FOCUS OF THE MONTH

CIVIC ENGAGEMENT LEGISLATION

- The Student-Athlete Advisory Committee approved changes that prohibit any practice, competitions, and other countable athletically related activities on the first Tuesday after November 1st of every year.

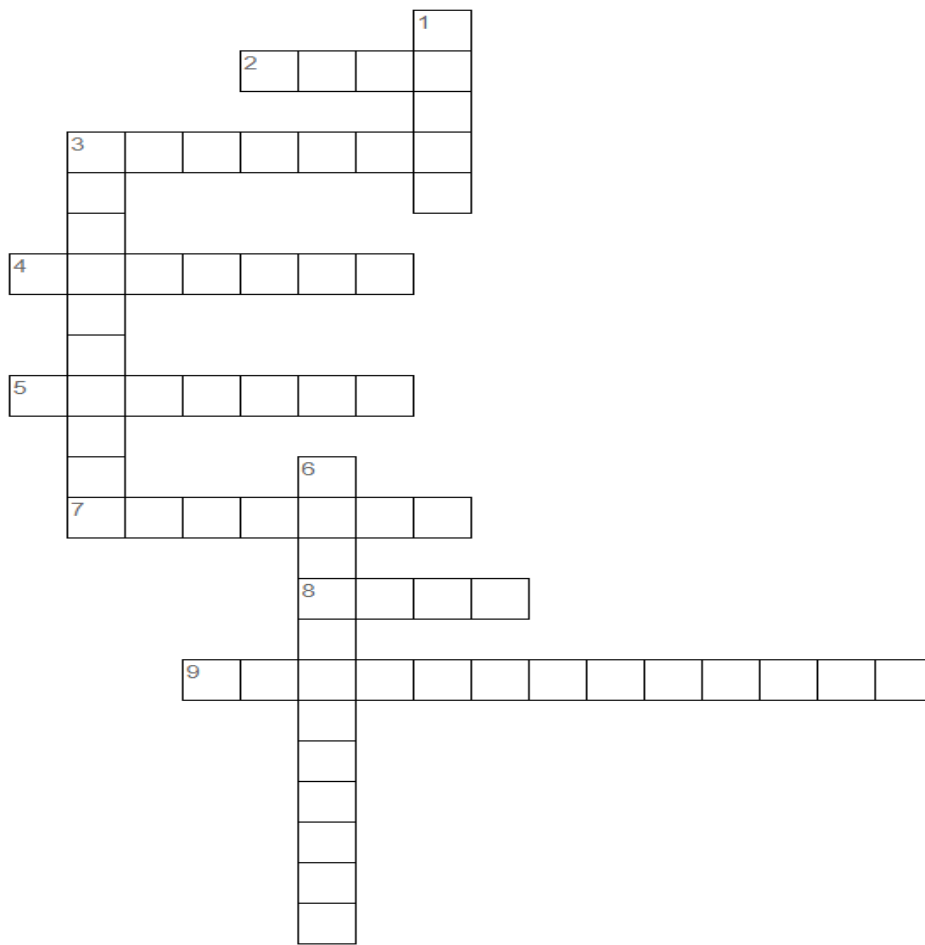

Staying Engaged in the Community

Being a Bearcat is more than just wearing red, black, and white. It's about fellowship and the opportunity to grow as an individual amongst your peers on and off the field where we call Cincinnati home. That is why it is important to be involved in organizations supported by the community and the university so students can better learn from one another in certain areas they feel they can expand on, whether it is for a future profession, craft or skill, or allowing your voice to be heard. This November, let your voice be heard by voting in the upcoming presidential election. You can register to vote in the state of Ohio if you have not done so already at <https://olvr.ohiosos.gov/>. And remember, the most common way people give up their power is by thinking they don't have any.
