EXTRA YARD FOR TEACHERS WEEK

The College Football Playoff Foundation's primary platform, Extra Yard for Teachers, elevates the teaching profession by inspiring and empowering teachers through the implementation of programs in four focus areas: resources, recognition, recruitment and professional development.

Extra Yard for Teachers Week is a week-long period during which universities, conferences and ESPN come together to celebrate and recognize teachers across the country.

The American Athletic Conference and its member schools will celebrate teachers in the conference communities throughout the week, beginning Friday, September 16, and continuing through Saturday, September 24.

2022 MAJOR RULES CHANGES

Targeting

In games that have instant replay, when a targeting foul occurs in the second half, the carryover penalty (of sitting out the first half of that player's next game) will be eligible for further appeal.

The process will begin with a conference submitting a request to the NCAA national coordinator of officials, who would review video of the play. If it is obvious that a player was incorrectly penalized for targeting, the call would be overturned, and the player would be cleared to play in the first half of the next game.

Deceptive Actions

To address teams that are awarded an injury timeout through deceptive actions, panel members approved a reporting and investigation process. Schools and conferences will be able to report questionable scenarios to the national coordinator of officials, who will review and provide feedback to the conference for further action. Any penalties levied would be up to the conference office or school involved.

Blocking Below The Waist

The panel approved a proposal to improve safety and simplify the rules governing blocking below the waist. The proposal will allow blocking below the waist only by linemen and stationary backs inside the tackle box. Outside the tackle box on scrimmage plays, blocking below the waist will be prohibited.

Analysis of available NCAA injury surveillance data indicates a decreasing knee injury trend that coincides with recent rules changes in this area

Feet-First Slides

If a ball-carrier simulates a feet-first slide, officials will declare the runner down at that spot.

Illegal Block or Contact (Fair Catch)

A player who has made a valid or invalid signal for a fair catch and does not touch the ball shall not block or foul an opponent during that down. The penalty is 10 yards from the spot of the foul on a free kick or 10 yards from the postscrimmage kick enforcement on a scrimmage kick. A personal foul committed in conjunction with the action would result in a 15-yard penalty, with flagrant offenders ejected or disqualified.

Illegal Touching

The penalty for illegal touching a legal forward pass shall be five yards from the previous spot and a loss of down.

Defensive Holding

Defensive Holding will remain a 10-yard penalty, but will always carry an automatic first down.

2022 Points of Emphasis

- Protection of defenseless players/targeting
- Concussions
- Disconcerting signals and pre-snap actions
- Feigning an injury
- Unsportsmanlike conduct/taunting
- Sideline control
- Illegal contact against a quarterback/passers

COLLEGE FOOTBALL PLAYOFF

Every Game Counts

The College Football Playoff (CFP) is a postseason event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

Rankings

The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

Tradition

The New Year's holiday period belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl Game and Sugar Bowl.

Championship Monday

The two teams that win the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

Universal Access

Every FBS team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

Governance

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve on the CFP Board of Managers and govern the administrative operations, with commissioners (the Management Committee) managing the event. A small staff in the playoff office in Irving, Texas, carries out the detailed responsibilities.

Selection Committee

A talented group of 13 high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Mitch Barnhart, Tom Burman, Boo Corrigan (chair), Rick George, Chet Gladchuk, Jim Grobe, Warde Manuel, Will Shields, Gene Taylor, Joe Taylor, John Urschel, Rod West and Kelly Whiteside.

Selection Committee Responsibilities

- Rank the top 25 teams and assign the top four to semifinal sites.
- Assign teams to New Year's bowls
- Create competitive matchups
- Attempt to avoid rematches of regular-season games and repeat appearances
- Consider geography

Participants In New Year's Bowls

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.

BOWL PARTNERSHIPS

The American Bowl Lineup

American Athletic Conference teams are guaranteed at least seven bowl appearances annually as part of the conference's new postseason lineup, which began in the 2020 season and is in place through 2025..

The American, as it has done five times in the first seven years of the current bowl cycle, will continue to send its champion to a New Year's Six bowl if that team finishes higher than the champions of four other conferences in the final College Football Playoff rankings. American Athletic Conference teams are also eligible for the College Football Playoff if they are among the top four teams in the final CFP rankings.

As part of the current bowl cycle, The American will annually send teams to the Military Bowl presented by Peraton against an Atlantic Coast Conference opponent, the Fenway Bowl in Boston, also against an ACC team, and a third annual spot which will alternate between the Lockheed Martin Armed Forces Bowl and the SoFi Hawaii Bowl. The 2022 season will include the Radiance Technologies Independence Bowl among The American's guaranteed spots.

Additionally, The American will annually have regular appearances from a group of eight bowls. The American extended its existing partnerships with the TicketSmarter Birmingham Bowl, the Union Home Mortgage Gasparilla Bowl, the RoofClaim Boca Raton Bowl, the Tropical Smoothie Cafe Frisco Bowl and the Duluth Trading Cure Bowl.

New to The American's lineup in the current cycle are the SERVPRO First Responder Bowl, the New Mexico Bowl and the Myrtle Beach Bowl.

THE AMERICAN ON TELEVISION

The American and ESPN reached agreement on a 12-year media rights extension that began with the 2020-21 academic year.

With the current agreement, The American has a stronger and more extensive presence on ESPN's primary TV networks - ABC, ESPN, ESPN2 and ESPNU - than at any point in its history. The Conference will also be a valuable part of ESPN+, ESPN's industry-leading direct-to-consumer sports streaming service.

In football, a minimum of 40 regular-season telecasts per season will be televised on ABC, ESPN, ESPN2 and ESPNU, including at least 20 across ABC, ESPN and ESPN2, which represents increased annual exposure across those ESPN networks. The American Championship game will be televised each year on ABC or ESPN.

Beyond select Navy football games, all conference controlled football games from The American will air on an ESPN network or ESPN+.
