# CAN YOU SPOT THE VIOLATION ?

David Diver is a prized diving PSA on an unofficial visit to Anywhere State University. While on this visit, David was given 4 complimentary tickets, for him, his younger brother and his parents to attend a home swim meet. The meet was located at a pool downtown, 25 miles away. When the meet was over, David spoke to the coaches and told them how well the visit went.

The violation occurred when the coaches gave David 4 complimentary tickets to the swim meet.

“During an unofficial visit, the institution may not pay any expenses or provide any entertainment except a maximum of three complimentary admissions (issued only through a pass list) to a home athletics event at any facility within a 30-mile radius of a member institution's main campus in which the institution's intercollegiate team practices or competes. Such complimentary admissions are for the exclusive use of the prospective student-athlete and those persons accompanying the prospective student-athlete on the visit and must be issued on an individual-game basis. Such admissions may provide seating only in the general seating area of the facility used for conducting the event. Providing seating during the conduct of the event (including intermission) for the prospective student-athlete or those accompanying the prospective student-athlete in the facility's press box, special seating box(es) or bench area is specifically prohibited. Complimentary admissions may not be provided during a dead period, except as provided in Bylaw 13.7.3.5”. NCAA Bylaw 13.7.3.1
