INTRODUCTION

Emergency situations may arise at any time during athletic practices and events. Expedient action must be taken to provide the best possible care for the athletes in emergencies and/or life-threatening conditions. Preparation for emergency and/or life-threatening conditions involves formulation of an emergency action plan, proper coverage of events, maintenance of appropriate emergency equipment and supplies, utilization of appropriate emergency medical personnel, and continuing education in emergency response.

Through careful pre-participation physical screenings, adequate medical coverage, safe practice and training techniques and other safety avenues, potential emergencies may be averted. However, accidents and injuries are inherent with sports participation. Proper preparation on the part of the Department of Athletics will enable each emergency situation to be managed appropriately.

EMERGENCY ACTION PLAN PERSONNEL:

The first responder to an emergency is typically a member of the athletic training, coaching, strength, or physician staff. Certification in cardiopulmonary resuscitation (CPR), automated external defibrillation (AED), first-aid, prevention of disease transmission and emergency action plan review is recommended for all Department of Athletics personnel associated with practices, competitions, skills instruction, and strength and conditioning. Certification in CPR, AED, and First-Aid use, along with emergency action plan review, is required for the sports medicine staff, strength and conditioning staff and athletic training students.

In accordance with NCAA Bylaw 17.1.6, a member of the sports medicine staff with CPR, AED and First-Aid training will be present for all physical countable athletically related activities (CARA). In addition, and in accordance with NCAA Bylaw 13.11.3.8.2, any physical voluntary/discretionary activity must have an athletics staff member with appropriate CPR, AED, and First-Aid training present. Any member of the sports medicine staff, present and covering any physical athletic event (lifting, conditioning, practice, game, etc.) is "empowered" to have unchallengeable authority to cancel or modify a workout for health and safety reasons (i.e., environmental changes), as he or she deems appropriate (NCAA Sports Medicine Guideline 1D; NCAA Bylaws 13.11.3.7.4/13.11.3.8.2)

BASIC EMERGENCY RESPONSE TEAM:

1. *Certified Athletic Trainer*
2. *Team Physician, Fellow/Resident Physician*
3. *Emergency Medical Technician*
4. *Other Medical Personnel*
5. *Strength and Conditioning Coach*
6. *Coaching Staffs*

BASIC ROLES OF THE EMERGENCY RESPONSE TEAM:

Immediate Care of the Athlete:

The most qualified individual on the scene should provide or direct acute care. Individuals with lower credentials should yield to those with more appropriate training.

Life Threatening: Certified Athletic Trainer; EMS Personnel; Team Medical Physician; Team Fellow/Resident Physician; Other Medical Personnel; Coaching Staffs

Orthopedic: Certified Athletic Trainer; Team Orthopedic Physician; Team Medical Physician; Team Fellow/Resident Physician; Other Medical Personnel; Coaching Staffs

Medical: Certified Athletic Trainer; Team Medical Physician; Team Orthopedic Physician; Team Fellow/Resident Physician; Other Medical Personnel; Coaching Staffs

EMS Activation:

Activation should be expedited as the situation is deemed an emergency or a life-threatening event. The EMS system can be activated by anyone. However, the person chosen for this duty should be calm under pressure and communicates well over the telephone. This person should also be familiar with the location of the injured person and the facility.

Equipment Retrieval:

This is assigned to a person who is familiar with the type and location of the specific emergency equipment needed.

Directing EMS to the Scene:

One person should be responsible for meeting emergency medical personnel as they arrive at the facility. This person should have keys to any locked gates or doors and should know the fastest access to the emergency scene.

Emergency Communication:

Access to a working telephone, fixed or mobile, should be available during any team workout. The communications system should be checked prior to each practice or competition to ensure proper working order. A backup communication plan should be in effect should there be failure of the primary communication system. The most common method of communication is a cellular phone. At any athletic venue, home or away, it is important to know the location of a workable telephone. Prearranged access to the phone should be established.

On Campus

Option 1: Blue Help Phone – direct communication to Public Safety Dispatch

Option 2: University Landline – dial 6-111 or 911 for direct communication to Public Safety Dispatch

Option 3: Cell Phone – dial 513-556-1111 or 911 for direct communication to Public Safety Dispatch

Home Football Games: Direct Communication to EMS via two-way communications radio

Off Campus

Option 1: Landline – dial 911 for direct communication to local emergency dispatch.

