## FOCUS OF THE MONTH

### NLI REMINDERS

- National Signing Day begins on November 10th and goes until August 1st, 2022 for all sports except basketball and football.
- All NLI submittal paperwork needs to be submitted to the compliance office through ARMS.
- The deadline for NLI paperwork to be submitted was Friday, October 29th. If you have not done so, please submit your paperwork ASAP.
- Once a prospective student-athlete has signed their NLI, they are no longer subject to the restrictions of Bylaw 13.1, which deals with contact between institutional staff members and prospective student-athletes.
- However, a commit is still considered a prospective student-athlete for the purposes of applying the rest of Bylaw 13 and the other bylaws.

# FREQUENTLY ASKED QUESTIONS

**Question:** Is there a deadline to sign an NLI?

**Answer:** Yes. If the PSA does not sign this NLI and the offer of athletics aid within 7 days after the date of issuance (noted on the signing page) it will be invalid. The 7-day signing deadline does not apply if the NLI is received on the last day of a signing period. In this case, the 7-day signing deadline only applies if there are 7 days remaining for the signing period.

**Question:** Are transfers permitted to sign an NLI?

**Answer:** Transfers from another 4-year institution are not permitted to sign an NLI. However, 4-2-4 transfers and 2-4 transfers are permitted to sign NLIs.
