The 2010 Cincinnati Lacrosse Media Guide  
was published by the Cincinnati Sports  
Communications office with the intent to serve all  
media and followers of Bearcats lacrosse.

Cincinnati's Sports Communications staff would  
like to extend its thanks to all BIG EAST and  
opponent sports information offices, and all  
members of past sports information staffs that  
have assisted in compiling information that is  
integral to the production of this guide.

Any corrections or additions are welcome and  
should be directed to Lara Thornton at

# UNIVERSITY OF CINCINNATI

The University of Cincinnati traces its origins to 1819, the year in which Cincinnati College and the Medical College of Ohio were chartered. In 1870, the City of Cincinnati established the University of Cincinnati, which later absorbed the earlier institutions. In 1906, the University of Cincinnati created the first cooperative education program in the United States through its College of Engineering. For many years, the University was the second-oldest and second-largest municipal university in the country. In 1968, UC became a "municipally sponsored, state affiliated" institution, entering a transitional period culminating on July 1, 1977 when UC became one of Ohio's state universities. The University of Cincinnati is classified as a Research Extensive University by the Carnegie Commission, and is ranked as one of America's Top 25 public research universities.

## ACADEMIC EXCELLENCE

At the University of Cincinnati, excellence is a hallmark of the academic programs. U.S. News and World Report ranks 12 UC programs among the Top 10 in the country, while another 26 programs are listed among the Top 50 in the nation.

*Money Magazine's Elite Values in Higher Education, Kaplan's Unofficial, Unbiased Insider's Guide to the 320 Most Interesting Colleges, Octameron's College Match: A Blueprint for Choosing the Best School for You and Yahoo's Internet Life* have all ranked the University of Cincinnati's programs among the best in the nation.

Undergraduate students in any college may apply to the University Honors Scholars Program. If selected as an Honors student, the rewards for being an outstanding student include smaller classes, honors housing, special advising, and scholarships worth up to \$60,000 over four years.

UC's cornerstone scholarship program is Cincinnatus, which awards more than 1,400 scholarships totaling over \$11 million.

## CINCINNATI FIRSTS

UC has been the source of many contributions to society, including:

- the first electric organ
- the first oral polio vaccine
- the first observations of the National Weather Service
- the first safe anti-knock gasoline
- the first antihistamine
- the first use of lasers to remove brain tumors
- the first bachelor's degree program in nursing and first emergency medicine residency program
- the first degree program offered via satellite

## CINCINNATI SPORTS FIRSTS

- Cincinnati hosted one of the first night football games in the United States in 1923.
- George Smith, captain of the 1934 football team, wore a device to protect a facial injury, a fore-runner of the facemask.
- In 1961, Hank Hartong became college football's first soccer-style kicker.
- UC was the first school to make five consecutive appearances in the men's basketball Final Four, 1959-63.

Olympic Gold Medalist

## A LOOK AT THE UNIVERSITY

- In fiscal year 2006, UC earned more than \$332 million in grants and contracts. Research funding has quadrupled in the past 20 years, and the University's National Science Foundation ranking has climbed from a placement of 76th to 45th in the nation.
- UC's annual endowment is \$1.185 billion, ranking 54th in the U.S. and 17th among public institutions.
- UC offers 98 doctoral degree programs, 170 master's degree programs, 167 bachelor's degree programs, and 139 associate degree programs.
- The Carnegie Commission has designated UC as a Research Extensive University.
- The University of Cincinnati has an economic impact of over \$2 billion annually on the state's economy.
- The University of Cincinnati is the home of cooperative education. The first co-op program in America was offered at UC in 1906, and UC's co-op program is now the second largest in the country.
- The University of Cincinnati is the Greater Cincinnati area's second-largest employer with 9,000 employees and ranks seventh in the state of Ohio.
- UC's library system contains over three million books and subscriptions to 39,787 periodicals — ranking it among the top research libraries in the country.

## UNIVERSITY OF CINCINNATI NATIONAL RANKINGS

### National Science Foundation

Research and Development Rank: 45th

### Design Intelligence

For nine straight years, professionals across the nation have ranked UC's interior design program as the nation's best. UC's undergraduate architecture program is ranked No. 2 in the United States

## Mission Statement

*The University of Cincinnati is a public comprehensive system of learning and research. The excellent faculty have distinguished themselves world wide for their creative pedagogy and research especially in problem solving and the application of their discoveries. The University system is designed to serve a diverse student body with a broad range of interests and goals. It is a place of opportunity. In support of this mission, the University of Cincinnati strives to provide the highest quality learning environment, world renowned scholarship, innovation and community service, and to serve as a place where freedom of intellectual interchange flourishes.*

# ALL-AMERICAN CITY

The City of Cincinnati provides the perfect complement to the UC educational experience.

Cincinnati and the surrounding area provides recreational and leisure time activities to meet about every interest — from rock climbing, canoeing and camping for outdoor enthusiasts to theatre and arts for the culturally inclined.

Cincinnati is truly a major league city. Fans flock to the waterfront to attend games and events at a pair of new venues — the Bengals' Paul Brown Stadium, opened in 2001, and the Reds' Great American Ballpark, opened in 2003.

The variety of museums and galleries, fine dining, festivals and events, attractions and sports, parks, recreation facilities, and shopping are the reasons millions visit the Queen City year after year.

Kings Island theme park and the world-renowned Cincinnati Zoo are just two major attractions that are on the list of "must see" items on any trip to Greater Cincinnati.

Numerous concert facilities attract big-name entertainers and acts to the Cincinnati area. The Ohio River offers a variety of scenic views and entertainment options.