Option 2: Cell Phone – dial 911 for direct communication to local emergency dispatch.

EMERGENCY EQUIPMENT:

All necessary emergency equipment should be at the site and quickly accessible. Personnel should be familiar with the function and operation of the emergency equipment on site. The equipment should be in good operating condition and checked on a regular basis. Equipment will be appropriate for the sport and venue.

Equipment should include, but is not limited to:

- AED
- Oxygen Tank
- Suction Device
- Splint Bag
- Spine Board/Full Body Vacuum Splint
- Crutches/Wheelchair
- Trauma Bag
 - Bag Valve Mask (BVM)
 - Advanced Airway Tools
 - Cervical Collar
 - First-Aid/Bleeding Control Supplies
 - IV Therapy Supplies
 - Glucometer Kit
 - Blood Pressure Cuff/Stethoscope
 - Pulse Oximeter

TRANSPORTATION

For events occurring on the campus of the University of Cincinnati, a UC Health Air Care and Mobile Care EMS Squad and personnel (or equivalent) will be designated to the field/court for intercollegiate sporting events. Advanced Life Support equipment and trained personnel are available with the unit. On-site EMS will be coordinated and scheduled through the Department of Athletics, Facilities and Operation Staff. EMS squads should have rapid access to the site and a clear route for entering/exiting.

For Events or practices occurring off campus or for which an EMS unit is not designated, the 911 Emergency Dispatcher will determine the appropriate transport company (fire department, ambulance service, etc.) for the location.

In an emergency, determining transportation decisions is the responsibility of the highest-level trained person on the scene. Department of Athletics staff will not transport injured persons in inappropriate vehicles (personal). Care is taken to ensure that the activity areas are supervised should the emergency care provider leave the site transporting the injured person.

MEDIA, CROWD, AND FAMILY MEMBERS MANAGEMENT:

Event operations personnel and/or coaching personnel will maintain spectators at a distance that will allow emergency medical personnel access to the patient. Sports Communications personnel will move the media to an appropriate site until a statement is available. A member of the coaching staff will escort family members to a secluded area and/or the hospital.

HOSPITAL:

University of Cincinnati Medical Center:

All home athletic venues are located on, or within a 30-minute drive of the University of Cincinnati Campus. Therefore, the designated hospital for all UC Athletic practices and events is the University of Cincinnati Medical Center. All emergency transportation should report to the Level 1 Trauma Emergency Department located at:

3199 Highland Ave., Cincinnati, OH 45219 (513) 584-1000

Hospital Directions

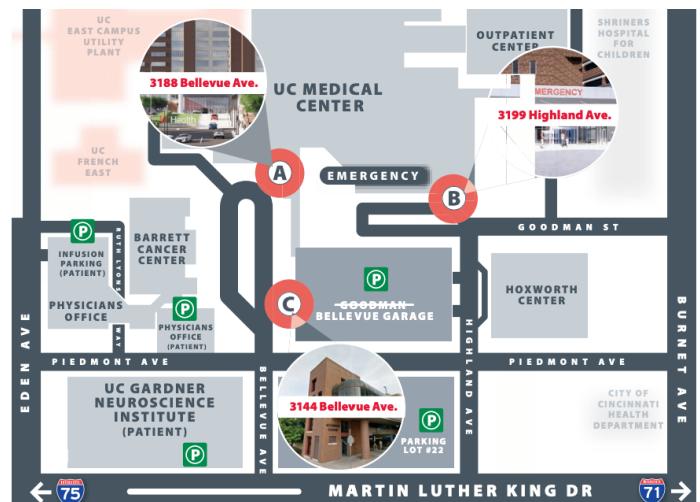

From the Richard E. Lindner Center Varsity Village Parking Garage, head West towards Corry Blvd. At the traffic circle, take the 4th exit onto Corry Blvd. Follow past Gettler Stadium and the Baseball Stadium to turn left onto Jefferson Ave. Continue on Jefferson Ave. to Martin Luther King Dr. and take a right. Follow Martin Luther King Dr. to Highland Ave. and turn left. Follow Highland Ave. to the Emergency Department entrance on the left.

UC HEALTH CLIFTON CAMPUS

Address Changes

Effective September 19, 2022

- A** UC Medical Center Primary Business Address & Main Entrance: **3188 Bellevue Ave.**
- B** New Emergency Department Entrance: **3199 Highland Ave.** (was 234 Goodman St.)
- C** Goodman Garage will change to Bellevue Garage: **3144 Highland Ave.** (was 301 Goodman St.)

