FIRST AND 10

1. At the end of the first quarter, Tulane University athletics will recognize the groundbreaking Green Wave football debuts of former athletes Charlie Hall, Charles Inniss, Robert Johnson and John Washington, as they became the first players in program history to break the color barrier.

2. The Green Wave's matchup with Cincinnati will mark the fourth nationally-ranked opponent Tulane has faced this season. Tulane has not played four nationally-ranked opponents in the same season since the 1971 campaign. The Green Wave's meeting with Cincinnati will mark the second No. 2-ranked team Tulane has faced this season (Oklahoma was the first).

3. Tulane comes into its matchup with Cincinnati featuring the nation's 33rd-best scoring offense, averaging 31.9 points per game. Tulane's scoring offense also ranks sixth in the American Athletic Conference.

4. Prior to the Green Wave's trip to ECU, Tulane announced its team captains for the remainder of the year. Linebacker Nick Anderson, offensive lineman Sincere Haynesworth, linebacker Kevin Henry, defensive lineman Jeffery Johnson, quarterback Michael Pratt and linebacker Dorian Williams were all voted as captains by their teammates.

7. Last week against SMU, Pratt tied a career high with three touchdowns against the Mustangs. Pratt has thrown for a touchdown pass in every college game he has played in since making his debut in 2020 (17 straight games). He currently has 36 career touchdown passes and has cracked into the program's all-time Top 10 in career touchdown passes (he is currently ranked ninth all-time).

8. The Green Wave have surpassed 200 yards rushing in 16 games dating back to the start of the 2019 season. Tulane led the American in rushing yards per game last year, averaging 217.1 per game.

9. Tulane has rushed for over 100 yards or more as a team in 69 of its last 72 games. Tulane had its 56-game streak of rushing for at least 100 yards as a team snapped at Houston back on Oct. 8, 2020.

10. Tulane's special teams rank seventh in the nation in net punting (44.6 yards per game).

6

Tulane football head coach Willie Fritz continued his model of success in Uptown in 2020, as he guided the Green Wave to a third straight bowl appearance for the first time in program history.

The Green Wave's appearance in the 2020 Famous Idaho Potato Bowl marked the 14th bowl appearance in the 127-year history of the program. Three of those bowl appearances have occurred under Fritz's watch. Fritz's three bowl appearances are the most by any Tulane football head coach.

Fritz also has helped Tulane re-establish its presence on the professional circuit, as 19 of his former Green Wave players have seen action in the National Football League since he stepped foot on campus in 2016. Eight of his former Tulane pupils have been selected in the NFL Draft.

The 2021 season marks Fritz's 29th year as a collegiate head coach and 25th leading a NCAA program at the Division I or Division II level. Under Fritz's watch, the Green Wave have established a renewed sense of enthusiasm and a winning culture for the Green Wave. Tulane also has posted a 5-0 record against teams from the state of Louisiana during his tenure.

During the 2020 regular season, Tulane overcame numerous off the field challenges as part of the COVID-19 pandemic. Despite the pandemic, Fritz guided his team into 12 games during the season. Tulane was one of just 15 teams nationally to play in 12 or more games during the 2020 campaign. In those 12 games, Tulane faced three nationally-ranked teams and in the process, the Green Wave picked up their first win over a Top 25 team in over 30 years, as they defeated 25th-ranked Army at home.

Tulane's victory over Army was one of four wins in its final five games that propelled the Green Wave to their third straight bowl appearance.

The Green Wave once again finished the year with a strong running game, as they averaged 217.1 yards per game - a figure that ranked led in the American Athletic Conference. Defensively, Tulane ranked among the nation's best in putting pressure on the quarterback, averaging 3.17 sacks per game which led the AAC and ranked 13th nationally.

Following the 2020 regular season, Tulane had eight student-athletes recognized by The American - the most since the Green Wave joined the league in 2014. Additionally, the eight all-conference players were the most since the Green Wave put 10 on the All-Conference USA team in 1997.

In April of 2021, Tulane had two players picked in the NFL Draft, as Cameron Sample and Patrick Johnson were selected by the Cincinnati Bengals (fourth round) and the Philadelphia Eagles (seventh round), respectively.