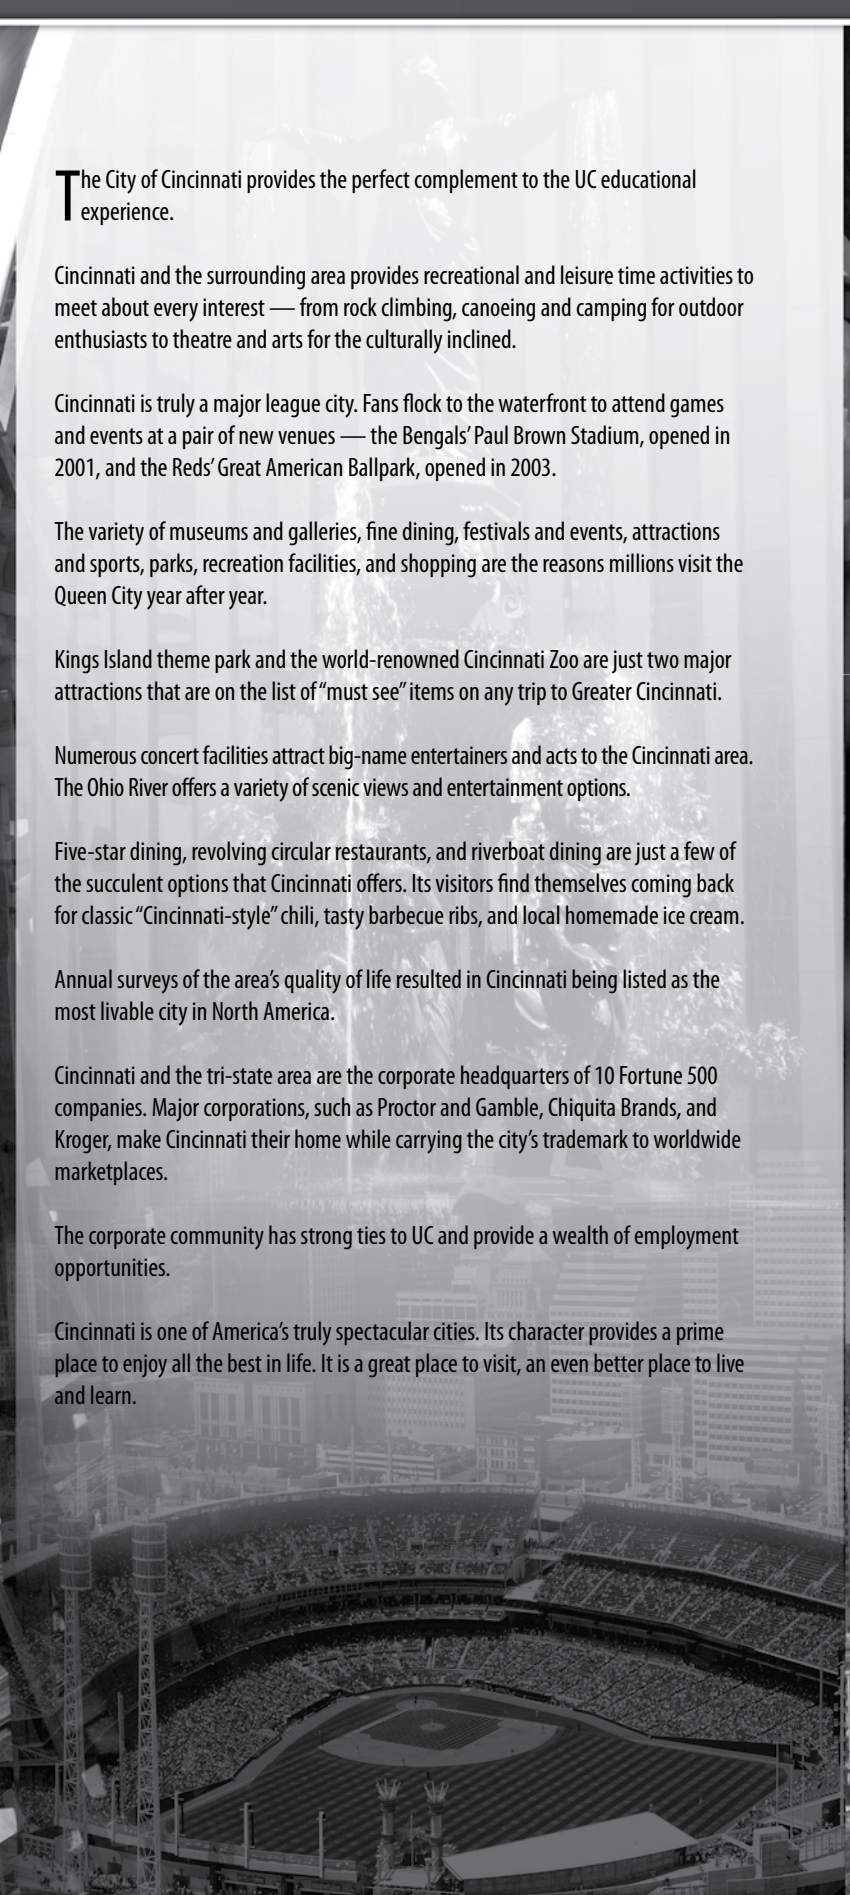

Five-star dining, revolving circular restaurants, and riverboat dining are just a few of the succulent options that Cincinnati offers. Its visitors find themselves coming back for classic "Cincinnati-style" chili, tasty barbecue ribs, and local homemade ice cream.

Annual surveys of the area's quality of life resulted in Cincinnati being listed as the most livable city in North America.

Cincinnati and the tri-state area are the corporate headquarters of 10 Fortune 500 companies. Major corporations, such as Procter and Gamble, Chiquita Brands, and Kroger, make Cincinnati their home while carrying the city's trademark to worldwide marketplaces.

The corporate community has strong ties to UC and provide a wealth of employment opportunities.

Cincinnati is one of America's truly spectacular cities. Its character provides a prime place to enjoy all the best in life. It is a great place to visit, an even better place to live and learn.

**Duke Energy Center**

WELCOME UNIVERSITY OF CINCINNATI

# CINCINNATI at a Glance

Cincinnati is ranked in the Top 10 by *Fortune Magazine* as a great place to live and work due to its variety of cultural, recreational, entertainment and sports activities, its excellent and affordable housing and its low crime rate.

*Esquire Magazine* ranked Cincinnati No. 7 on its list of "Cities that Rock."

Cincinnati's Fine Arts Fund, the oldest in the nation, ranks among the top three in the U.S. for total dollars raised by a united arts campaign.

