# 2007 OUTLOOK

## New Obstacles Face Bearcats In 2007 Season

Each season, the University of Cincinnati volleyball program is faced with a new set of challenges in its quest to win 20 matches, compete for a conference championship and qualify for NCAA Tournament play. Each season, eight-year head coach Reed Sunahara and his charges have met the challenges head on and found great success along the way.

In just its second season as BIG EAST members last year, UC was in the mix for a conference crown once again, while stretching its streak of 20-win seasons to 12 straight. To do that again in 2007, the Bearcats will count on a strong core of veterans and another crop of talented newcomers. UC should be especially strong defensively and should maintain its steady offense from a year ago.

"I don't think there is any question that the pieces are in place for us to have the kind of season that will allow us to reach our goals," Sunahara says. "As always, we will need good leadership from our older players and contributions from our freshmen. If this team can gel early on, I think we will have another good year."

The core of the team is stocked with players who have made significant contributions and improvements since the start of their careers. Now a junior, two-time All-American Jessie Nevitt has been a force at middle blocker for the past two seasons. Seniors Jenny Custer and Erin Maldo, along with redshirt junior Natalie Dossman know what it takes to win and will be counted on to lead the pack.

The obstacles facing the Bearcats in 2007 come as a result of graduation losses at middle blocker and setter. For the first time in recent memory, the Bearcats will start the year without an experienced setter on the roster, but don't figure to miss a beat with talented freshman Annie Fesl ready to take the controls. The squad will also have to fill Myanna Hellsten's hole in the middle.

The schedule will be another daunting one for the Bearcats, with the highlight coming early with a visit from 2006 national runner-up Stanford. The always competitive BIG EAST docket will pose a challenge with three of the final four weekends of league play taking place on the road, including journeys to perennial league powers Louisville and Notre Dame.

## Outside Hitters

The cupboard is well stocked on the outside for the Bearcats, leaving Sunahara with a variety of options. The roster shows four outside hitters with ample collegiate experience, being joined by one talented freshman.

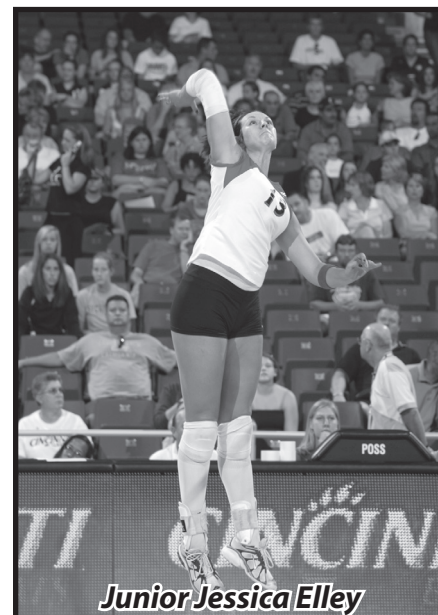

Senior Jenny Custer has been a mainstay during her career and figures to be get the nod on the right-side again in 2007. Custer has gotten better each year at UC and averaged 3.02 kills per game, along with career-highs in digs (2.43) and blocks (1.00) per game last year.

Jessica Elley was one of the biggest success stories of 2006 for the Bearcats as she led the team in kills (3.54 per game) and ranked second in digs (3.37 per game). Now a junior, Elley should be ready for an even bigger performance this fall with another year of experience.

Senior Erin Maldo and junior Lindsey Peterson have both drawn lots of playing time throughout their careers and will figure in the equation again this year. Injuries held Maldo to limited appearances last season and all as a defensive specialist. Peterson has shown potential and improvement while at UC, but will need to play more consistently to increase her playing time.

Freshman Stephanie Niemer will push all of the incumbents for playing time and has the talent to be an exceptional player. A decorated competitor on the prep level, Niemer is extremely athletic by virtue of her accomplishments as a basketball player as well.

Sophomore Katey Schroeder is the heir apparent on the right side to Custer, but she may miss the season after a spring injury. Freshman Lindsay Upton can play on the outside as well.