UNIVERSITY OF CINCINNATI EMERGENCY OPERATIONS PLAN:

The University has a basic emergency operation plan regarding emergency management during an emergency or disaster situation. In addition, the University has emergency preparedness plans that address a wide range of hazards that may affect the university community. The full list of plans can be viewed on the following site.

<https://www.uc.edu/about/publicsafety/emergencymanagement/emergency-plans.html>

CONCLUSION:

The importance of being properly prepared when athletic emergencies arise cannot be stressed enough. An injured person's survival may hinge on the training and preparedness of Department of Athletic personnel. The Emergency Action Plans are reviewed at least once per year with all athletic personnel. Through development and implementation of the Emergency Action Plan, the Department of Athletics ensures that student-athletes will have the best possible emergency care.

INCLEMENT WEATHER POLICY

LIGHTNING

1. The University of Cincinnati, Department of Athletics prohibits outdoor sports participation with lightning occurring within an 8-mile radius. The following options are used to determine participation:
 - a. University Notification System (via text message)
 - b. RadarScope or NOAA Radar cell phone application
 - c. On-Field Lightning Detector
 - d. Flash to Bang
 - i. Count the number of seconds between the flash and noise; divide by 5. This will provide the approximate mileage away lightning is located from the area.
2. If a severe weather watch or warning is issued, you should not be outdoors.
3. If a warning is issued, immediately evacuate all personnel to a safe structure. If on-campus, use Fifth Third Arena, Richard E. Lindner Center, the UC Baseball Stadium, or the nearest stationery and covered building. If off-campus, identify a safe structure to move your team/athletes to.
4. Remain in those structures until the authorities have issued a statement that it is safe to resume outdoor activities.
 - a. Return to activity will be collaborated between Facilities, Sports Medicine, and officials (when applicable).
 - b. Lightning experts and the NCAA recommend waiting 30 minutes after the last strike.

TORNADO/HIGH WIND

1. If a watch is issued, the media will issue instructions from the National Weather Service Center. Be aware that there can be a sudden change without advance warning. Outside activity must be cancelled during a tornado watch.
2. If a warning is issued, immediately evacuate all personnel to a safe structure. Go to an inside room away from doors and windows. If on campus, use the lower levels of Fifth Third Arena, Richard E. Lindner Center, or the UC Baseball Stadium. If off campus, identify a safe structure to move your team/athletes to.
3. Remain in those structures until the authorities have issued a statement that it is safe to resume outdoor activities.

SNOW EMERGENCY

The University of Cincinnati, Department of Athletics is exempt from announcements of campus closings, unless specifically decided and indicated from the University President, Athletic Director and/or their designee(s). Cancellation of athletic events is the determination of the University President, Athletic Director and/or their designee(s). All meetings, practices, and conditioning sessions are recommended to follow the campus announcement for University Closure. However, a team may conduct such meetings, practices, and conditionings sessions at the coach and student-athlete's discretion. No coach, staff member, or student athlete may be mandated to report and may not be punished for not attending.

In the event of a Level 3 – Snow Emergency through the City of Cincinnati and/or Hamilton County, all athletics events should be postponed or cancelled until the Snow Emergency level is decreased or eliminated.

University of Cincinnati Snow Emergency Policy and Procedures can be found at:

<https://www.uc.edu/about/publicsafety/emergencymanagement/emergency-plans/winter-weather-closure-policy.html>

COLD STRESS/COLD EXPOSURE

In accordance with the NATA Position Statement on Environmental Cold Injuries and the NCAA Guideline 2b, the University of Cincinnati Department of Athletics Sports Medicine Team will reference the National Weather Service's Wind Chill Chart when considering Cold Stress/Cold Exposure. The following steps will be followed in attempts to decrease cold exposure and the consequences of cold stress/cold exposure:

1. Participants will be educated in prevention measures.
 - a. Dress in layers: wicking fabrics close to skin, wool layers for warmth and finally a wind blocking material to prevent wind chill.
2. Conditions in which the air temperature is ≤ 30 degrees Fahrenheit:
 - a. The UCSM Staff members will be aware of the potential for cold injury and notify appropriate personnel of the potential.
3. Conditions in which the air temperature is ≤ 25 degrees Fahrenheit:
 - a. A member of the UC Athletic Department will provide additional protective clothing to cover as much exposed skin as is practical.
 - b. Opportunities for re-warming will be made available.
4. Conditions in which the air temperature is ≤ 15 degrees Fahrenheit:
 - a. The on-site decision-making team (OSDM) will collaborate to modify activity to limit exposure or to allow more frequent opportunities to re-warm.
5. Conditions in which the air temperature is ≤ 0 degrees Fahrenheit:
 - a. The OSDM team will collaborate to consider terminating, relocating, or rescheduling activity.