In 2019, Fritz led the Green Wave to the best start to a season in over 20 years and came within one spot of cracking the top 25 in both the Associated Press and USA Today Coaches Poll for the first time over 20 years. The Green Wave also established a strong home field advantage under Fritz's direction in 2019, as they posted a 5-1 record inside Yulman Stadium. Tulane's 5-1 mark at home was the team's best record at Yulman Stadium since the venue opened in 2014.

Tulane's 2019 unit also featured an impressive rushing attack, which ranked 13th in the country, averaging 249.8 yards per game. The Green Wave rushing attack finished the year with a program-best 3,162 yards. Tulane closed the year with 5,841 yards of total offense, which marked just fourth time in program history the Green Wave surpassed 5,000 yards of offense.

Tulane also finished the 2019 campaign by scoring 430 points for the season, averaging 33.1 points per game.

The Green Wave defensive unit also posted another impressive season, as they held eight of their 13 opponents under their season average in total yards and forced 16 turnovers.

Following the regular season, Tulane had four players receive All-American Athletic Conference honors for the third straight season, as Patrick Johnson, Corey Dublin, P.J. Hall and Thakarius Keyes were all honored by the league office.

Tulane's victory in the 2020 Lockheed Martin Armed Forces Bowl marked first time in program history that the Green Wave had won a bowl game in back-to-back seasons.

In April of 2020, Tulane continued its NFL Draft tradition, as the Green Wave had a pair of players selected for the second time in three years. Wide receiver Darnell Mooney and cornerback Keyes were taken in the fifth (Chicago Bears) and seventh rounds (Kansas City Chiefs), respectively. The selections of Mooney and Keyes on day three of the event marked the fourth consecutive year that a Tulane player was drafted.

Of Fritz's 222 wins, 86 have come on the NCAA Division I level (Football Bowl Subdivision and Football Championship Subdivision), and 164 of his wins have come at NCAA institutions.

In 2018, Fritz guided Tulane to its first bowl trip since 2013, a share of the American Athletic Conference title and just its sixth winning season in the last 37 years, while facing the second toughest schedule among teams from the conference.

Tulane closed the year with wins in five of its last six games to earn a share of the American Athletic Conference West Division crown and a bid to the 2018 AutoNation Cure Bowl where it would post a convincing win over in-state rival Louisiana-Lafayette to claim its fifth bowl victory in program history. Three of the Green Wave's losses in 2018 came by seven points or less.

Following the regular season, four Tulane players earned all-conference honors from The American, while eight players earned all-league recognition from Phil Steele College Football Magazine, including junior long snapper Geron Eatherly, who also earned fourth team all-America from the publication.

Under Fritz's watchful eye in 2018, Tulane's rushing attack was among the nation's best, ranking 23rd in the nation and fifth in The American, averaging 218.2 yards per game. The Green Wave rushing attack also proved to be an explosive unit, as they totaled 18 plays of 30 yards or more.

Tulane's defense also proved to be a force, as it ranked third in The American in total defense, but it was the Green Wave's ability to rush the quarterback that made the unit one of the best in the conference. In 2018, Tulane averaged just over three sacks per game (3.15), which led The American and ranked eighth nationally. Sophomore Patrick Johnson led the way for the Green Wave as he averaged nearly one sack a game (0.81), which ranked 12th in the FBS and second in The American.

The Green Wave continued their success in April of 2019, as cornerback Donnie Lewis Jr., was drafted in the seventh round by the Cleveland Browns.

The 2017 campaign saw Tulane finish the year with its highest win total since 2013 despite facing one of the nation's toughest schedules, as nine of its opponents earned invitations to bowl games. In addition, four of the Green Wave's losses came by six points or fewer.

The Green Wave earned three victories against bowl participants in 2017 while four players earned All-Conference honors. Among the players was former cornerback Parry Nickerson, who was named to the all-conference first team, and earned All-America honors from Sports Illustrated and SB Nation.

Under Fritz's direction, the 2017 squad featured an aggressive ground attack, which averaged 231.5 yards per game - a figure that ranked No. 20 nationally and fourth in The American - and an opportunistic defensive unit that recorded 19 turnovers.

The 2017 season also served as a milestone season for Fritz as he earned his 200th victory as a head coach and in the process became just the fourth active Football Bowl Subdivision head coach with 200 wins.

