#### Bray Bombs Away

- Bray had a streak of nine straight completions come to an end in the first quarter (last of Montana, first 8 vs. Cincinnati)

- Bray's 282 passing yards in the first half tie him with Bobby Scott for the fourth-most in one half in Tennessee history.
- Bray's 405 total yards marked the first time a Vol quarterback eclipsed the 400-yard mark since Peyton Manning threw for 523 yards against Kentucky (11/22/97)
- Bray's completion percentage of 82.9 (34 of 41) is the highest in Tennessee history with 30 or more completions, breaking Peyton Manning's mark of 77.5 set against Georgia in 1997 when he was 31 of 40.
- In seven career starts, Tyler Bray is averaging 320.6 passing yards per game

### We're Going Streaking

## VOLS QUOTES | GAME 2

**Six-Time  
National Champions**  
1938, 1940, 1950, 1951, 1967, 1998

**Tennessee (2-0) vs. Cincinnati (1-1) | Sept. 10 | Neyland Stadium (94,207) | Knoxville, Tenn.**

### **Tennessee Head Coach Derek Dooley**

#### *(Opening statement)*

"It was a real good win, and that's a good football team. They had us on our heels early. Overall, our passing game was hitting on all cylinders. The quarterback (Tyler Bray) played really well throwing the ball. The two big wide-outs (Justin Hunter and Da'Rick Rogers) backed up what they did last week. Tauren Poole ran a lot better. There was a lot of improvement in those areas.

"The disappointing part: we put two balls on the ground, and we've got to keep working with the young guys, especially in the fourth quarter. That was the only way we could screw the game up, and we tried. We made a lot of mistakes, defensively, lining up. That's half the battle. Those guys (Cincinnati) were fast-paced, they get in a lot of formations, and it stressed us. We didn't do a good job of tackling early, but the difference on defense was the three big stops. The two fourth-and-ones at midfield were giant plays to allow us to pull away, and then the goal line stop in the third quarter. Those were difference-makers.

"I'm really proud of the team. It was a good win, and we showed a lot of improvement from last week. We have to get ready for big ball next week."

#### *(On the big plays by his defense)*

"They were good plays, but we made a lot of mistakes. There are a lot of things Florida is going to look at on film, and they are going to be licking their chops. They were good plays when we had to have them. Those are tough plays; you snap it in the gun, and you've got the quarterback running. If you knock the line of scrimmage back, you've got a chance to make a play."

#### *(On the onside kick and the message it sent to his team)*

"We go into every game with stuff to try to generate some plays on special teams. We've done a pretty decent job in the last two years, and (Michael) Palarzy just had great execution. We've practiced it a lot and felt like we had a chance. The first drive, the guy goes 60-something yards and runs all over us, and then we scored. I just wanted to keep a little momentum going. It worked, so it was a good way to kind of flip the momentum."

#### *(On the connection between the young players)*

"I've never had three of them like this, this young. I hope they keep doing what they are doing. The tests are going to get harder, but it is good to see where they are. That's two pretty good games by a quarterback and two really good games by those two wide outs. They made a lot of plays."

#### *(On the short yardage stops by the defense)*

"Those are (like) turnovers. People don't realize how big those are. It's not just the stops; it's field position. If they punt it, you saw what that punter can do. He put it on the one. Those are about 40-yard stops/turnovers. It generates juice. You get a little excited. Those plays are huge on fourth downs."

#### *(On Tyler Bray's maturity level and whether he is growing up with each game)*

"Well, he is. He looks very different than what he did last year at this time, and that's a tribute to him. This is two games, and it's a long season. We've got to get ready for next week, because these suckers are good, and they do a lot of stuff."

#### *(On the importance of converting 10 of 13 third downs and sustaining drives)*

"That's important every game. We hit some big third downs and even late in the game. I'll tell you, I hate those fourth quarters when you are ahead and the players are out there feeling good, and I'm pulling my hair out because you can screw the game up in the fourth quarter. But, we converted some third downs there. I've always said it helps to have good accurate throws and big targets like we have. The O-line is blocking pretty well in pass protection, and they deserve a little credit, too. They're doing a really good job giving Tyler a lot of time back there.

#### *(On whether he saw improvement in the run game)*

"Yes. Yes. Tauren ran well. He averaged 4.8 yards per carry and over 100 yards. That's a solid game. Marlin (Lane) put the ball on the ground, and Rajion (Neal) put the ball on the ground, so we still don't have what we need behind him. Poole had a lot more commitment in his runs. There were times when we didn't

run it well, but for the most part we did. When you throw for 405 and you've got a 100-yard back..."

### **Senior DT Malik Jackson**

#### *(On short yardage)*

"It just took a little while to get adjusted. They're a good team, so we just took what the coaches saw, and kept pushing."

#### *(On momentum with 4th and 1 stops)*

"It's a great feeling. We go in there every week and talk about big stops and getting the small stuff done. When we go out there and stop them like that, it's big. And I think we got points off of them, too, so it's definitely big when you stop a team like that."