HEAT STRESS/HEAT EXPOSURE

In accordance with the NATA's Position Statement of Exertional Heat Illness and the NCAA's Guideline 2c, the University of Cincinnati Department of Athletics Sports Medicine Team will follow the recommended practices of:

1. A pre-participation physical, and subsequent annual health appraisal is completed by UCSM prior to the start of conditioning sessions or any practice sessions.
 - a. A history of any heat-related illness or the presence of Sick Cell Trait will be documented and considered during any training session or competition.
2. Student-athletes will be gradually acclimated at the start of conditioning, practice, or other training sessions.
3. Frequent rest periods will be scheduled during periods of high heat/humidity.
4. Sling psychrometers will be utilized at intervals to identify the air temperature and the humidity, to help identify any modifications that may need to be made.
5. Access to hydration, shade, and cold-water immersion will be made readily available.
6. Pre- and post-practice student-athlete weights will be recorded during periods of high environmental stress. This will help identify progressive dehydration and loss of body fluids.
 - a. Those who lose $\geq 5\%$ of their body weight will be evaluated and may undergo activity modification until rehydration and weight gain has occurred.

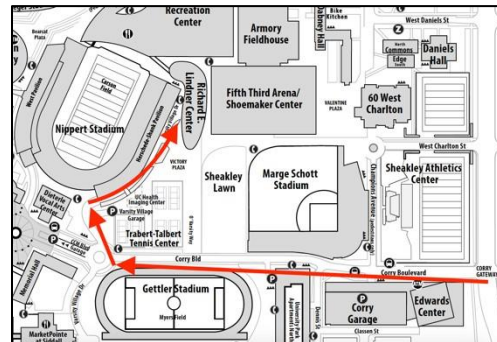

EMERGENCY ACTION PLAN: RICHARD E. LINDNER CENTER – FLOOR 1

ADDRESS: 2751 O'Varsity Way, Cincinnati, OH 45221

TEAMS: Practice Gym (Rm 188), Locker Rooms: Visiting Teams (Rm 238/239), Olympic Sports/Staffs, and Olympic Sports Equipment Room (Rm 160)

VENUE DIRECTIONS:

Located on the 1st floor of the Lindner Center is a practice gym as well as the Olympic sports locker rooms and equipment room. Emergency access to the facility is via the Richard E. Lindner Center 3rd floor. From Jefferson Ave., enter campus at West Corry Blvd. and continue past the Baseball Stadium/Gettler Stadium. At the traffic circle, take the first right and follow Varsity Village Drive, continuing towards the Lindner Center loading dock. Enter the Lindner Center at the 3rd floor. Take the elevators or stairs to the 1st floor. Follow the hallway to the right, and then take the hallway to left to the needed facility.

EMERGENCY PERSONNEL:

- Certified athletic trainer and other medical personnel: on-site for practices/competitions, or in Lindner Center Athletic Training Room
- Physician: on-call or on-site in Lindner Center Athletic Training Room
- EMS: on-call

EMERGENCY COMMUNICATION:

Blue Help Phone: Push Button: Stairway Y (South), Stairway V (Central)

Landline: Dial Emergency Medical Services (EMS) or UC Campus Safety: Practice Gym (Rm 188), Olympic Sports Equipment Room (Rm 160)

Cellular: Dial Emergency Medical Services (EMS) or UC Campus Safety

EMERGENCY PHONE NUMBERS

- Emergency Medical System (EMS): 9-1-1
- UC Campus Safety: 513-556-1111
- Lindner Center Main Athletic Training Room (suite 265): 513-556-4352
- Practice Gym (suite 188): 513-556-2594
- UC Hospital: 513-584-1000

IF UC SPORTS MED STAFF IS NOT ON-SITE, CALL EMS/UC CAMPUS SAFETY, THEN CALL THE MAIN ATHLETIC TRAINING ROOM

EMERGENCY EQUIPMENT:

AED, Trauma Kit, Suction Device and Oxygen tank available in Practice Gym

Other emergency equipment available in Practice Gym Storage or Lindner Center Main Athletic Training Room.