Over 100 museums and galleries are located in the Greater Cincinnati area.

Cincinnati's over 20,000 acres of city and county parks give it one of the largest park systems (per capita) of major U.S. cities.

Cincinnati's list of festivals and events include Oktoberfest-Zinzinnati (the world's second-largest next to the original in Munich), the internationally famous Tall Stacks reunion of historic riverboats, the Cincinnati Flower Show, Riverfest, Kidsfest, A Taste of Cincinnati, and the Black Family Reunion.

The Cincinnati Public Library along with the Hamilton County Library combine for the third largest total circulation in the U.S.

# RICHARD E. LINDNER VARSITY VILLAGE

The future arrived for the University of Cincinnati athletics program in May, 2006 with the completion of the Richard E. Lindner Varsity Village.

The extensive renovation and upgrade of all of UC's athletics facilities, and the construction of some new venues, positions the Bearcats' sports programs to compete among the nation's best.

The term "village" aptly applies because the close proximal location and interconnection of the facilities provides ease of use and access to services for all of the sports teams and their student-athletes, similar to that of a small town.

There was nothing small about the vision for Varsity Village, a \$105 million project, over half of which was privately financed.

The centerpiece of the project was the construction of the Richard E. Lindner Center. Its purpose is to serve as the home for all of the sports programs as well as the centralized support services.

Located between Nippert Stadium and Fifth Third Arena, the Lindner Center is a futuristic eight-story structure which houses offices, locker rooms, and reception and meeting space for each of the sport programs. The administrative services and support areas are also housed in the building.

The emphasis of the Lindner Center programming is on the student-athlete. One entire floor of the building is devoted to the Nancy Hamant Academics Center, which contains study facilities for UC's 560 student-athletes, including over 80 computer stations.

A new athletics training center, equipped with state-of-the-art diagnostic and treatment equipment, including three hydrotherapy pools, is included in the Lindner Center. The University Health Services for students has been relocated to the Lindner Center and provides expanded medical coverage conveniently located for UC student-athletes. An MRI diagnostic center is also part of the building, making UC the first school in the country to have one in its athletics facilities.

Space for strength and conditioning training in the adjacent Fifth Third Arena has been doubled to 18,000 square feet and has been furnished with the latest in weight training equipment. A new 12,000-square foot practice gymnasium will ease the scheduling of workouts and practices.

While the Lindner Center provides for the present and future of UC athletics, it also recognizes and celebrates UC's proud past. The ground level of the five-story atrium features the George and Helen Smith Museum detailing the history of both the athletics program and the University. Sports histories are portrayed in graphic murals and on video screens. A five-story trophy case, making it one of the world's largest, houses the Bearcat's championship memorabilia.

The unique building was designed by signature architect Bernard Tschumi. UC graduate Eva Maddox (DAAP 1966) orchestrated the design of the museum.

Varsity Village created three new sports venues and made significant upgrades and enhancements to two others.

The new baseball stadium, named for late Cincinnati Reds owner and area philanthropist Marge Schott, opened late in the 2004 season. UC's tennis program benefits from a new on-campus tennis center. The swimming and diving teams have a new training and competition home, the Keating Aquatics Center, in the nearby new student recreation center.

UC's track and soccer complex was totally renovated and permanent seating for 1,400 was added, along with a press box, and reopened as the Ben and Dee Gettler Stadium.

Nippert Stadium, which has been the home to UC football and the activities of just about every other outdoor sport since 1902, has undergone significant improvements in seating and other accoutrements for the spectators, such as expanded concourses and concessions areas, and a new video board. Teams benefit from field-level game day locker rooms and a grass-like FieldTurf artificial playing surface.

Even UC's Marching Band benefited with the creation of the Rockwren Band Center.

Landscaping has created a major walkway, O'Varsity Way, that leads visitors through the heart of Varsity Village. The Raymond D. Sheakley Lawn and Victory Plaza provide gathering and activities space for UC fans attending events.

RICHARD E. LINDNER VARSITY VILLAGE

# ACADEMIC SERVICES

The Academic Services Office works with coaches, faculty and administrators to help make the student-athlete's academic and athletic experience as enriching and rewarding as possible. The office helps student-athletes keep abreast of the eligibility requirements of their particular colleges, assists with the coordination of class schedules, and monitors their progress in their respective programs and toward graduation.

Weekly meetings with academic advisors are set up for student-athletes to better monitor their academic progress and assist with adjustment to college. Tutoring and educational assistance are also readily accessible.

## SERVICES PROVIDED FOR STUDENT-ATHLETES

**Academic Advising:** The UC Academic Services staff provides information regarding policies, procedures, course selection, selection of major and minor areas of study as well as NCAA and university guidelines for adequate academic progress.

**Priority Registration:** Student-athletes meet with an advisor in their college in order to obtain a check sheet and a graduation plan. The student-athlete then meets with an athletic academic advisor during priority registration in order to register for the quarter. Priority registration allows student-athletes to register for classes around practice and competition schedules.

**Counseling:** Individual work is done with student-athletes with specific concerns such as decision-making, adjustment to college, communications, relationships, test-anxiety and necessary study skills. Appropriate referrals are made to other campus resources.

**Monitoring Academic Progress:** Progress reports are used to gather classroom performance information from professors. This information is shared with the student-athlete and his/her coach so everyone can keep abreast of the current academic progress.

**Tutorials:** Services are provided for one-on-one and small group tutoring. Student-athletes may submit requests for a tutor assignment in most courses.

**Career Development and Placement:** The interests and strengths of each student-athlete are continually measured to prepare the student-athlete for a career beyond college. In addition to aiding career exploration and placement, this program provides assistance in securing summer employment opportunities and internships opportunities and post-graduate scholarships.

## NANCY HAMANT ACADEMIC CENTER

The opening of the Richard E. Lindner Athletic Center pays huge dividends for student-athletes in terms of academics as the building houses the spacious Nancy Hamant Academic Center on the entire fifth floor.

The center, named in honor of the longtime faculty athletics representative, The Hamant Academics Center gives student-athletes a variety of ways to fulfill their study needs. The large study room is furnished to accommodate a variety of study habits and features 71 computer stations, a 50-person study room, five group meeting rooms and over 14 individual tutor rooms.