The program's success continued into April, as Fritz saw two of his players selected in the 2018 NFL Draft. Nickerson and defensive lineman Ade Aruna were both selected in the sixth round by the New York Jets and Minnesota

In his first season in the Crescent City, Fritz guided Tulane to a 4-8 record and earned his first AAC honors. In the spring of 2017, Smart was selected in the sixth round of the NFL Draft by the Los Angeles Rams.

Following the year, linebacker Nico Marley, defensive tackle Tanel Smart and Nickerson earned All-AAC honors. In the spring of 2017, Smart was selected in the sixth round of the NFL Draft by the Los Angeles Rams.

The Shawnee Mission, Kansas, native was named the Green Wave's 40th head coach by director of athletics Troy Dannen on Dec. 15, 2015. At that time, he brought 33 years of collegiate experience as a football student-athlete or coach to Tulane, having led teams to six combined conference championships (one at every level he had coached) and two bowl appearances. He was twice named the national coach of the year, including the American Football Coaches Association FCS Coach of the Year in 2011 and the Liberty Mutual FCS Coach of the Year in 2012.

Fritz came to New Orleans from Georgia Southern where he spent two seasons and led the Eagles to a combined record of 17-7, a 2014 Sun Belt Conference title and the school's first-ever NCAA postseason bowl game with their berth in the 2015 GoDaddy.com Bowl. Georgia Southern concluded the 2015 regular season with an 8-4 overall record including a mark of 6-2 in conference play.

Fritz led the Eagles to a 9-3 overall record and a perfect mark of 8-0 in conference play during his first season at Georgia Southern in 2014, and was named the Sun Belt Conference Coach of the Year. However, the school's waiver claim to allow Georgia Southern to play in a bowl despite being in the second year of the NCAA's transition period was denied. Georgia Southern was the first team in NCAA history to post an undefeated conference season in its first season at the Division I FBS level.

Prior to Georgia Southern, Fritz served as head coach at Sam Houston State from 2010-13 where he led the Bearkats to back-to-back Southland Conference titles, NCAA Division I Championship game appearances in 2011 and 2012 and a third straight NCAA playoff berth in 2013.

Honored as the American Football Coaches Association Regional Coach of the Year in 2011 and 2012, Fritz was selected by the media and his peers in the Southland Conference as the league's Coach of the Year in 2011 after his team went a perfect 7-0 in conference play.

In 2011 and 2012, Sam Houston State posted the two highest single-season win totals in program history with marks of 14-1 (2011) and 11-4 (2012) and Bearkat players were showered with accolades. More than 50 earned All-Southland Conference honors under Fritz in his last four years, not including additional Player of the Year, Offensive Player of the Year, Defensive Player of the Year and Newcomer of the Year awards. All-America status from national coaching and media outlets were bestowed on 11 Sam Houston State players during his tenure.

Prior to his head coaching tenure at Sam Houston State, Fritz revitalized Central Missouri and guided the Mules to 11 winning seasons in 13 years. The NCAA Division II program's ledger included two 10-win seasons with the 2001 Mule squad earning its first postseason trip in more than 30 years.

In 2002, Central Missouri made its first-ever appearance in the NCAA Division II playoffs and was the Mid-America Athletic Association (MIAA) co-champion a year later. A 97-47 mark in 13 seasons ranks Fritz as the winningest coach in the program's history. He was the only coach to ever win seven or more

games in eight consecutive seasons, and his victory total ranked him 15th among active Division II coaches at the time. In addition to his impressive 67.4 winning percentage with the Mules, Fritz coached his student-athletes to achieve their potential on the field and in the classroom. More than 150 Mules were recognized with All-MIAA honors with 41 first-team selections and 24 All-Americans.

Under Fritz, Central Missouri recorded a graduation rate of 84 percent with 144 MIAA Commissioner's Academic Honor Roll recipients, 14 Academic All-Region and three Academic All-Americans. For all of his accomplishments guiding Central Missouri, Fritz was honored by the school with induction into its Athletics Hall of Fame on Feb. 11, 2017.

