- Senior defensive end Ade Aruna recovered his first fumble of the season and third of his career vs. Tulsa.
- Junior safety Roderic Teamer Jr.'s 52-yard fumble recovery for a touchdown at Navy was the first touchdown of his career and his first career fumble recovery.

HALL OF FAMER ON THE MIC

- Tulane radio network analyst Steve Barrios is serving his 35th season calling Green Wave football.
- On the field, Barrios earned three letters for Tulane from 1969-71 and finished his career with 60 receptions for 1,197 yards and eight touchdowns. He had two 100-yard receiving games in his career and was just the sixth player in school history to record a 100-yard receiving game. Barrios finished his career as the holder of four school records. His career average of 19.95 yards per catch still stands as a school record.
- He was a member of the 1970 Liberty Bowl team and served as team captain in the 1971 season. Barrios was a three time All-South Independent selection and spent two seasons playing professionally with the Jacksonville franchise in the World Football League.
- He was inducted into the Tulane Athletics Hall of Fame in 2000 as player and his 1970 team that won the Liberty Bowl was inducted as a part of the 2017 class.

- 62 points – The second most points scored in a conference game in school history, behind the 64 points scored in a 64-33 win at Louisville in a Conference USA matchup on Oct. 11, 1997. It also marked the most points in a conference game since a 55-45 victory over UAB in a Conference USA matchup on Oct. 27, 2012 and the most points scored in an American Athletic Conference game, eclipsing the 45 points scored vs. UCF in 2015.
 - 48 first-half points – The most points in a half in a conference game since joining the American Athletic Conference.
 - 653 total offensive yards – The most offensive yards since compiling 706 yards against UL Lafayette on Oct. 31, 1998.

YULMAN STADIUM

Yulman Stadium, the crown jewel of the university's athletics complex, opened its doors for the first time in front of a capacity crowd on September 6, 2014 against Georgia Tech. Yulman Stadium marked the beginning of a renaissance of Tulane Athletics, which saw Green Wave football return to campus for the first time in nearly 40 years.

Tulane's new home field advantage came from the generosity of three couples in particular - Richard Yulman and his late wife Janet, Gayle and Tom Benson and Jill and Avie Glazer.

Richard Yulman, the retired chairman and owner of mattress manufacturing giant Serta International, donated \$15 million toward construction of this \$73 million facility. Yulman Stadium is named in honor of Richard, Janet and the Yulman family.

New Orleans Saints owner Tom Benson and his wife Gayle, a member of the Board of Tulane, donated \$7.5 million to Yulman Stadium. Benson Field, which will host the games of Yulman Stadium, is named in their honor.

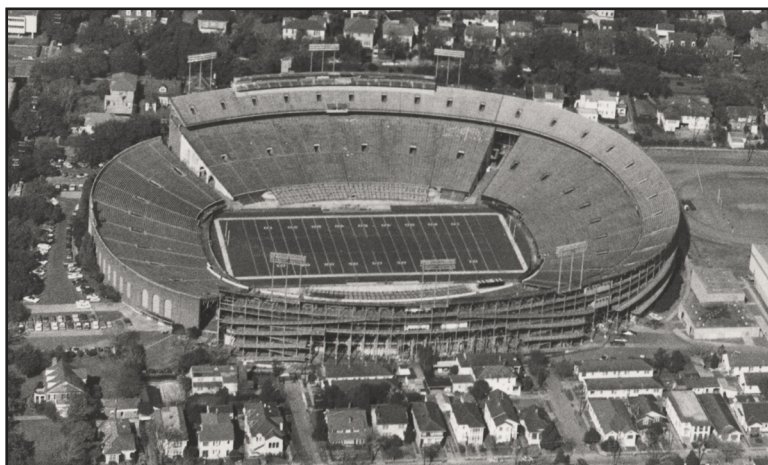

Jill and Avie Glazer supported the stadium with a multi-million dollar gift. The Jill H. and Avram A. Glazer Family Club, the premium space in which to experience games at Yulman Stadium is named in their honor.

Construction of Yulman Stadium began in January 2013. Gould Evans and Associates and Lee Ledbetter & Associates served as the project architects, while Woodward Design + Build LLC was the contractor.