# SPORTS MEDICINE

The University of Cincinnati's sports medicine program is responsible not only for helping student-athletes make speedy recoveries from injuries, but in preventing injuries from occurring.

UC's sports medicine program is a comprehensive approach to the injury care and the wellness of the University's over 500 student-athletes, utilizing state-of-the-art diagnostic and treatment equipment with the latest methods in the care and prevention of injuries. Its objectives are simple: to prevent injuries, to rehabilitate injuries, to adjust to the stress following injuries and to educate student-athletes about various wellness issues. The goal is to get UC's athletes back in the classroom and on the playing field functioning at 100 percent capacity. The goal is attained in several ways. New student-athletes are carefully examined before they participate to detect potential problems. Student-athletes are afforded state-of-the-art therapeutic care.

The opening of the Richard E. Lindner Athletics Center in May 2006 provides a new, state-of-the-art sports medicine facility that caters to the needs of UC's student-athletes. Features of the facility include over 4,000 square feet of space for treatment and taping, spacious office suites for training staff and physicians, a physicians exam area, pharmacy, and x-ray facilities.

A highlight is the hydrotherapy facility which has a three-level, 5,000 gallon, two-treadmill exercise pool, and two 12-person whirlpools (one for hot and one for cold therapy). The sports medicine facility is located one floor below the new University Health Services Center, providing easy access to physicians and services. University Radiology has an MRI diagnostic center as part of the new complex.

Under the direction of Assistant Director of Athletics for Sports Medicine Jeff Carrico, UC's athletics training staff is the backbone of the sports medicine program. Trainers are present at every practice and event to monitor the health of the student-athletes and respond to injuries.

Dr. W. Kenneth Stephens, a fellow in the American College of Sports Medicine and member of the American Medical Society for Sports Medicine, has served as the Bearcats' team physician for the past 30 years. UC's University Health Service provides a staff of medical professionals accessible to student-athletes 24 hours a day.

Dr. Angelo Colosimo and the staff of the University Orthopedics Associates of Cincinnati is on call to address orthopedic injuries, performing all orthopedic surgeries and supervising post-operation rehabilitation programs.

The UC Medical College provides nationally-recognized specialists who are immediately accessible. University Hospital, a nationally-recognized medical center, is immediately adjacent to the campus, providing UC student-athletes the absolute best in health and medical care.

## Kendle Athletics Training

# UC'S CATAPULT

BIG EAST Championships in every sport within the next five years, continued leadership by UC student-athletes in academics, and community engagement are the main goals of CATAPULT, an action plan for University of Cincinnati athletics unveiled by Director of Athletics Mike Thomas.

Thomas' five-year vision for UC's 18-sport intercollegiate program was launched six months into his tenure at UC. The plan focuses on three main initiatives: winning BIG EAST team championships, high-level academic achievement, and a comprehensive integration with the Greater Cincinnati Community.

"It is critically important for our student-athletes, past, present and future, along with our coaches, staff, alumni, and fans to know that we are 100 percent committed to being a championship program within the BIG EAST," said Thomas. "Setting specific goals will keep all of our stakeholders focused on where we need to go. The title of the program, CATAPULT, is truly symbolic of what our department is poised to do over the next five years, which is to leap over the rest of the BIG EAST, and go all the way to the top."

The basic components of CATAPULT are:

**CHAMPIONSHIPS:** UC will win a BIG EAST championship in every sport within the next five years. The Bearcats picked up their first BIG EAST championship in 2006 as the men's soccer team captured the regular-season title.

**ACADEMICS:** UC student-athletes will set the pace academically by continuing to lead the general student body in graduation rates and over a five-year period outperform the general student body in grade point average. UC student-athletes are graduating at a 59 percent rate, which exceeds the 49 percent rate of school's general student body and is on par with the national student-athlete rate of 62 percent. In the most recent compilation of the grade-point averages, UC student-athletes posted an accumulated grade point average of 3.07 while the overall GPA of the UC student body was 2.969.

**TOGETHER:** UC student-athletes, coaches, and staff will respect and honor the privilege of competing as Cincinnati Bearcats. All participants recognize that UC's goals cannot be achieved without engaging the UC family and the Cincinnati community.

# CATAPULT

CHAMPIONSHIPS ... ACADEMICS ... TOGETHER

# BIG EAST CONFERENCE

With 30 years under its belt, The BIG EAST Conference continues on a path of success in and out of the athletic arena. The goals have always been the same. The league wants and expects to compete at the highest level and does so with integrity and sportsmanship. The commendable performances of the student-athletes at BIG EAST schools are the indicators of the league's proud tradition of success.

The BIG EAST has gone through membership changes since its birth, but the 2009-10 academic year will mark the conference's fifth straight with the same 16-member group, the nation's largest Division I-A conference.

In 2008-09, BIG EAST student-athletes again succeeded on the national stage. The Connecticut women's basketball team won its sixth national championship by defeating conference foe Louisville in an all-BIG EAST NCAA title game. The Notre Dame women's soccer team reached the NCAA championship game and the Syracuse field hockey squad advanced to the NCAA Final Four. Three BIG EAST women's cross country teams finished in the top 10 at the NCAA Championships. West Virginia was fourth followed by Villanova in sixth place and Georgetown in ninth.

Individually in women's sports, Providence's Dannette Doetzel won the 10,000 meters at the NCAA Outdoor Track & Field Championships. Connecticut's Maya Moore was the conference's sixth winner of the Wade Trophy as the top player in women's basketball. Notre Dame's Kerri Hanks won the Hermann Trophy, the top award in women's soccer.

On the men's side, Connecticut and Villanova advanced to the Final Four in basketball. The 2008-09 campaign was arguably the best men's basketball season in the history of the BIG EAST with the league setting NCAA standards with three No. 1 tournament seeds, four teams in the round of the Elite Eight and five in the Sweet 16.

The St. John's men's soccer team reached the NCAA College Cup before losing in the national semifinals.

