holds the conference's career record for touchdown passes.

Catching On

The American Athletic Conference has three of the 12 semifinalists for the Biletnikoff Award, which goes to the nation's top receiver – SMU WR Rashee Rice, Tulsa WR Keylon Stokes and Houston WR Nathaniel Dell. The American is the only conference with three Biletnikoff Award semifinalists.

Marshall Plan

Navy LB/S John Marshall set a school record with 4.0 sacks in the win at UCF. Marshall has a school-record and conference-leading 10.5 sacks this season.

Multi-Talented

Tulsa WR Keylon Stokes enters Saturday's game against Houston with an American Athletic Conference-record 5,415 career all-purpose yards and 3,727 receiving yards (second).

Two American players – Cincinnati CB Ahmad Gardner at No. 4 and Tulsa OT Tyler Smith at No. 24 – were chosen in the first round, while The American had 10 players taken in the first two days of the draft, surpassing the league's previous high of six players.

Mark Your Calendars

Cincinnati's selection to the CFP Semifinal in the 2021 season marked the seventh time in the nine-year history of The American that the league has had a team in a Bowl Championship Series or CFP New Year's Six bowl.

The American in CFP/New Year's Six Bowls

2013	UCF 52, Baylor 42 (Fiesta Bowl)
2015	Houston 38, Florida State 24 (Peach Bowl)
2017	UCF 34, Auburn 27 (Peach Bowl)
2018	LSU 40, UCF 32 (Fiesta Bowl)
2019	Penn State 53, Memphis 39 (Cotton Bowl)

2021	Alabama 27, Cincinnati 6 (CFP Semifinal/Cotton Bowl)

2022 MAJOR RULES CHANGES

Targeting

In games that have instant replay, when a targeting foul occurs in the second half, the carryover penalty (of sitting out the first half of that player's next game) will be eligible for further appeal.

The process will begin with a conference submitting a request to the NCAA national coordinator of officials, who would review video of the play. If it is obvious that a player was incorrectly penalized for targeting, the call would be overturned, and the player would be cleared to play in the first half of the next game.

Deceptive Actions

To address teams that are awarded an injury timeout through deceptive actions, panel members approved a reporting and investigation process. Schools and conferences will be able to report questionable scenarios to the national coordinator of officials, who will review and provide feedback to the conference for further action. Any penalties levied would be up to the conference office or school involved.

Blocking Below The Waist

The panel approved a proposal to improve safety and simplify the rules governing blocking below the waist. The proposal will allow blocking below the waist only by linemen and stationary backs inside the tackle box. Outside the tackle box on scrimmage plays, blocking below the waist will be prohibited.

Analysis of available NCAA injury surveillance data indicates a decreasing knee injury trend that coincides with recent rules changes in this area

Feet-First Slides

If a ball-carrier simulates a feet-first slide, officials will declare the runner down at that spot.

Illegal Block or Contact (Fair Catch)

A player who has made a valid or invalid signal for a fair catch and does not touch the ball shall not block or foul an opponent during that down. The penalty is 10 yards from the spot of the foul on a free kick or 10 yards from the postscrimmage kick enforcement on a scrimmage kick. A personal foul committed in conjunction with the action would result in a 15-yard penalty, with flagrant offenders ejected or disqualified.

Illegal Touching

The penalty for illegal touching a legal forward pass shall be five yards from the previous spot and a loss of down.

Defensive Holding

Defensive Holding will remain a 10-yard penalty, but will always carry an automatic first down.

2022 Points of Emphasis

- Protection of defenseless players/targeting
- Concussions
- Disconcerting signals and pre-snap actions
- Feigning an injury
- Unsportsmanlike conduct/taunting
- Sideline control
- Illegal contact against a quarterback/passers

COLLEGE FOOTBALL PLAYOFF

Every Game Counts

The College Football Playoff (CFP) is a postseason event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

Rankings

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

Tradition

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl Game and Sugar Bowl.

Championship Monday

The two teams that win the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

Universal Access

Every FBS team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

Governance

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve on the CFP Board of Managers and govern the administrative operations, with commissioners (the Management Committee) managing the event. A small staff in the playoff office in Irving, Texas, carries out the detailed responsibilities.

Selection Committee

A talented group of 13 high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Mitch Barnhart, Tom Burman, Boo Corrigan (chair), Rick George, Chet Gladchuk, Jim Grobe, Warde Manuel, Will Shields, Gene Taylor, Joe Taylor, John Urschel, Rod West and Kelly Whiteside.

Selection Committee Responsibilities

- Rank the top 25 teams and assign the top four to semifinal sites.
- Assign teams to New Year's bowls
- Create competitive matchups
- Attempt to avoid rematches of regular-season games and repeat appearances
- Consider geography

Participants In New Year's Bowls

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.

BOWL PARTNERSHIPS

The American Bowl Lineup

American Athletic Conference teams are guaranteed at least seven bowl appearances annually as part of the conference's new postseason lineup, which began in the 2020 season and is in place through 2025..

The American, as it has done five times in the first seven years of the current bowl cycle, will continue to send its champion to a New Year's Six bowl if that team finishes higher than the champions of four other conferences in the final College Football Playoff rankings. American Athletic Conference teams are also eligible for the College Football Playoff if they are among the top four teams in the final CFP rankings.

As part of the current bowl cycle, The American will annually send teams to the Military Bowl presented by Peraton against an Atlantic Coast Conference opponent, the Fenway Bowl in Boston, also against an ACC team, and a third annual spot which will alternate between the Lockheed Martin Armed Forces Bowl and the SoFi Hawaii Bowl. The 2022 season will include the Radiance Technologies Independence Bowl among The American's guaranteed spots.

Additionally, The American will annually have regular appearances from a group of eight bowls. The American extended its existing partnerships with the TicketSmarter Birmingham Bowl, the Union Home Mortgage Gasparilla Bowl, the RoofClaim Boca Raton Bowl, the Tropical Smoothie Cafe Frisco Bowl and the Duluth Trading Cure Bowl.

New to The American's lineup in the current cycle are the SERVPRO First Responder Bowl, the New Mexico Bowl and the Myrtle Beach Bowl.

THE AMERICAN ON TELEVISION

The American and ESPN reached agreement on a 12-year media rights extension that began with the 2020-21 academic year.

With the current agreement, The American has a stronger and more extensive presence on ESPN's primary TV networks - ABC, ESPN, ESPN2 and ESPNU - than at any point in its history. The Conference will also be a valuable part of ESPN+, ESPN's industry-leading direct-to-consumer sports streaming service.

In football, a minimum of 40 regular-season telecasts per season will be televised on ABC, ESPN, ESPN2 and ESPNU, including at least 20 across ABC, ESPN and ESPN2, which represents increased annual exposure across those ESPN networks. The American Championship game will be televised each year on ABC or ESPN.

Beyond select Navy football games, all conference controlled football games from The American will air on an ESPN network or ESPN+.