Prior to his time at Central Missouri and Sam Houston State as a head coach, Fritz spent two different stints as an assistant coach with the Bearkats. He first served as a graduate assistant during the 1984 and 1985 seasons when he earned a master's degree in kinesiology. During that two-year stretch, Sam Houston State posted a 16-6 record and won the 1985 Gulf Star Conference championship. He returned to Sam Houston State a second time in 1991 after spending four years at Coffeyville Community College in Kansas under legendary coach Dick Foster, earning a promotion to defensive coordinator after one year. He stayed another two years to work for Coach Foster's Skip and the Red Ravens. During the 1990 season, Fritz served as the defensive coordinator where he helped guide the Red Ravens to a national title.

When Fritz was brought back to Sam Houston State in 1991 under Ron Randleman as secondary and special teams coach, he instilled an attitude of excellence on special teams that would last more than a decade. The Bearkats' "block party" racked up 80 blocked punts, field goals and extra points beginning with Fritz in 1991 and lasting through 2004.

In Fritz's first year as a full-time assistant coach at Sam Houston State in 1991, the Bearkats won the Southland Conference. That league title and an eight-win season launched Sam Houston State to the program's second-ever appearance in the NCAA Division I Football Championship.

Fritz departed Huntsville for a second time prior to the 1993 season for an opportunity to be the head coach at Blinn College, where he would turn around a program that had only five wins in its previous three seasons.

From 1993-96, Fritz and the Buccaneers would rack up 39 victories against only five losses with a tie and claim two national junior college championships. He was inducted into the NJCAA Football Hall of Fame for the environment of success he created at Blinn.

One of seven children, Fritz is the son of the late Harry Fritz, who coached the Central Missouri football team in 1952 before continuing his career as the Executive Director at the National Association of Intercollegiate Athletics (NAIA) in Kansas City. The elder Fritz also served at several colleges and universities in administration as an athletics director.

Fritz played on two conference title teams and was a four-year starter at defensive back for Randleman at Pittsburg State and remained at his alma mater as a student assistant coach in 1982. Early coaching stops included a year at Shawnee Mission Northwest (Kansas) High School in 1983 and Willis (Texas) High School in 1986, with his return to Sam Houston State for graduate school in between those years.

Fritz and his wife Susan have three children, a son and two daughters. Their son Wesley, who was married in the summer of 2019 to his wife Rebecca, is a member of the Tulane football staff and serves as the Director of Player Personnel. The couple's daughter Lainie is an elementary school teacher and sports broadcaster while their youngest daughter Brooke is a CPA for Deloitte in Houston, Texas.

GREEN WAVE GAMEDAY

TULANE FOOTBALL GOES DOWN UPTOWN AT YULMAN STADIUM

Yulman Stadium, the crown jewel of the university's athletics complex, opened its gates for the first time in front of a capacity crowd on September 6, 2014, against Georgia Tech. Yulman Stadium marked the beginning of a renaissance of Tulane Athletics, which saw Green Wave football return to campus for the first time in nearly 40 years.

Tulane's new home field advantage came from the generosity of three couples in particular: Richard Yulman and his late wife Janet; Gayle and the late Tom Benson; and Jill and Avie Glazer.

Richard Yulman, the retired chairman and owner of mattress manufacturing giant Serta International, donated \$15 million toward construction of this \$73 million facility. Yulman Stadium is named in honor of Richard, Janet and the Yulman family.

The late New Orleans Saints owner Tom Benson and his wife Gayle, a member of the Board of Tulane, donated \$7.5 million to Yulman Stadium. Benson Field, which hosts the games of Yulman Stadium, is named in their honor.

Jill and Avie Glazer supported the stadium with a multi-million dollar gift. The Jill H. and Avram A. Glazer Family Club, the premium space in which to experience games at Yulman Stadium, is named in their honor.

Construction of Yulman Stadium began in January 2013. Gould Evans and Associates and Lee Ledbetter & Associates served as the project architects, while Woodward Design + Build LLC was the contractor.

Tulane football has been a part of the fabric of New Orleans since the Green Wave played their first season back in 1893. Generations experienced college football at the old Tulane Stadium from 1926-74.

It is not hard to find a story about someone's experience at old Tulane Stadium. Boy Scouts selling programs, a record crowd of 86,598 watching the Green Wave defeat LSU in 1973, the annual Sugar Bowl and early Saints football are all part of the story of Tulane Stadium.