Tulane football has been a part of the fabric of New Orleans since the Green Wave played its first season back in 1893. Generations experienced college football at the old Tulane Stadium from 1926-1974.

It is not hard to find a story about someone's experience at old Tulane Stadium. Boy Scouts selling programs, a record crowd of 86,598 watching the Green Wave defeat LSU in 1973, the annual Sugar Bowl and early Saints football, are all part of the story of Tulane Stadium.

Now in its fourth year, a new chapter continues to be written in a new home by a new (and old) generation of Green Wave fans.

Tulane Stadium was the home to Tulane Football from 1926 until 1974. Built on an old plantation where sugar was first granulated, the original construction cost approximately \$300,000 and was made mostly from brick and concrete. As the site of the annual Sugar Bowl, Tulane Stadium was often informally referred to as "Sugar Bowl Stadium." After its expansion in the 1940's, Tulane Stadium became the largest football stadium in the south.

The American Athletic Conference consists of 13 prestigious institutions: the University of Central Florida, the University of Cincinnati, East Carolina University, the University of Connecticut, the University of Houston, the University of Memphis, the U.S. Naval Academy (in football only), the University of South Florida Southern Methodist University, Temple University, Tulane University, the University of Tulsa, and Wichita State University (in basketball and Olympic sports).

Under the leadership of commissioner Mike Aresco, the American Athletic Conference has an impressive list of accomplishments, both in the competitive arena and the classroom. The American has taken its place at the forefront of intercollegiate athletics, with a collection of national team and individual championships and football and men's and women's basketball postseason victories that place The American among the elite Division I FBS conferences.

The league has produced four NCAA championship teams - UConn men's basketball in 2014 and UConn women's basketball in 2014, 2015 and 2016 - in addition to two New Year's Six bowl champions, five NCAA individual championships, and a Rhodes Scholar. Additionally, American Athletic Conference teams have advanced to the College World Series, reached the semifinal and final rounds of the NIT, qualified for the match play round of the NCAA Men's Golf Championship and registered top-10 finishes at the NCAA Cross Country and Outdoor Track and Field championships.

The American Athletic Conference was one of six finalists for the 2016 Sports Business Journal Sports League of the Year award, along with Major League Baseball, Major League Soccer, NASCAR, the National Basketball Association and the PGA Tour.

In football, Temple and Navy were ranked in the final College Football Playoff poll of the 2016 season, marking the second straight season that The American finished with at least two ranked teams. Seven teams from The American played in bowl games, while three teams (USF, Temple, Tulsa) finished with at least 10 wins.

The American has had a combined 15 teams play in bowl games in the last two seasons, highlighted by Houston's win against Florida State in the 2015-16 Chick-fil-A Peach Bowl. Houston's finish at No. 8 nationally in 2015 gave The American a top-10 team in the final national polls for the second time in three seasons after UCF finished No. 10 in the 2013 rankings after the Knights' Fiesta Bowl win against Baylor. Additionally, Memphis, Navy, USF and Temple have all finished in the top 25 of either the CFP, Associated Press or USA Today polls as members of The American.

Individual teams in The American have enjoyed unprecedented success since the conference's formation. Houston went 13-1 in the 2015 football season, setting a school record for wins, while Navy won a program-record 11 games in its first season in the conference, also in 2015. The 2014 season saw Memphis finish with 10 wins in football for the first time since 1938, while Temple enjoyed its first 10-win season in 2015.

Beyond the gridiron, The American sent four teams to the 2016 NCAA Men's Basketball Championship, and the league had the best men's basketball postseason record of any conference in 2014. Since the conference's formation in 2013-14, teams from The American have registered top-10 national rankings in football, men's basketball, women's basketball, baseball, men's soccer, men's golf, and men's track and field. Student-athletes from The American won three NCAA individual titles in track and field in 2016-17 as Cincinnati's Annette Echikunwoke won the indoor weight throw, Tulsa's Marc Scott won the outdoor 10,000-meter title, and Houston won the crown in the outdoor 4x100-meter relay.