ROLE OF FIRST RESPONDERS:

1. Immediate care of the injured or ill personnel
2. Emergency equipment retrieval
3. Activation of emergency medical system (EMS): Activate Emergency Communication and provide name, address, telephone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as needed.
4. Designate individual to meet EMS on the 3rd Floor of Lindner Center
5. Scene Control: limit scene to first aid providers and move bystanders away from area.

INCLEMENT WEATHER "SAFE AREA":

Interior hallways of 1st floor

EVACUATION ROUTE TO LINDNER ATHLETIC TRAINING ROOM (Suite 265):

Follow hallway toward the Lindner Center; take the ramp down into the Lindner Center and take elevators or stairs to the 2nd floor. Follow the hallway on the left to the Athletic Training Room.

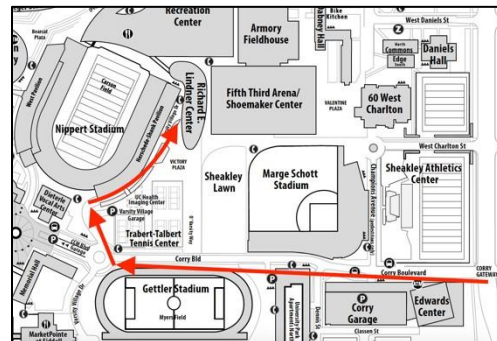

EMERGENCY ACTION PLAN: RICHARD E. LINDNER CENTER – FLOOR 2

ADDRESS: 2751 O'Varsity Way, Cincinnati, OH 45221

TEAMS: Athletic Training Room/NovaCare (Suite 265), Bob Goin Team Meeting Room (Suite 254), Staff Locker Room (Suite 200)

VENUE DIRECTIONS:

Located on the 2nd floor of the Lindner Center is the Athletic Training Room/NovaCare Clinic, Bob Goin Team Meeting Room, football position meeting rooms, and a staff locker room. Emergency access to the facility is via the Richard E. Lindner Center 3rd floor. From Jefferson Ave., enter campus at West Corry Blvd. and continue past the Baseball Stadium/Gettler Stadium. At the traffic circle, take the first right and follow Varsity Village Drive, continuing towards the Lindner Center loading dock. Enter the Lindner Center at the 3rd floor. Take the elevators or stairs to the 2nd floor and follow the hallway to the left.

EMERGENCY PERSONNEL:

- Certified athletic trainer and other medical personnel: on-site for practices/competitions, or in Lindner Center Athletic Training Room
- Physician: on-call or on-site in Lindner Center Athletic Training Room
- EMS: on-call

EMERGENCY COMMUNICATION:

Blue Help Phone: Push Button: Stairway V (Central)

Landline: Dial Emergency Medical Services (EMS) or UC Campus Safety: Athletic Training Room

Cellular: Dial Emergency Medical Services (EMS) or UC Campus Safety

EMERGENCY PHONE NUMBERS

- Emergency Medical System (EMS): 9-1-1
- UC Campus Safety: 513-556-1111
- Lindner Center Main Athletic Training Room (suite 265): 513-556-4352
- Practice Gym (suite 188): 513-556-2594
- UC Hospital: 513-584-1000

IF UC SPORTS MED STAFF IS NOT ON-SITE, CALL EMS/UC CAMPUS SAFETY, THEN CALL THE MAIN ATHLETIC TRAINING ROOM

EMERGENCY EQUIPMENT:

An AED, Trauma Kit, Suction Device and Oxygen tank are available in the Athletic Training Room (2nd Floor).

ROLE OF FIRST RESPONDERS:

1. Immediate care of the injured or ill personnel
2. Emergency equipment retrieval
3. Activation of emergency medical system (EMS): Activate Emergency Communication and provide name, address, telephone number, number of individuals injured, condition of injured, first-aid treatment, specific directions, other information as needed.
4. Designate individual to meet EMS on 3rd floor of Lindner Center
5. Scene Control: limit scene to first-aid providers and move bystanders away from area.

INCLEMENT WEATHER "SAFE AREA":

Interior hallways and locker rooms of 2nd floor.