Now in its fifth year, a new chapter continues to be written in a new home by a new (and old) generation of Green Wave fans.

Game 1 • Tulane 35, Oklahoma 40

Gaylord Family - Oklahoma Memorial Stadium • Norman, Okla.

Sept. 4, 2021 • 42,206 Attendance

NORMAN, Oklahoma – Freshman quarterback Michael Pratt threw for a career-high 296 yards, but it was not enough, as the Tulane University football dropped a hard-fought 40-35 decision against the No. 2-ranked Oklahoma Sooners.

The Green Wave's 35-point effort were the most points Tulane has posted against a Top 5 team in program history. Tulane's matchup with Oklahoma marked the 39th Top 5 opponent the Green Wave have faced in program history.

Pratt finished the game with a career-high three touchdown passes and added one rushing touchdown. The freshman signal caller has now thrown for multiple touchdown passes in nine career games.

Oklahoma drove 84 yards for a touchdown on their first drive of the second quarter. With a pair of field goals and another touchdown pass by Rattler the Sooners added 23 unanswered points and went up 37-14 going into the locker room at half.

The only touchdown of the third quarter came on a 11-play, 42-yard drive by the Green Wave.

As a team, Tulane held Oklahoma to just 118 yards of total offense and forced the Sooners into one turnover in the second half.

The special teams gave Tulane a chance with less than two and a half minutes to go in the game, as it executed a successful onside kick, but Tulane was unable to convert on downs leaving Norman after a hard fought 40-35 loss.

Game 2 • Tulane 69, Morgan State 20

Legion Field Stadium • Birmingham, Alabama

Sept. 11, 2021 • 2,100 Attendance

BIRMINGHAM, Alabama – The Tulane University football team posted a convincing 69-20 victory over Morgan State Saturday afternoon inside Legion Field Stadium to pick up its first win of the season.

The Green Wave showed no signs of a letdown after a hard-fought setback the previous week at second-ranked Oklahoma. Tulane dominated the Bears in nearly every aspect of the game, as it held a 584-228 advantage in total offense. The Green Wave also held a 294-44 advantage in rushing yards.

The 69 points are the most Tulane has scored in a single game during the Willie Fritz era. The 69-point output also marks the fourth time since 2016 that the Green Wave have scored 60-or-more points.

True freshman Iverson Celestine paced the Green Wave with 77 yards rushing. Freshman Justin Ibieta led Tulane with 166 yards passing. He also threw for a pair of scores and ran for another.

Quarterback Michael Pratt started the game and passed for 124 yards and a pair of touchdowns. He also ran for a score. Pratt left the game midway through the second quarter after the Green Wave held a convincing 38-0 lead.

Defensively for the Green Wave junior linebacker Nick Anderson led the way with five tackles. True freshman Keith Cooper also chipped in with a pair of sacks.

DALLAS – Tulane University quarterback Michael Pratt threw for 234 yards and tied a career high with three touchdowns, but it was not enough, as the Green Wave suffered a 55-26 setback at Gerald Ford Stadium.

With the loss, Tulane suffered its seventh straight loss to the Mustangs. The loss also served as the Green Wave's fifth straight this season, marking the first time Tulane has suffered five straight losses since the 2016 campaign.

As a team, Tulane was outgained 612-428. The Green Wave won the rushing battle, as they totaled 194 yards on the ground. Tulane's 194 rushing output was the Green Wave's second-highest total on the ground this season and its highest league play this year.

Redshirt freshman Tyjae Spears led the way for the Green Wave with a season-high 85 yards rushing. He also found the endzone for his team-best third rushing touchdown of the season.

Tulane's air attack also proved to be effective, as Pratt completed passes to eight different receivers. Junior Shae Wyatt led the team for the second straight week in receptions, as he hauled in four catches for 42 yards. Redshirt sophomore Jha'Quan Jackson also chipped in offensively with a career-high 93 yards receiving.

Defensively for Tulane, senior JoJo Dorceus tallied a sack. He became just the second player all season to sack SMU quarterback Tanner Mordecai. In addition, linebacker Nick Anderson returned to the lineup for the first time since Tulane's trip to Ole Miss and recorded a team-best 11 tackles.