**Junior Jessica Elley**

## Setters

For the first time in recent memory, the Bearcats will start the season without a setter with collegiate experience on the roster. The team is expecting to turn to a young player with good volleyball lineage to fill the void.

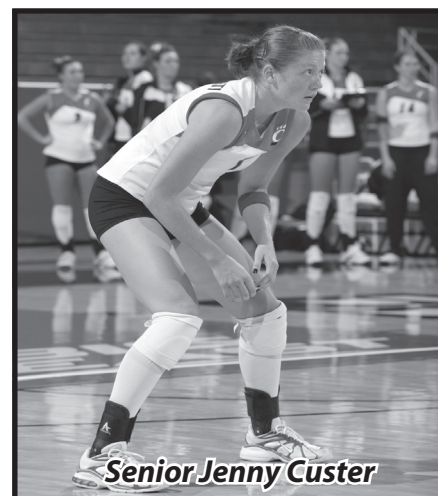

Gone from last season is three-year starter Noel Olson, who closed her career ranked second in assists. Olson closed her career on a high note in 2006 as a second team all-BIG EAST performer.

The top candidate for the starting job could be the next great setter in program history on the heels of Olson and Bearcat great Laura Lauder. Annie Fesl is a talented player from the talent rich Chicago-area

who enjoyed a fine prep career. She was a two-time all-state performer and earned conference player of the year accolades as a senior. Fesl is also familiar with the BIG EAST as her older sister, Megan plays for Notre Dame.

Following the family theme at the setter slot is another freshman, Kimi Nakamura, whose brother Haruki is a star on the UC Football team. Kimi will challenge Fesl for time, while also providing depth on defense.

The Bearcats can also turn to senior Jenny Custer, the expected starter on the right-side who saw time as a setter during her freshman year.

**Senior Jenny Custer**

# Middle Blockers

The Bearcats return their top player in the middle, but the loss of a four-year starter will leave the team inexperienced entering 2007.

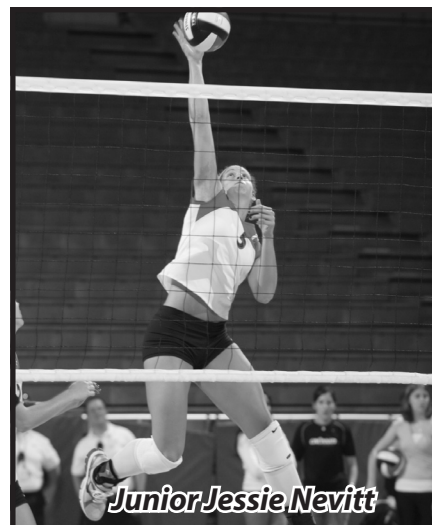

Jessie Nevitt has proven to be a star during her two years as a Bearcat, earning a pair of first team all-BIG EAST and honorable mention All-American awards. She is a talented player both offensively (3.25 kills per game) and defensively (BIG EAST-leading 1.68 blocks per game). Another year of experience should make Nevitt an even bigger force on the court this fall.

Myanna Hellsten remains with the UC program, but moves from a starter in the middle to an assistant coach. Replacing Hellsten in the middle will fall to a pair of relative newcomers to the fold.

Jami Torok has been with the program for the past two seasons, but has seen action in just seven matches. The junior made huge improvements during the spring season and will be counted on for big contributions.

Another option in the middle is Lindsay Upton. The Cincinnati native was a first team all-Ohio selection as a prep and should be an impact player for the Bearcats. Upton's brother A.J. is also a Bearcat, pitching for the UC baseball team.

By season's end, the Bearcats may be able to turn to Katey Schroeder for help in the middle. The sophomore was injured during the spring season and won't be ready for the start of the 2007 campaign.

