

MEMPHIS POSTGAME NOTES

Game Seven – vs. Cincinnati – October 30, 2013 – Liberty Bowl Memorial Stadium – Memphis, Tenn.

Post game quotes- Coach Tommy Tuberville (Cincinnati Coach)

On the team's play

"They went after us and played close on our receivers, but our running game got going. I'm just proud of the whole team. We fought hard and we fought for everything we got. We weren't given anything. I'm proud of the defense. They've been playing well all year long. We're getting turnovers and making things happen. That's the whole key to a football game is give your offense a short field."

On senior quarterback Brendon Kay

"He got hit pretty hard. He got knocked around, but he's a tough kid. If we can get him 100 percent, there's no telling how good he can be."