Under The American's banner, SMU advanced to the NCAA Men's Basketball Championship for the first time since 1993. The UConn women's basketball team won its NCAA-record ninth, 10th and 11th national championships and broke its own NCAA record with a 111-game winning streak that spanned three seasons. UCF, East Carolina and Houston have all achieved top-10 rankings in baseball in the past three years. Tulsa placed sixth at the 2016 NCAA Men's Cross Country Championship, while USF finished the 2014-15 season at No. 8 in the final men's golf national ranking.

The American Athletic Conference holds media rights partnerships with ESPN and CBS Sports, which provide the conference with outstanding national exposure on the two industry leaders in sports television. The football portion of the contract calls for nearly 90 percent of conference-controlled games on national broadcast or national cable platforms. The first two American Athletic Conference Football Championships were televised by ABC as part of Championship Saturday. The American had the two highest-rated Thursday telecasts of the 2016 football season.

American Athletic Conference teams have access to the pinnacle of college football's postseason structure. An American representative would be chosen for the College Football Playoff semifinals if it is among the top four teams in the CFP selection committee's final ranking. Otherwise, the league would place its champion in a New Year's Bowl if it is ranked higher than the champions of Conference USA, the Mid-American Conference, the Mountain West Conference and the Sun Belt Conference.

Additionally, The American holds primary or secondary partnerships with 12 bowls for the current six-year cycle, ensuring multiple annual matchups against the nation's top conferences and providing desirable postseason destinations to member institutions.

The American Athletic Conference serves its membership from a state-of-the-art office located in Providence, Rhode Island. The location of the conference headquarters - just steps from the city's Amtrak station and 10 minutes from T.F. Green International Airport - gives the conference easy access to its member schools. The conference headquarters also serves as the home of the American Digital Network, which provides live coverage of all 21 conference championships.

2017 GREEN WAVE FOOTBALL

WILLIE FRITZ

Head Coach • Second Season
Shawnee Mission, Kan.
Pittsburg State, 1983

In his second season at the helm of Tulane football in 2017, Willie Fritz brings an enthusiasm and winning culture poised to catapult the Green Wave to become one of the top programs in the American Athletic Conference and NCAA Football Bowl Subdivision.

In his first season in the Crescent City, he guided Tulane to a 4-8 record and earned his first American Athletic Conference victory in the team's season finale at UConn. The Green Wave posted 30 or more points in five games in 2016, four of which were in wins. Three of the eight losses were by seven points or less with Tulane in four of those games entering the fourth quarter.

The Shawnee Mission, Kan., native was named the Green Wave's 40th head coach by Director of Athletics Troy Dannen on Dec. 15, 2015. At that time, he brought 33 years of collegiate experience as a football student-athlete or coach to Tulane, having led teams to six combined conference championships (one at every level he had coached) and two bowl appearances. He was twice named the national coach of the year, including the American Football Coaches Association FCS Coach of the Year in 2011 and the Liberty Mutual FCS Coach of the Year in 2012.

Fritz came to New Orleans from Georgia Southern where he spent two seasons and led the Eagles to a combined record of 17-7, a 2014 Sun Belt Conference title and the school's first-ever NCAA postseason bowl game with their berth in the 2015 GoDaddy.com Bowl. Georgia Southern concluded the 2015 regular season with an 8-4 overall record, including a mark of 6-2 in conference play.

Fritz led the Eagles to a 9-3 overall record and a perfect mark of 8-0 in conference play during his first season at Georgia Southern in 2014, and was named the Sun Belt Conference Coach of the Year. However, the school's waiver claim to allow Georgia Southern to play in a bowl despite being in the second year of the NCAA's transition period was denied. In the 2014 Sun Belt preseason poll, the Eagles were ranked ninth out of 11 teams, making them the first squad in NCAA history to transition from an FCS ranking to an undefeated conference record in the same year.

Prior to Georgia Southern, Fritz served as head coach at Sam Houston State from 2010-13, where he led the Bearkats to back-to-back Southland Conference titles, NCAA Division I Championship game appearances in 2011 and 2012 and a third-straight NCAA playoff berth in 2013.

Honored as the American Football Coaches Association Regional Coach of the Year in 2011 and 2012, Fritz was selected by the media and his peers in the Southland Conference as the league's Coach of the Year in 2011 after his team went a perfect 7-0 in conference play.