Junior Jessie Nevitt

# Libero/Defensive Specialist

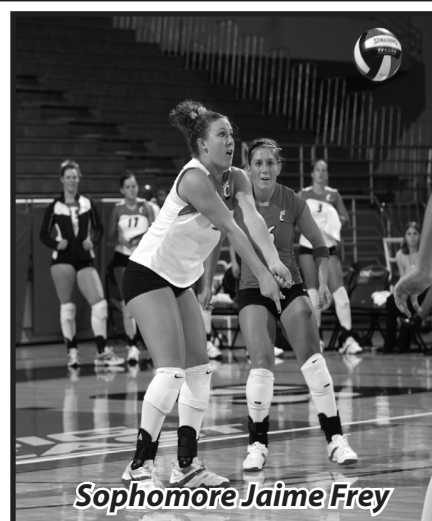

Backline defense should be a team strength for the Bearcats this year as two strong returnees are joined in the mix by a talented newcomer.

Last year, junior Natalie Dossman started the season as the Bearcats' libero until an injury in the third match of the year ended her season. Now fully recovered, UC's team captain will bring her stout defense and leadership skills back to the court this year.

With Dossman out, Jaime Frey enjoyed an outstanding freshman campaign, leading the BIG EAST with 5.62 digs per game. The battle between the two for the libero job will be fierce, but both players can expect ample playing time.

To bolster the defense even further, the Bearcats added local product Julie Guenther to the fold. Guenther is another good defensive player who earned a pair of all-conference awards as a prep. Look for fellow frosh Kimi Nakamura to also battle for time as a defensive specialist.

The libero is a defensive specialist who can sub in and out of a game without counting against a team's substitution limit, however the player can only play the back line and cannot attack or set. A new rule for the 2004 season allows the libero to serve during one of the team's rotations.

Sophomore Jaime Frey

## CAPSULE LOOK AT THE BEARCATS

### Outside Hitters

#### Returning Starters:

Jenny Custer	6-0	Sr.	3.02 k/g	1.00 d/g
Jessica Elley	6-2	Jr.	3.54 k/g	3.37 d/g
Lindsey Peterson	6-0	Jr.	1.94 k/g	1.60 d/g

#### Other Key Returnees:

Erin Maldo	5-11	Sr.	0.00 k/g	1.17 d/g
Katey Schroeder*	6-2	So.	1.57 k/g	0.66 b/g

#### Newcomer:

Stephanie Niemer	6-2	Fr.		
------------------	-----	-----	--	--

The Bearcats have a bevy of options on the outside with the return of three starters. Custer will likely stake claim to the right-side job after holding it the last two years. Elley had a big year as a first time starter last season and should be ready for more success. Maldo and Peterson have been slowed by injuries during the career, but are capable players. Niemer is a talented newcomer looking to make a name for herself early on.

\*Out for season with injury

### Setters

#### Newcomers:

Annie Fesl	5-10	Fr.
Kimi Nakamura	5-7	Fr.

#### Loss:

Noel Olson	12-71 a/g	2.12 d/g
------------	-----------	----------

UC has a hole to fill with the loss of Olson and will likely turn to Fesl. Custer has experience at setter, but hasn't played there in three years. Nakamura should provide depth.

### Middle Blockers

#### Returning Starter:

Jessie Nevitt	6-2	Jr.	3.25 k/g	1.68 b/g
---------------	-----	-----	----------	----------

#### Other Key Returnee:

Jami Torok	6-0	Jr.	0.12 k/g	0.12 b/g
------------	-----	-----	----------	----------

#### Newcomer:

Lindsay Upton	6-0	Fr.		
---------------	-----	-----	--	--

#### Loss:

Myanna Hellsten	2.94 k/g	1.37 b/g
-----------------	----------	----------

Nevitt has been a star for the Bearcats, but UC will have a hole to fill with the graduation of Hellsten. Torok has the edge on experience, but will receive a big challenge from Upton.

### Libero/Defensive Specialist

#### Returning Starter:

Jaime Frey	5-8	So.	5.43 d/g
------------	-----	-----	----------

#### Other Key Returnee:

Natalie Dossman	5-3	Jr.	5.62 d/g
-----------------	-----	-----	----------

#### Newcomers:

Julie Guenther	5-6	Fr.
Kimi Nakamura	5-7	Fr.

UC has plenty of strength here with Dossman coming back from injury to join returning starter Frey. Guenther and Nakamura are newcomers that will also push for time.
