

This information will give you an idea of the quality of athletic achievement the University of Cincinnati Track & Field/Cross Country program is looking for.

This is a **general** guide and is in no way the last word. We will consider any student-athlete who may not have met a standard if we think he/she has the potential to improve a great deal.

Please Note: Athletic scholarships can range from a book scholarship up to a full Grant-in-Aid. Athletic performances are evaluated each year, allowing for walk-ons to be possibly placed on aid. Athletic aid is performance based, awarded at the discretion of the head coach and may also depend upon the position needs of the team each year.