BIG EAST football has maintained its high profile and its reputation as a balanced group. Seven of the league's eight squads were nationally ranked or received votes in the national polls in 2008. Cincinnati was the league champion. The BIG EAST, a charter member of the Bowl Championship Series, has won three of its last four BCS bowl games. West Virginia, Louisville and Connecticut also have won or shared league crowns over the past four seasons.

The BIG EAST has continued to produce student-athletes who were at the forefront of athletic and academic achievement. In 2008-09, 19 BIG EAST players were chosen to their respective *ESPN The Magazine* Academic All-America Teams, including eight first-team selections. Nearly 400 student-athletes have earned academic all-America honors.

The BIG EAST became the nation's largest Division I-A conference in 2005-06 when five new members began competing. The new schools were: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida.

BIG EAST institutions reside in nine of the nation's top 34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With its newest members, BIG EAST markets contain almost one fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 26 national championships in six different sports and 126 student-athletes have won individual national titles.

The BIG EAST has enjoyed tremendous basketball success, especially in this decade. In 2008-09, the BIG EAST produced four of the eight Final Four teams in men's and women's basketball. It was only the second time in NCAA history that one conference placed that many Final Four teams in the same season.

In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA basketball titles in the same season. In '02-03, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in the same year when the Syracuse men and the Connecticut women captured their respective national championships. In men's basketball, BIG EAST squads have won three of the last 11 NCAA championships. BIG EAST women's teams have taken six of the last 10 NCAA titles.

Proactive movement has been a signature strategy for the conference that was born in 1979. The BIG EAST continually turns challenges into opportunities to become stronger.

In 2009-10, the BIG EAST will add men's lacrosse to its growing list of sports, which will increase its total to 24 sport championships. The first women's golf championship was held in the spring of 2003. Women's lacrosse and rowing were added in 2001.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad based programs, led by administrators and coaches who place a constant emphasis on academic integrity. Its student athletes own significantly high graduation rates and their record of scholastic achievement notably show a balance between intercollegiate athletics and academics.

Any successful organization has been fortunate to have outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, became Commissioner in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

For 2009-10, the BIG EAST will undergo one significant change. Tranghese stepped down from his position on June 30, 2009. John Marinatto, who has served as senior associate commissioner, has moved into the Commissioner's chair.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

BIG EAST men's basketball games are regular sellouts at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden. The women's basketball championship has led all conferences in attendance for the past six years. Attendance figures also are significant in soccer and baseball.

More than 550 BIG EAST student-athletes have earned all America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last six summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes.

# BIG EAST™

## CONFERENCE

## UNIVERSITY PRESIDENT

### GREGORY H. WILLIAMS

Gregory H. Williams serves as the 27th president of the University of Cincinnati, one of the nation's top 25 public research universities. He began his tenure at UC on November 1, 2009.

From 2001-2009, President Williams served as president of The City College of New York (CCNY), the flagship college of The City University of New York. He has worked as a university administrator for over 30 years, serving in a variety of posts at The George Washington University, The University of Iowa and The Ohio State University. Prior to becoming CCNY's president, he was Dean of the Law School and Carter C. Kissell Professor of Law at The Ohio State University. Early in his career, Dr. Williams was a Deputy Sheriff, and he later worked as an aide to a U.S. Senator.

President Williams has published three books and a number of articles and book reviews for *The New York Times*, *The Los Angeles Times* and *The Washington Post*. He is best known for his award-winning and best selling memoir, *Life on the Color Line: The True Story of a White Boy Who Discovered He Was Black*. As a result of his autobiography, he has been featured on a number of national programs including "Oprah," "Dateline NBC with Tom Brokaw," "Larry King Live," ABC's "Nightline with Ted Koppel" and "Fresh Air with Terri Gross" of National Public Radio.

In 1995, *Life on the Color Line* was selected as Book of the Year by The Los Angeles Times. In 1996, the Gustavus Myers Center for the Study of Human Rights in North America named *Life on the Color Line* an "Outstanding Book on the Subject of Human Rights." It is often required reading for entering students at U.S. colleges and universities.

Currently, Dr. Williams serves as Chair of the Commission on Access, Diversity and Excellence (CADE) of the Association of Public and Land Grant Universities (APLU, formerly the National Association of State Universities and Land-Grant Colleges), and he is a past president of the Association of American Law Schools.

During his tenure at CCNY, Dr. Williams' leadership brought the college increased national recognition. Enrollment increased by nearly 50% — including an increase in new freshmen, under new, more rigorous admissions standards, with the largest incoming honors class in the college's history. According to *US News and World Report*, City College is the most diverse college campus in the nation, where Hispanics are the largest group. As a result of his leadership, the State of New York has begun to invest close to \$1 billion dollars in new science facilities and a new home for the CCNY School of Architecture. Dr. Williams also led CCNY's first capital campaign in history, which has raised over \$330,000,000.

President Williams has received numerous awards. Among them are the "Governor's Tribute to African-American Leaders of Excellence in State Service" (2004) from New York Governor George Pataki for his significant contributions to the people of the state, the Austrian Cross of Honor in Science and Art, First Class (2006), and the "Dean of the Year" award given by the National Association of Public Interest Law (1999). He also was the first recipient of the National Bar Association's A. Leon Higginbotham, Jr. Award for Outstanding Contributions to the Preservation of Human and Civil Rights (1999).

President Bill Clinton invited Dr. Williams to the White House in 1998 as part of his "Call to Action" to promote pro bono work and diversity in the legal profession.

President Williams has earned five degrees, including a JD and PhD from George Washington University, and he holds four honorary doctorates.

## UNIVERSITY MISSION STATEMENT

The University of Cincinnati serves the people of Ohio, the nation, and the world as a premier, public, urban research university dedicated to undergraduate, graduate, and professional education, experience-based learning, and research. We are committed to excellence and diversity in our students, faculty, staff, and all of our activities. We provide an inclusive environment where innovation and freedom of intellectual inquiry flourish. Through scholarship, service, partnerships, and leadership, we create opportunity, develop educated and engaged citizens, enhance the economy and enrich our University, city, state and global community.