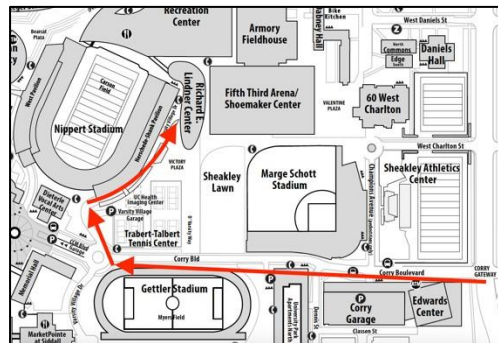

EMERGENCY ACTION PLAN: RICHARD E. LINDNER CENTER – FLOOR 3

ADDRESS: 2751 O'Varsity Way, Cincinnati, OH 45221

TEAMS: University Health Services

VENUE DIRECTIONS:

Located on the 3rd floor of the Lindner Center is University Health Services (UHS). Emergency access to the facility is via the Richard E. Lindner Center 3rd floor. From Jefferson Ave., enter campus at West Corry Blvd. and continue past the Baseball Stadium/Gettler Stadium. At the traffic circle, take the first right and follow Varsity Village Drive, continuing towards the Lindner Center loading dock. Enter the Lindner Center at the 3rd floor; UHS will be located straight ahead.

EMERGENCY PERSONNEL:

- Certified athletic trainer and other medical personnel: on-site in Lindner Center Athletic Training Room
- Physician: on-call or on-site in Lindner Center Athletic Training Room
- EMS: on-call

EMERGENCY COMMUNICATION:

Blue Help Phone: Push Button: Exterior East Concourse (Nippert Stadium)

Landline: Dial Emergency Medical Services (EMS) or UC Campus Safety: University Health Services

Cellular: Dial Emergency Medical Services (EMS) or UC Campus Safety

EMERGENCY PHONE NUMBERS

- Emergency Medical System (EMS): 9-1-1
- UC Campus Safety: 513-556-1111
- Lindner Center Main Athletic Training Room (suite 265): 513-556-4352
- Practice Gym (suite 188): 513-556-2594
- UC Hospital: 513-584-1000

IF UC SPORTS MED STAFF IS NOT ON-SITE, CALL EMS/UC CAMPUS SAFETY, THEN CALL THE MAIN ATHLETIC TRAINING ROOM

EMERGENCY EQUIPMENT:

AED, Trauma Kit, Suction Device and Oxygen tank available in Lindner Center Athletic Training Room (2nd Floor).

ROLE OF FIRST RESPONDERS:

1. Immediate care of the injured or ill personnel
2. Emergency equipment retrieval
3. Activation of emergency medical system (EMS): Activate Emergency Communication and provide name, address, telephone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as needed.
4. Designate individual to meet EMS on the 3rd Floor of Lindner Center
5. Scene Control: limit scene to first aid providers and move bystanders away from area.

INCLEMENT WEATHER "SAFE AREA":

Interior hallways and locker rooms of the 1st and 2nd floors.

EVACUATION ROUTE TO LINDNER ATHLETIC TRAINING ROOM (Suite 265):

Take stairs or central elevators to the 2nd floor, follow hallway to the left and continue to suite 265 on left.

EMERGENCY ACTION PLAN: RICHARD E. LINDNER CENTER – FLOOR 4

ADDRESS: 2751 O'Varsity Way, Cincinnati, OH 45221

TEAMS: Athletics Offices and Museum

VENUE DIRECTIONS:

Located on the 4th floor of the Lindner Center is the Athletics Museum, Jack Twyman Lounge, UCATS, Ticket Office and New Media Office. Emergency access to the facility is via the Richard E. Lindner Center 4th floor. From Jefferson Ave., enter campus at West Corry Blvd. and continue past the Baseball Stadium. Turn right onto O'Varsity Way, across from Gettler Stadium. Enter the Lindner Center on the 4th floor.

