COLLEGE FOOTBALL PLAYOFF

The College Football Playoff (CFP) is a big success. Fans, including many who are new to the sport, enjoy it. The first College Football Playoff semifinals and national championship were the three most-viewed programs in cable television history.

Every Game Counts
The playoff preserves the excitement and significance of college football's unique regular season where every game counts.

Four Teams
The selection committee ranks the teams based on the members' evaluation of the teams' performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents to decide among teams that are comparable.

Two Games, One Goal
The kickoff of the new year belongs to college football, with two semifinal games rotating annually among the Cotton Bowl, Fiesta Bowl, Orange Bowl, Peach Bowl, Rose Bowl and Sugar Bowl. The two teams winning the playoff semifinals compete for the College Football Playoff National Championship. That game is in a different city each year, always on a Monday night.

Universal Access
Every FBS team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

Governance
University presidents and chancellors from all 10 FBS conferences and Notre Dame serve on the CFP Board of Managers and govern the administrative operations, with commissioners (the Management Committee) managing the event. A small staff in the playoff office in Irving, Texas, carries out the detailed responsibilities.

Selection Committee
A talented group of high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are: Rob Mullens (chair), Frank Beamer, Paola Boivin, Jeff Bower, Joe Castiglione, Herb Deromedi, Ken Hatfield, Chris Howard, Bobby Johnson, Ronnie Lott, Gene Smith, Todd Stansbury, and Scott Stricklin.

Selection Committee Responsibilities
- Rank the top 25 teams and assign the top four to semifinal sites.
- Assign teams to New Year's bowls
- Create competitive matchups
- Attempt to avoid rematches of regular-season games and repeat appearances
- Consider geography

Participants In New Year's Bowls
Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.

Annual Awards
The American Athletic Conference will name first and second all-conference teams, players of the year on offense, defense and special teams, rookie of the year and coach of the year. The awards are chosen by a vote of the league's 12 head coaches at the conclusion of the regular season. The awards will be announced Dec. 4, 2019. The American Athletic Conference All-Academic Team is comprised of players who have an overall grade-point average of 3.00 or better over the previous academic year and completed at least two semesters of academic work. The team is announced in July. The American Athletic Conference Football Scholar-Athlete of the Year was established to recognize student-athletes who have achieved success in the classroom and on the field. The winner receives a scholarship which may be applied to graduate or professional studies.