UNIVERSITY OF  
Cincinnati

## DIRECTOR OF ATHLETICS

A 24-year veteran of college athletics administration, Thomas was named as the University of Cincinnati's Director of Athletics on October 20, 2005. Since taking the reins of the

department with 18 teams and 560 student-athletes, Thomas has championed student-athlete development and significant external growth, while also authoring a detailed plan for competitive success in the BIG EAST Conference and on the national level.

In May of 2006, Thomas introduced his vision for Bearcats Athletics, aptly titled CATAPULT — an acronym for championships, academics, and together. Thomas's five-year vision for UC's 18-sport intercollegiate program was launched on the six-month anniversary of his hiring. The plan focuses on three main initiatives: winning BIG EAST team championships, high-level academic achievement, and a comprehensive integration with the UC Campus and Greater Cincinnati Community.

By the end of 2008-09, the third year under the CATAPULT plan, UC's sports teams continue to excel in academics as a whole as the student-athletes combined to achieve a grade-point average (GPA) of 3.034 and continued to graduate at a rate of 16 percent higher than the overall student body. Those numbers will continue to grow as more and more students receive the benefits of the recently expanded and redefined academic services office and the NCAA CHAMPS/Life Skills program.

In 2007-08, Cincinnati was second in the 16-member BIG EAST with five teams garnering BIG EAST Academic Excellence Awards for posting the highest grade-point average in their respective sports (football, men's cross country, women's golf, women's swimming and diving, and women's indoor track and field).

This past year, two teams garnered BIG EAST Academic Excellence Awards (lacrosse and women's swimming), while five athletes earned the league's Scholar-Athlete Sport Excellence Award in their respective sport, tying

the University of Notre Dame for the most individual awards in the conference.

In 2006, Thomas hired head football coach Brian Kelly and the football team has made program history in the three seasons since. Kelly led UC to a school-record 11 wins in 2008, along with the school's first BIG EAST Conference Championship, and an appearance in the 75th FedEx Orange Bowl, the first Bowl Championship Series appearance by Cincinnati. The Bearcats' 21 wins since 2007-08 marks the first time UC has won 10 or more games in back-to-back seasons.

UC Athletics produced two BIG EAST team titles, five all-Americans, one all-Region selection, and 28 all-BIG EAST honorees in 2008-09.

In March 2007 UC Athletics was recognized in the 2006-07 Diversity in Athletics Award, presented by the Laboratory for Diversity in Sport at Texas A&M University. The award recognizes the NCAA Division I athletics departments that excel in various areas of diversity. UC was one of just 10 programs nationwide to earn the Diversity in Athletics Award for the graduation of African American male student-athletes.

On the external side, the University of Cincinnati is growing at a tremendous rate.

UC established single-season attendance records for football in each of the past two years, as it posted eight of the Top-12 crowds in Nippert Stadium history. In just four years at UC, Thomas has seen the average attendance in football skyrocket as it has almost doubled (16,016 to 31,965).

In terms of donor development, the UCATS office has reached all-time highs for participation with over 3,800 donors joining the club in 2008-09 (double its total two years ago) and annual fund donations at a record high. Thomas' work on the multi-phase "Raising the Bar" capital campaign, which will fund various initiatives for the football program, was crucial in the program raising its first \$5 million over a six-week period.

Fund raising and major gifts are on-going processes at UC with plans to build a new outdoor sports complex with a bubble which will serve as a practice venue for football, a competition site for lacrosse, and be accessible to the UC and Greater Cincinnati communities. The department is also studying the potential renovations and/or expansions of both Nippert Stadium and Fifth Third Arena. The Nippert Stadium renovation is critical as two months before the first football game of 2009, season ticket sales for UC football broke the all-time record.

Beginning in the fall of 2008, all UC teams were outfitted exclusively in adidas footwear, uniforms, training apparel, and accessories as the department signed its first across-the-board shoe and apparel contract. The four-year contract aligns UC with other adidas marketing partners such as the NFL, MLS, and an 11-year exclusive all-league partnership with the NBA.

Later in 2008-09, Thomas reached an agreement with IMG College, a division of IMG Worldwide, for a new 12-year multimedia rights partnership.

Prior to coming to UC, Thomas spent five years as the Director of Athletics at the University of Akron and seven years as associate athletics director at the University of Virginia, an institution known for achieving

# MIKE THOMAS

COLORADO STATE '83 » FIFTH YEAR

impressive success both academically and athletically, before bringing that model to Akron. Virginia finished in the Top 25 in the Director's Cup in each year of Thomas' tenure there while at the same time was in the top ten nationally in student-athlete graduation rates.

Under Thomas' direction, Akron rose from last place to second among Mid-American Conference schools in the Director's Cup annual rankings. Simultaneously, Akron vaulted from last to second place in the MAC Academic Achievement Awards. Thomas increased the financial base of the Akron athletics program through increasing corporate sponsorship levels by 500 percent and boosted annual giving to athletics to its highest level in the school's history. Community support was rallied, with marked increases shown in football and basketball attendance. During this time period, the Zips won their first MAC football championship and the hiring of men's basketball coach Keith Dambrot has led to unparalleled success on the hardwood.

Support services and facilities for academic support for student-athletes were significantly increased, which resulted in a significant improvement in grade point averages and graduation rates of UA student-athletes.

Thomas coordinated over \$140 million in facility construction and renovation, including \$25 million in capital improvements at Akron, including a new indoor fieldhouse, a football practice complex, and a softball facility. He also spearheaded the new on-campus football stadium and was instrumental in the initial fundraising and planning stages of the facility which opened in September of 2009.

Recognized for his administrative acumen by his peers, Thomas presently serves on several national and conference committees, including the NCAA Division I Championship/Sports Management Cabinet (where he also serves as the NCAA men's basketball liaison to the cabinet), the NCAA Men's Basketball Issues Committee, and he also chairs the BIG EAST Championship and Competition Committee. Thomas has also previously served as a member of the NCAA Division I Championships/Competition Cabinet, the NCAA Division I Women's Basketball Issues Committee, the NCAA Division I Academics/Eligibility/Compliance Cabinet, the NCAA Postseason Bowl Licensing Subcommittee, and the Division 1A Athletics Director's Association Legislative Review Committee.