In 2011 and 2012, Sam Houston State posted the two highest single-season win totals in program history with marks of 14-1 (2011) and 11-4 (2012) and Bearkat players were showered with accolades. More than 50 earned All-Southland Conference honors under Fritz in the last four years, not including additional Player of the Year, Offensive Player of the Year, Defensive Player of the Year and Newcomer of the Year awards. All-America status from national coaching and media outlets were bestowed on 11 Sam Houston State players during his tenure.

Prior to his head coaching tenure at Sam Houston State, Fritz revitalized Central Missouri and guided the Mules to 11 winning seasons in 13 years. The NCAA Division II program's ledger included two 10-win seasons with the 2001 Mule squad earning its first postseason trip in more than 30 years.

In 2002, Central Missouri made its first-ever appearance in the NCAA Division II playoffs and was the Mid-America Athletic Association (MIAA) co-champion a year later. A 97-47 mark in 13 seasons ranks Fritz as the winningest coach in the program's 118-year history. He was the only coach to ever win seven or more games in eight consecutive seasons and his victory total ranked him 15th among active Division II coaches at the time. In addition to his impressive 67.4 winning percentage with the Mules, Fritz coached his student-athletes to achieve their potential both on the field and in the classroom. More than 150 Mules were recognized with All-MIAA honors with 41 first-team selections and 24 All-Americans. Under Fritz, Central Missouri recorded a graduation rate of 84 percent with 144 MIAA Commissioner's Academic Honor Roll recipients, 14 Academic All-Region and three Academic All-Americans.

For all of his accomplishments guiding Central Missouri, Fritz was honored by the school with induction into its Athletics Hall of Fame on Feb. 11, 2017.

Prior to his time at Central Missouri and Sam Houston State as a head coach, Fritz spent two different stints as an assistant coach with the Bearkats. He first served as a graduate assistant during the 1984 and 1985 seasons when he earned a master's degree in kinesiology. During that two-year stretch, Sam Houston State posted a 16-6 record and won the 1985 Gulf Star Conference championship. He returned to Sam Houston State a second time in 1991 after spending two years at Coffeyville Community College in Kansas under legendary coach Dick Foster, earning a promotion to defensive coordinator after one year. He stayed another two years to work for Coach Skip Foster and the Red Ravens.

When Fritz was brought back to Sam Houston State in 1991 under Ron Randleman as secondary and special teams coach, he instilled an attitude of excellence on special teams that would last more than a decade. The Bearkats' "block party" racked up 80 blocked punts, field goals and extra points beginning with Fritz in 1991 and lasting through 2004.

In Fritz's first year as a full-time assistant coach at Sam Houston State in 1991, the Bearkats won the Southland Conference. That league title and eight-win season launched Sam Houston State to the program's second-ever appearance in the NCAA Division I Football Championship.

Fritz departed Huntsville for a second time prior to the 1993 season for an opportunity to be the head coach at Blinn College, where he would turn around a program that had only five wins in its previous three seasons.

From 1993-96, Fritz and the Buccaneers would rack up 39 victories, including an NJCAA record 25 straight wins, against only five losses with a tie and claim two national junior college championships. He was inducted into the NJCAA Football Hall of Fame for the environment of success he created at Blinn.

One of seven children, Fritz is the son of the late Harry Fritz, who coached the Central Missouri football team in 1952 before continuing his career as the Executive Director at the National Association of Intercollegiate Athletics (NAIA) in Kansas City. The elder Fritz also served at several colleges and universities in administration as an athletics director.

Fritz played on two conference title teams at Pittsburg State. He was a four-starter at defensive back for Randleman and also started two years on the basketball squad. Fritz remained at his alma mater as a student assistant coach in 1982. Early coaching stops included a year at Shawnee Mission Northwest High School (Kansas) in 1983 and Willis High School (Texas) in 1986, with his return to Sam Houston State for graduate school in between those years.

Fritz and his wife Susan have been married for 30 years, and have three children, Wesley, Lainie and Brooke. Their son Wesley is a member of the Tulane football staff. Lainie is television sports reporter and anchor at KPRC-TV in Houston, Texas, while Brooke is a student at Georgia.