EMERGENCY PERSONNEL:

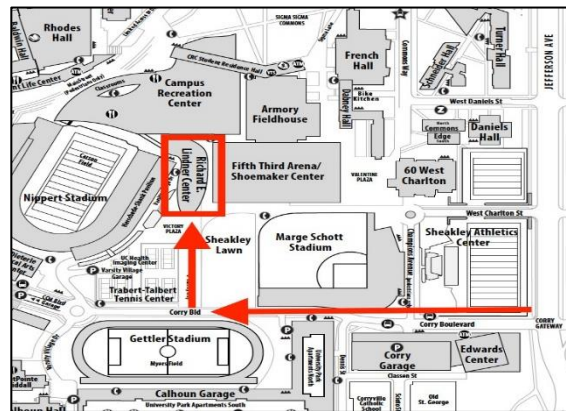

- Certified athletic trainer and other medical personnel: on-site in Lindner Center Athletic Training Room(2nd Floor).
- Physician: on-call or on-site in Lindner Center Athletic Training Room
- EMS: on-call

EMERGENCY COMMUNICATION:

Blue Help Phone: Push Button: Exterior Northeast Corner (Fifth Third Arena)

Landline: Dial Emergency Medical Services (EMS) or UC Campus Safety: Athletic Offices

Cellular: Dial Emergency Medical Services (EMS) or UC Campus Safety

EMERGENCY PHONE NUMBERS

- Emergency Medical System (EMS): 9-1-1
- UC Campus Safety: 513-556-1111
- Lindner Center Main Athletic Training Room (suite 265): 513-556-4352
- Practice Gym (suite 188): 513-556-2594
- UC Hospital: 513-584-1000

IF UC SPORTS MED STAFF IS NOT ON-SITE, CALL EMS/UC CAMPUS SAFETY, THEN CALL THE MAIN ATHLETIC TRAINING ROOM

EMERGENCY EQUIPMENT:

AED: Available on the 4th floor near the elevators

AED, Trauma Kit, Suction Device and Oxygen tank available in Lindner Center Athletic Training Room (2nd Floor).

ROLE OF FIRST RESPONDERS:

1. Immediate care of the injured or ill personnel
2. Emergency equipment retrieval
3. Activation of emergency medical system (EMS): Activate Emergency Communication and provide name, address, telephone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as needed.
4. Designate individual to meet EMS on the 3rd Floor of Lindner Center
5. Scene Control: limit scene to first aid providers and move bystanders away from area.

INCLEMENT WEATHER "SAFE AREA":

Interior hallways and locker rooms of the 1st and 2nd floors.

EVACUATION ROUTE TO LINDNER ATHLETIC TRAINING ROOM (Suite 265):

Take stairs or central elevators to the 2nd floor, follow hallway to the left and continue to suite 265 on left.

EMERGENCY ACTION PLAN: RICHARD E. LINDNER CENTER – FLOOR 5

ADDRESS: 2751 O'Varsity Way, Cincinnati, OH 45221

TEAMS: Academic Center – 570/580, Computer Labs – 565/574, Student-Athlete Development Academy – 560

VENUE DIRECTIONS:

Located on the 5th floor of the Lindner Center is the Academic Center, Computer Labs, and Student-Athlete Development Academy. Emergency access to the facility is via the Richard E. Lindner Center 4th floor. From Jefferson Ave., enter campus at West Corry Blvd. and continue past the Baseball Stadium. Turn right onto O'Varsity Way, across from Gettler Stadium. Enter the Lindner Center on the 4th floor and take the elevator or stairs to the 5th floor.

EMERGENCY PERSONNEL:

- Certified athletic trainer and other medical personnel: on-site in Lindner Center Athletic Training Room (2nd Floor).
- Physician: on-call or on-site in Lindner Center Athletic Training Room
- EMS: on-call

EMERGENCY COMMUNICATION:

Blue Help Phone: Push Button: Stairway U (East), all floors

Landline: Dial Emergency Medical Services (EMS) or UC Campus Safety: Department Offices

Cellular: Dial Emergency Medical Services (EMS) or UC Campus Safety

EMERGENCY PHONE NUMBERS

- Emergency Medical System (EMS): 9-1-1
- UC Campus Safety: 513-556-1111
- Lindner Center Main Athletic Training Room (suite 265): 513-556-4352
- Practice Gym (suite 188): 513-556-2594
- UC Hospital: 513-584-1000

IF UC SPORTS MED STAFF IS NOT ON-SITE, CALL EMS/UC CAMPUS SAFETY, THEN CALL THE MAIN ATHLETIC TRAINING ROOM

EMERGENCY EQUIPMENT:

AED: Available on the 5th floor (on the wall between men's and women's restrooms)

AED, Trauma Kit, Suction Device and Oxygen tank available in Lindner Center Athletic Training Room

ROLE OF FIRST RESPONDERS:

1. Immediate care of the injured or ill personnel
2. Emergency equipment retrieval
3. Activation of emergency medical system (EMS): Activate Emergency Communication and provide name, address, telephone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as needed.
4. Designate individual to meet EMS on the 3rd Floor of Lindner Center
5. Scene Control: limit scene to first aid providers and move bystanders away from area.