Twice during his career, Thomas has received distinction for his efforts and dedication as a director of athletics, garnering the General Robert R. Neyland Outstanding Athletics Director Award in 2005 at Akron and then again in April of 2008 at Cincinnati.

Prior to his experience at Virginia, Thomas spent seven years at the University of Denver as assistant athletics director for internal operations, and one year at the University of Iowa in marketing and promotions, and operations.

Thomas, 49, received his B.S. degree in Business Administration from Colorado State University in 1983, and his M.S. degree in Athletic Administration from Western Illinois University in 1986. He and his wife, Jenifer, have four children: Vince, Joey, Mick, and Meredith.

# LELLIE SWORDS

## Head Coach » 3rd season at Cincinnati

**L**ellie Swords begins her third season as the head coach of the University of Cincinnati's women's lacrosse program after building a resume that includes a playing and coaching career at the premier level. Dedicated to the complete development of her student-athletes, Swords

provides her athletes the opportunity to succeed athletically, academically, and as contributing members of the community.

In 2009 the Bearcats began the season with a three-game win streak and ended the season on a two-game win streak. Cincinnati scored 58 more goals, controlled 48 more draws, picked up 15 more ground balls, and tallied 76 more points than the inaugural team, showing improvement in every statistical category.

Academically in 2009, the lacrosse team was one of 23 teams honored with the 2008-09 BIG EAST Conference Team Academic Excellence Award. The award recognizes the highest collective grade-point average in each conference sport. The squad also posted a perfect Academic Progress Report score in 2008 and Lindsey Marshall graduated magna cum laude in the summer of 2009. Additionally, five UC players earned IWLC Academic Squad honors for the 2008-09 academic year. Jess Kazaks, Lauren Kelly, Patty Kelly, Shannon Lynes, and Lindsey Marshall were each recognized by the IWLC for the excellence in the classroom.

Swords has also encouraged her athletes to become active members of the community, varying from volunteering time around the holidays at the Drop Inn Center to visiting the Cincinnati Children's Hospital. Other community service projects have included Adopt a Family, Adopt a Troop, Toys for Tots, Sports Buddies, Cincinnati Kid Fest, Big Brothers/Big Sisters, Ronald McDonald House, Winners Walk Tall, Friends of Jaclyn Foundation, Bras for Bridges, and Breast Cancer Awareness. The Bearcats have also given back to the lacrosse community as well. During the summer and fall, the team hosted several clinics for area youth.

Swords became UC's first intercollegiate women's lacrosse coach on Feb. 16, 2007, and led the Bearcats to the first win in school history on March 7, 2008, against Saint Mary's. She was selected as one of three BIG EAST coaches to serve on the Intercollegiate Women's Lacrosse Coaches Association (IWLC) Board of Directors.

Prior to her coaching stop at UC, Swords helped Johns Hopkins build one of the premier women's lacrosse programs in the nation. The Blue Jays posted a 56-28 record during her time on the Baltimore campus. In 2003 and again in 2005, she directed a defense that was ranked in the Top 10 nationally.

Year	School	Position
1997	George Mason	Assistant Coach
1998-00	Cornell	Assistant Coach
2002-06	Johns Hopkins	Defensive Coordinator
2006	Johns Hopkins	Associate Head Coach
2007-pres.	University of Cincinnati	Head Coach

Swords mentored 2005 all-American Lacey-Leigh Hentz, who was a four-time first team all-American Lacrosse Conference (ALC) defender. In 2007, sophomore Sarah Gallion earned second team all-ALC honors.

Swords served as the defensive coordinator at Johns Hopkins and was promoted to associate head coach in the fall of 2006. She was a volunteer assistant for one season before being promoted to full-time status in August 2002.

After beginning her coaching career at George Mason, Swords moved on to Cornell where she worked primarily with the Big Red defense. During her three-year stay in Ithaca, N.Y., Cornell was ranked as high as No. 15 in the national polls and won the ECAC Championship in 2000.

In 2001, Swords was an assistant coach at the St. Paul's School for Girls in Baltimore while concurrently serving as a volunteer assistant at Hopkins.

A four-year letterwinner at James Madison, Swords started all 35 games over her final two seasons. She led the team in interceptions in each of her final two seasons and was awarded the squad's Unsung Hero award in 1996. She also garnered Virginia I/South II honors as a senior.

The Cherry Hill, N.J., native graduated from JMU in 1996 with a bachelors degree in kinesiology and minor in business. She continued her playing career on Team Toyota until retirement in 2005.

Swords' husband, Kyle, played professional soccer in the A-League with the Hershey Wildcats and Charleston Battery, and in the indoor league with the Harrisburg Heat and Baltimore Blast. He is currently serving as a volunteer assistant coach for the UC women's soccer team. The Swords have three children, Rianne, Killian, and Jameson.

# LAUREN SCHWARZMANN

## Assistant Coach » 2nd season

**L**auren Schwarzmann, a former standout at Johns Hopkins, begins her second season at the University of Cincinnati.

A four-year starter and four-time all-conference selection for the Blue Jays, Schwarzmann was on the Tewaaraton Trophy (the top individual award

in women's lacrosse) watch list in 2008. An all-region selection in 2007 as a midfielder, she was selected to play in the North/South College Senior All-Star game. Schwarzmann finished her Johns Hopkins career with 79 goals, 39 assists, and 118 points, ranking in the Top 10 in school history in all three categories.

Schwarzmann is also a member of the US Women's National Team and has been a part of the program since her '07-'08 senior season.

Schwarzmann has played for and coached with UC head coach Lellie Swords when the two were at Hopkins. Swords was an associate head coach with the Blue Jays and the Director of the Jays Lacrosse club team, a middle school girls squad. Schwarzmann was recruited by Swords to JHU and was an assistant coach for the Jays club team.

Schwarzmann graduated in the spring of 2008 with a degree in public health studies. Schwarzmann plays an integral part in the growth of lacrosse in the Greater Cincinnati area, running camps and leagues through the 513 Lacrosse organization and the Natilax Elite club team. She will handle the offensive coordinator duties at UC, and recruiting. She aids in fundraising, team academics and video exchange.