### **Sophomore QB Tyler Bray**

#### *(On expecting holes in the defense)*

"They came out with the same defense that Montana showed, so we had a week, already, on that defense. We just went out and executed."

#### *(On thinking about records)*

"Yeah, I do. At the end of last week, guys were telling me, but I don't really care about that. It's more about the victory."

### **Junior DB Marsalis Teague**

#### *(On Cincinnati getting more one dimensional)*

"They did. That gives credit to our defensive line, pushing them back, and we really did a good job out there."

#### *(On seeing more traditional teams in the coming weeks and less spread defense)*

"I think we just need to go with the game plan. They might want to go spreads, and we're comfortable, I think, with our group and doing that."

### **Sophomore S Brent Brewer**

#### *(On defensive adjustments after the first two Cincinnati drives)*

"The first two series we had a bunch of misalignments. We got back the sidelines, talked to the coaches, and got lined-up right. We had to work fast to get lined-up. They kept moving the ball from boundary to boundary so we had to go fast."

### **Sophomore WR Da' Rick Rogers**

#### *(On the play of the offense)*

"It was not easy but it was routine. We play at a fast tempo and hot-paced offense in practice. We play like we play in practice and it turns over into the game. We work hard in practice and make plays so when it comes game time, it is second hand. They are same plays you always run."

#### *(On the aggressiveness of the offense)*

"We love it. That is how our offense is – down-hill running game and we are going to stretch the field deep throwing the ball."

#### *(On his first touchdown catch)*

"That was supposed to be Justin's (Hunter) touchdown but I slipped open in the back door on Bray found me."

#### *(On sophomore quarterback Tyler Bray)*

"Bray is playing at a high-level right now. His confidence is at an all-time high. You can really see it in practice. He is playing with great poise and playing like a quarterback right now. He is really running things."

### **Sophomore WR Justin Hunter**

#### *(On the blocked field goal)*

"I had a feeling I was going to block it. It (the kick) was so far away, and I was tight at the line. I nipped it with my fingers. I saw the ball spinning so I knew I got it. We made an emphasis in the week to practice that – the jump. So, to get one made the coaches happy."

## CINCINNATI QUOTES | GAME 2

Tennessee (2-0) vs. Cincinnati (1-1) | Sept. 10 | Neyland Stadium (94,207) | Knoxville, Tenn.

### Cincinnati Head Coach Butch Jones

#### *(Opening statement)*

"You look at the first half and two fourth-and-shorts that we didn't come up with anything. Our defense did a great job of answering the call on one and they missed the field goal. But the tipped field goal, we gave them a possession on the on-side kick, we have a long way to go and we have to get better in a hurry. The biggest thing is rushing the passer, they threw the ball 40-something times and we had zero sacks. We have to get better in pass coverage, I think everyone saw that. We'll go back to working on that."

#### *(On any positives he took from the game)*

"We didn't turn the football over, we made some plays, but the season is still very early, we just need to keep progressing."

#### *(On how his team handled the atmosphere of Neyland Stadium)*

"I thought we were ready to play and jumped out early, but when you go on the road, you have to play with a high level of consistency, you can't beat yourself."

#### *(On the quick start and the play of senior RB Isaiah Pead)*

"He just continues to get better and better. He was really focused and kept having second and third efforts. I thought our receivers did a good job blocking down the field, and up front, if you take away a couple of third-and-shorts, I thought we did some good things in the run game."

### Senior QB Zach Collaros

#### *(On the Tennessee defense)*

"They came out today with a different look than what we were expecting. We were expecting a lot more of a quarters coverage that we didn't get. I thought we adjusted well to it and moved the ball well, but we didn't finish drives. A couple of third and ones, fourth and ones and some missed opportunities. We would like to have those back."

#### *(On not converting near the endzone)*

"I thought I was over (the goal line). You never know how that would have changed the game but we still had two more downs to get it in and we didn't. That's on us. It's not on the referees and it's something we have to correct."

#### *(On what went wrong)*

"We'll have to watch the film. I think Tennessee did a better job than we did. We tried to go smashmouth on them and run the ball on third and one, fourth and one and if you expect to win the conference and expect to be a good team, you expect to get that yard. I don't know what went wrong, but like Isaiah said, we are going to get in and watch the film tomorrow, put this game behind us and move on for Akron."

### Senior RB Isaiah Pead

#### *(On his long touchdown run)*

"Once I broke the first tackle all I saw was KT (Kenbrell Thompkins) getting the block and sideline and touchdown. You run for the touchdown. That is what you play the game for."

#### *(On breaking a tackle on the TD run)*

"I was expecting to get hit. You have to expect to get hit every play but you don't have to expect to go down."

#### *(On when the game was tied at 14)*

"I felt like we were ready to go point-for-point with them. If it would have been a shootout, we were up for it. Unfortunately it didn't turn out that way. We had a few mistakes in big situations and we have to get that corrected like Zach said. We get back in the lab tomorrow and get ready for Akron."