INCLEMENT WEATHER "SAFE AREA":

Interior hallways and locker rooms of the 1st and 2nd floors.

EVACUATION ROUTE TO LINDNER ATHLETIC TRAINING ROOM (Suite 265):

Take stairs or central elevators to the 2nd floor, follow hallway to the left and continue to suite 265 on left.

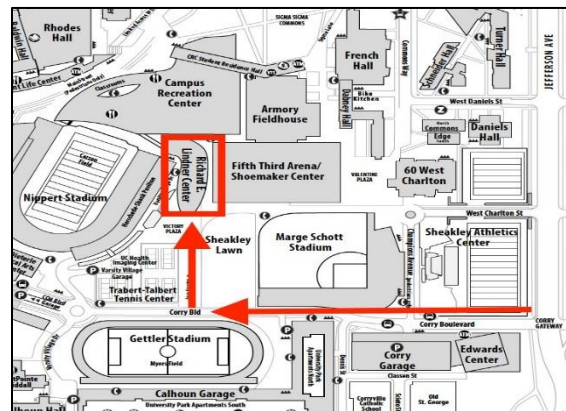

EMERGENCY ACTION PLAN: RICHARD E. LINDNER CENTER – FLOOR 6

ADDRESS: 2751 O'Varsity Way, Cincinnati, OH 45221

TEAMS: Department Offices (Men's Basketball – 680, Women's Basketball – 670, Men's and Women's Golf – 660, Swim and Dive – 662, Track and Field/Cross Country – 661, Volleyball – 664)

VENUE DIRECTIONS:

Located on the 6th floor of the Lindner Center are various department offices. Emergency access to the facility is via the Richard E. Lindner Center 4th floor. From Jefferson Ave., enter campus at West Corry Blvd. and continue past the Baseball Stadium. Turn right onto O'Varsity Way, across from Gettler Stadium. Enter the Lindner Center on the 4th floor and take the elevator or stairs to the 6th floor.

EMERGENCY PERSONNEL:

- Certified athletic trainer and other medical personnel: on-site in Lindner Center Athletic Training Room (2nd Floor).
- Physician: on-call or on-site in Lindner Center Athletic Training Room
- EMS: on-call

EMERGENCY COMMUNICATION:

Blue Help Phone: Push Button: Stairway U (East), all floors

Landline: Dial Emergency Medical Services (EMS) or UC Campus Safety: Department Offices

Cellular: Dial Emergency Medical Services (EMS) or UC Campus Safety

EMERGENCY PHONE NUMBERS

- Emergency Medical System (EMS): 9-1-1
- UC Campus Safety: 513-556-1111
- Lindner Center Main Athletic Training Room (suite 265): 513-556-4352
- Practice Gym (suite 188): 513-556-2594
- UC Hospital: 513-584-1000

IF UC SPORTS MED STAFF IS NOT ON-SITE, CALL EMS/UC CAMPUS SAFETY, THEN CALL THE MAIN ATHLETIC TRAINING ROOM

EMERGENCY EQUIPMENT:

AED: Available on the 6th floor (on the wall between men's and women's restrooms)

AED, Trauma Kit, Suction Device and Oxygen tank available in Lindner Center Athletic Training Room (2nd Floor).

ROLE OF FIRST RESPONDERS:

1. Immediate care of the injured or ill personnel
2. Emergency equipment retrieval
3. Activation of emergency medical system (EMS): Activate Emergency Communication and provide name, address, telephone number, number of individuals injured, condition of injured, first aid treatment, specific directions, other information as needed.
4. Designate individual to meet EMS on the 3rd Floor of Lindner Center
5. Scene Control: limit scene to first aid providers and move bystanders away from area.

INCLEMENT WEATHER "SAFE AREA":

Interior hallways and locker rooms of the 1st and 2nd floors.

EVACUATION ROUTE TO LINDNER ATHLETIC TRAINING ROOM (Suite 265):

Take stairs or central elevators to the 2nd floor, follow hallway to the left and continue to suite 265 on left.