# CHRISTY FINCH

## Assistant Coach » 1st season

**U**niversity of Cincinnati lacrosse head coach Lellie Swords added former Northwestern defender Christy Finch to her coaching staff in July, 2009. Finch, a four-time National Champion during her stay in Evanston, will bring an unparalleled level of success to the program.

In her final two years at Northwestern, Finch was named the Intercollegiate Women's Lacrosse Coaches Association (IWLCA) Defensive Player of the Year and an all-America selection. In her senior year she led the nation in caused turnovers with 70 and was honored as a Tewaaraton Trophy finalist (top female lacrosse player), Defender of the Year by *Inside Lacrosse*, *Womenslacrosse.com*, and *WomensLax.com*. The defender was also named Northwestern's female recipient of the Big Ten's Outstanding Sportsmanship Award.

For her career, she caused 183 turnovers, ranking fourth all-time in the NCAA record books. Finch was part of a Wildcat senior class which finished their careers with an overall record of 83-3 (.965), including a 43-0 record at home, and four national championships. This past summer, Finch served as an alternate for the World Cup Team and is a current member of the U.S. Elite Team.

Finch graduated in the spring of 2008 with a degree in communication studies and a minor in business institutions. A native of Hudson, Ohio, Finch assists with the 513 Lacrosse organization and the Natilax Elite club team. She handles individual player development, video exchange, fundraising, and assists with recruiting.

## ADAM PAULUS

### Volunteer Assistant

Adam Paulus begins his second season as a volunteer assistant for the UC lacrosse program in 2010.

Paulus played lacrosse at Archbishop Moeller High School from 1995-1999 before attending the University of Dayton and graduating with a degree in Visual Communication and Design. He is an assistant coach at Moeller High School and is

currently serving as the head junior varsity coach.

Paulus is employed by M/I Homes as a construction supervisor. His duties at UC include coaching the UC goalkeepers.

## WHERE THEY'RE FROM

A visual look at the 2010 University of Cincinnati lacrosse roster. The Bearcats come from five different states.

## 2010 SEASON PREVIEW

Entering its third season, the University of Cincinnati lacrosse program looks to continue building on its success after an improved season in 2009. Led by third-year head coach Lellie Swords, the Bearcats are riding a two-game win streak from the end of the 2009 season and begin 2010 with the same opponent they ended 2009 with, Detroit, on March 7.

"Our goal in our third year is to improve our win/loss record from 2009 and win our first BIG EAST game," said Swords. "As always, our ultimate goal is to be one of the top four teams in the conference and gain a BIG EAST Tournament berth. We want to continue to build on our successes both on the field, in the classroom, and in the community."

Cincinnati, one of the most conscious teams at UC in regards to community service, was awarded the Intercollegiate Women's Lacrosse Coaches Association (IWLCA) Team Community Awareness Award in December. The award recognized the Bearcats for their hard work and dedication in the community. In addition, five athletes from the lacrosse team were recognized by the IWLCA for their excellence in the classroom last season. Jess Kazaks, Patty and Lauren Kelly, Shannon Lynes, and Lindsey Marshall were part of a group of 407 student-athletes to earn such recognition after the 2008-09 academic year.

UC began 2009 with a three-game win streak and ended the season on a two-game win streak. Cincinnati scored 58 more goals, controlled 48 more draws, picked up 15 more ground balls, and tallied 76 more points than the inaugural 2008 team, showing improvement in every statistical category.

Swords will guide UC in its second season as a fully-affiliated member of the BIG EAST Conference and will look to sophomore Laura Simanski, who led the team last season with 52 points, 47 goals, and 92 shots, for an offensive punch. Juniors Natalie Starvaggi and Lynsey Burton, as well as sophomore Ali Mattingly will contribute to UC's offense as Starvaggi had 16 goals, Burton scored 18 goals – the first goal of the season each of the last two years – and Mattingly controlled 35 draws and scored 17 goals as a rookie.

"Laura is our top returning scorer and will prove to be a force to be reckoned with in the BIG EAST," said Swords. "Star (Natalie Starvaggi) is the workhorse of the team.

Watch for her to dominate between the 30's and to add more goals in 2010."

Defensively, UC returns sophomore goalkeeper Katherine Russo (161 saves, 13.84 goals-against average), as well as sophomore defenders LB Zinkand and Rachel Mercier. Sophomore MacKenzie Parsons finished her freshman campaign with 15 goals and two assists, picking up 19 ground balls from the midfield. Zinkand and Mercier combined for 67 caused turnovers in their freshmen campaigns.

"LB is the anchor of our defense," stated Swords. "She will have some midfield responsibilities this season and will play a huge role in our transition. As a result, she will see some time on the offensive side of the ball. MacKenzie Parsons is also a player to watch. She had a great fall until she broke her hand but is back and ready to go. Kenzie will be the much needed spark that our team needs on both ends of the field."

The Bearcats will play eight home games and feature a total of six contests against opponents that finished the 2009 season nationally ranked in the Top 20 of the final IWLCA Poll – at Stanford (March 22), at Loyola (April 3), Georgetown (April 9), Ohio State (April 14), at Notre Dame (April 17), and against Syracuse (April 23).

"We added a new high-pressure, in-your-face defense this fall," said Swords. "We need to continue to work on it, but it will prove to be a great take away defense for our team this season. With our extra depth -- we have seven freshmen that are very talented -- we expect to have a well-rounded offense with a variety of people contributing points and helping us reach our goals in 2010."

2010 BIG EAST  
CHAMPIONSHIP

MAY 6-8, 2010/NEW BRUNSWICK, N.J.

The 2010 BIG EAST Women's Lacrosse Championship will be played in New Brunswick, N.J., at Rutgers'Yurcak Field. The semifinals will be held on Friday, May 6, with the championship set for Sunday, May 8. For the fourth consecutive year, the title game will be televised live on the CBS College Sports Network. The top four teams in the conference standings selected and seeded according to Conference game-winning percentage at the conclusion of the regular season will advance to the 2010 BIG EAST Women's Lacrosse Championship.
